MOTION ON NOTICE

Full Council | Tuesday, 28 September 2021

Suspension of State Pension Triple Lock

- 1. This Council notes with concern the Government announcement in September 2021 that the Triple Lock on pensions will be suspended for a year, breaking a key election pledge in the Conservative manifesto:**
 - 1.1. The Triple Lock was introduced by the Liberal Democrats in Government in 2010. It guaranteed a fair and dignified pension increase each year in line with wages, inflation or by 2.5% – whichever was highest. As a result, pensioners received record annual rises in their state pension in the years that followed.
 - 1.2. By removing the link to earnings, the Conservative Government has ensured that the pension rise in April 2022 may only be minimum 2.5%. This is significantly below the projected rise in wages for the same period.
- 2. This Council notes that the Office for National Statistics recommended a 3.5% increase in the state pension next year, and this advice was ignored by the Government;**
- 3. This Council instructs the Chief Executive to write to Therese Coffey, Secretary of State for Work and Pensions, to express its opposition to the suspension of the Triple Lock on pensions.**
- 4. This Council further asks for a guarantee from the Secretary of State that the Triple Lock will not remain suspended for any longer than one year.**

Councillor Michael Charlesworth (Proposer)

The above motion was duly received by the Head of Law & Democracy on 18 September 2021 in accordance with Rule 14, Section 1 of Part 4 of the Constitution of the Council.

Agenda Item 6b.

MOTION

As you are aware Central Government funding for councils has been reduced significantly and the government now expects local government to raise the majority of its finances locally.

This has put considerable strain on all councils to raise funds to provide services to our residents.

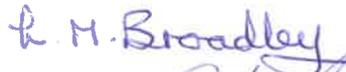

Only 12% of the council tax raised in the Borough goes to Oadby and Wigston.

The promise that all monies spent on Covid would be repaid, in fact only 76 pence for each pound spent has been reimbursed. This puts further strain on the councils finances.

We propose the Council delegate to the Leader/ Deputy Leader and senior officers the authority to halt plans to bring in the extension of parking charges, should Neil O'Brien MP deliver by 31st October 2021 sustainable long term funding of at least £170.000 per annum. This is the current annual cost to the council of maintaining the car parks.

The motion will be proposed by myself and seconded by Michael Charlesworth.

Seconded. Councillor Michael Charlesworth
