Summary and Explanation

(This page is intentionally left blank)

1. THE COUNCIL'S CONSTITUTION

- 1.1 The Council has a Constitution which sets out how it operates, how decisions are made and the procedures which are followed to make sure these are efficient, transparent and accountable to the people the Council serves. Some of these processes are required by the law, whilst others are a matter for the Council to decide.
- 1.2 The Constitution is the key guide and 'rulebook' for how the Council, its staff and elected Members fulfil their roles and responsibilities. The Constitution is divided into 15 Articles, which set out the basic rules governing the Council's business. More detailed procedures and codes of practice are provided in the separate Rules of Procedure and Codes and Protocol sections in this Constitution.

2. BACKGROUND TO THE BOROUGH OF OADBY AND WIGSTON

The Borough of Oadby and Wigston covers an area of just under 24 square km (9 square miles) and shares boundaries with Leicester City, Blaby District and Harborough District. The Borough is urban in nature with most economic activity centred around the three settlements of Oadby, Wigston and South Wigston with a population of approximately 56,000.

3. WHAT IS IN THE CONSTITUTION?

- 3.1 **Article 1** of the Constitution commits the Council to leadership, efficient, effective and economic service delivery, responsibility and transparency in local democratic self-government.
- 3.2 **Articles 2 - 15** explain the rights of citizens and how the key parts of the Council operate. These are:

Article 2	Members of the Council
Article 3	Citizens and the Council
Article 4	The Council
Article 5	Chairing the Council
Article 6	Committees and Working Groups Appointed by the Council
Article 7	Outside and Partnership Bodies Directly Facilitated by the Council
Article 8	Joint Arrangements and Partnerships

- Article 9** Standing and Other Committees
- Article 10** Member Conduct
- Article 11** Officers
- Article 12** Decision-Making
- Article 13** Contracts, Finance and Legal Matters
- Article 14** Review and Revision of the Constitution
- Article 15** Suspension, Interpretation and Publication of the Constitution

4. HOW THE COUNCIL OPERATES

- 4.1 The Council is composed of 26 Councillors (called "Members") elected every four years.
- 4.2 Councillors are democratically accountable to the residents of their ward. The overriding duty of Councillors is to the whole community, but they have a special duty to their constituents, including those who did not vote for them.
- 4.3 Councillors have to abide by this Constitution, which includes a Code of Conduct in order to ensure high standards in the way they undertake their duties. The Council promotes excellence, probity and transparency in public services and provides training and advice for Councillors' governance matters including the Code of Conduct.
- 4.4 The Localism Act 2011 ("the Act") brought about a number of key changes to the Standards Regime operating in local authorities. Under the Act, local authorities remain under a statutory duty to promote and maintain high standards of conduct by their Councillors.
- 4.5 In discharging this duty, the Council is still required to adopt its own Code of Conduct (previously the content of the Code was prescribed by legislation). Oadby and Wigston Borough Council has adopted the Local Government Association Model Code of Conduct with local amendments in common with other authorities within Leicestershire. The Act repealed the statutory requirement for the Council to have a Standards Committee.
- 4.6 At the Council meeting on 25 February 2014, the Council agreed to disband the existing Standards Committee in view of the fundamental changes to the national Standards Regime.
- 4.7 The Policy, Finance and Development Committee has responsibility for promoting and maintaining high standards of conduct and where a panel of Councillors are required to hear a complaint, this will be allocated from the membership of the Policy. Finance and

Development Committee on a rotational basis. The procedure for investigations will be carried out in accordance with the processes set out in Part 5 of this Constitution.

- 4.8 All Councillors meet together as the Council. Meetings of the Council are normally open to the press and public except where exempt or confidential matters are being discussed. The Council is the forum for political debate on policy and strategy matters. Here Councillors agree the Council's overall policies and set the budget each year. The Council retains certain powers and duties to itself, and delegates some to Committees and Officers.

5. HOW DECISIONS ARE MADE

- 5.1 Most day-to-day decisions are made by two main committees:
- (i) Policy, Finance and Development Committee - which sets the overarching strategic direction for the Council under the heading 'Corporate Development'; and
 - (ii) Service Delivery Committee - which oversees the development and performance of services within that overarching strategic direction under the heading 'Corporate Delivery'.
- 5.2 Committees also carry out a number of regulatory functions, including dealing with planning applications, licensing and most other regulatory business.
- 5.3 Working Groups may be convened by the Council from time-to-time to deal with specific business.
- 5.4 In addition, in order to give residents a greater say in Council affairs, three Residents' Forums have been created. These cover Oadby, Wigston and South Wigston areas of the Borough and are responsible for a range of area-based decisions and advising the Council of local people's aspirations in order that they can help inform the decision-making process.
- 5.5 The Council's Committee Structure is set out in Part 7 of this Constitution.
- 5.6 The Calendar of Meetings for the current municipal year is set at the Annual General Meeting in May of each year and is published on the Council's website at www.oadby-wigston.gov.uk.

6. SCRUTINY AND IMPROVEMENT

- 6.1 The Council operates Committee style arrangements and therefore is not required by law to have a separate Scrutiny and Overview Committee to support and monitor the work of the Committees and Council.

PART 1 | SUMMARY AND EXPLANATION

6.2 At the Council meeting on 25 February 2014, it was agreed that each Committee will scrutinise its own decisions as they are being debated and made in the public arena. If necessary, a Working Group may be convened by the Council to deal with any specific matter.

7. THE COUNCIL'S EMPLOYEES

The Council has employees (called "Officers") to give advice, implement decisions and manage the day-to-day delivery of its services. Some Officers have a specific duty to ensure that the Council acts within the law and uses its resources wisely. A Code of Practice governs the relationship between Officers and Members of the Council, as set out in Part 5.

8. CITIZENS' RIGHTS

8.1 Citizens have a number of rights in their dealings with the Council. These are set out in more detail in Article 3. Some of these are legal rights whilst others depend on the Council's own processes. The local voluntary advice provision within the Borough can advise on an individual's legal rights.

8.2 Where members of the public use specific Council services, for example as a Council tenant, they have additional rights. These are not covered in this Constitution.

8.3 Citizens have the right to:

- (i) vote at local elections if they are registered;
- (ii) contact their local Councillor about any matters of concern to them;
- (iii) access a copy of this Constitution;
- (iv) inspect and take copies of reports, agendas and minutes of meetings of the Council and its Committees, unless they are exempt from disclosure or confidential;

- (vi) at the discretion of the Chair, ask questions of Members at Council meetings, petition to request a referendum on a mayoral form of executive or any other matter;
- (vii) request a deputation;

PART 1 | SUMMARY AND EXPLANATION

- (ix) complain to the Local Government and Social Care Ombudsman if they think the Council has not followed its procedures properly. However, they should only do this after using the Council's own complaints process;
- (x) complain to the Council's Monitoring Officer if they have evidence which they think shows that a Councillor has not followed the Members' Council's Code of Conduct; and
- (xi) inspect the Council's accounts and make their views known to the external auditor.

8.4 The Council welcomes participation by its citizens in its work.

8.5 A copy of the Constitution is available on the Council's website at www.oadby-wigston.gov.uk.

8.6 Details on Access to Information provisions are contained in Articles 3 and Part 4, Section 5 - Access to Information Procedure Rules.

8.7 All reference to legislation in this Constitution shall include any amending legislation.

1. ARTICLE 1 - THE CONSTITUTION

1.1 Powers of the Council

The Council will exercise all its powers and duties in accordance with the law and this Constitution.

1.2 The Constitution

This Constitution, and all its appendices, is the Constitution of the Borough Council of Oadby and Wigston.

1.3 Purpose of the Constitution

- 1.3.1 enable the Council to provide clear leadership to the community in partnership with citizens, businesses and other organisations;
- 1.3.2 support the active involvement of citizens in the process of local authority decision-making;
- 1.3.3 help Councillors represent their constituents more effectively;
- 1.3.4 enable decisions to be taken efficiently and effectively;
- 1.3.5 create a powerful and effective means of holding decision-makers to public account;
- 1.3.6 ensure that no one will review or scrutinise a decision in which they were directly involved;
- 1.3.7 ensure that those responsible for decision-making are clearly identifiable to local people and that they explain the reasons for decisions;
- 1.3.8 provide a means of improving the delivery of services to the community; and
- 1.3.9 stimulate a strategically-led organisation with appropriate delegation of power, effective performance management and the effective use of resources.

1.4 Interpretation and Review of the Constitution

- 1.4.1 Where the Constitution permits the Council to choose between different courses of action, the Council will always choose that option which it thinks is closest to the purposes stated above.
- 1.4.2 The Council will monitor and evaluate the operation of the Constitution as set out

in Article 14.

1.5 Interpretation of Terms

Throughout this Constitution, references to the masculine gender shall be taken to mean both the masculine and the feminine gender and expressions in the singular shall include, where appropriate, the plural.

1.6 The Council's Vision and Corporate Objectives (2019 - 2024)

1.6.1 The Council's Vision (Vision)

'A Stronger Borough Together'

"Improving the lives of our communities"

This is supported by three Corporate Objectives which aim to serve our residents, communities, businesses and partners to the highest standards, improving our Borough as a place to live, work and visit.

1.6.2 Corporate Objective One (CO1)

'Building, Protecting and Empowering Communities'

"Be proud of your Borough as a place to live"

- (i) This objective looks to not only build suitable accommodation to meet the needs of the community, delivering housing, attract people to our Borough to live, reducing homelessness and the causes of homelessness, but to also build upon our strong communities, engaging with them and building greater community cohesion.
- (ii) We also want to protect our communities, not just working with the Police to tackle crime, antisocial behaviour and enforcement, but to address health needs across the Borough. We will work with health partners, including the Fire Service, to improve health equality, meaning nobody should feel excluded and reducing loneliness created by the modern world.
- (iii) We will empower our communities, generating positive involvement, not only through the work of Councillors within their wards and neighbourhood forums, but to engage a greater proportion of our Borough, engaging with those who often feel disenfranchised. We will increase our volunteering

opportunities and encourage our communities to get more involved, taking greater responsibility for where they live, work and play.

1.6.3 Corporate Objective Two (CO2)

'Growing the Borough Economically'

"Realise the aspirations of the Borough, benefiting those who live and work here"

- (i) This objective aims for our Borough to be the best it can be, economically. We will work with businesses – from local sole traders to multinational corporations to explore how we can help businesses develop and grow within our Borough whilst attracting new organisations to the Borough. This will not only provide greater opportunities for employment for our residents and regeneration opportunities, but also help our local students with opportunities to stay within the Borough whereas they may be forced to look further afield for such opportunities.
- (ii) The Borough has a rich array of attractions that should attract people to the Borough, but sadly we are not maximising these. We will market the Borough as a place that is worth visiting, working with partners to create a 'joined-up' approach. We will also identify what areas of demand we are lacking and look to plug those gaps – increasing the reasons to visit the Borough. We will also look at our entertainment and night-time economy and look to create a sustainable and enjoyable environment where people can enjoy the Borough through a host of opportunities in the evenings.
- (iii) The Council will look to be more commercial in regards to generating income that can protect frontline services and not have to cut them. We will look to maximise the value our assets can provide and look at ventures that could generate commercial income rather than increase taxes on our communities.

1.6.4 Corporate Objective Three (CO3)

'Providing Excellent Services'

"Delivering those services needed to the highest standard whilst providing value for money"

- (i) This objective for our Borough is to put the customer first – getting things right first time and providing services to the highest standards. The Council has always aspired to provide excellent services for all of our customers, be they residents, businesses, partner organisations or internally, meaning that we need to understand their needs. The Council has already shifted to focussing on outcome delivery, and we will ensure that we will get things right at the first opportunity we have.
- (ii) The Council will aim to achieve the prestigious and nationally recognised 'Customer Service Excellence Award' to demonstrate that we are achieving what we have set out to do. The award is a quality-mark award that rates how the services received by residents are delivered by the Council. We will use this award as a driver of continuous improvement and enable our staff to improve their skills which will enable further improvements in the delivery of services.
- (iii) We will also be utilising technology to make life safer for our residents or the implementation of smart technology in the homes of the vulnerable to allow them instant access to services, alongside the utilisation of technologies to improve our effectiveness in delivering our services.

1.7 The Council's Values

The Council has created its own values framework. The 'ARTIC' values underpin the way the Council works at all levels of the organisation and with everybody the Council interacts with. The Council's five chosen values and their descriptors are:

1.7.1 Accountability (V1)

Proud to take full responsibility for actions and to see tasks through to completion. Objectively reviewing individual performance and actively looking for feedback and improvement.

1.7.2 Respect (V2)

Act with honesty, fairness and equality at all times. Demonstrating a sensitive understanding for both staff member and residents' time and opposing views.

1.7.3 Teamwork (V3)

Committed to sharing information, skills and experience. Displaying a pro-active and inclusive approach to problem solving by openly inviting co-worker and stakeholder input.

1.7.4 **Innovation (V4)**

Robustly strive for service improvements through effective innovation. Analysing problems and past performance to seek solutions that drive value and increase customer satisfaction.

1.7.5 **Customer Focus (V5)**

Develop a mindset that aims to exceed our resident and stakeholders growing expectations. Going the extra mile to provide customer delight and re-assurance.

PART 4 | SECTION 2 – SUBSTITUTION PROCEDURE RULES (SUBSTITUTE SCHEME)

1. SECTION 2 – MEMBERS’ SUBSTITUTE SCHEME

1. INTRODUCTION

1.1 The Council recognises that the purpose of the Local Government (Committees and Political Groups) Regulations is to ensure that, in the decision-making process, the political balance of and representation on Committees and Sub-Committees of the Council is maintained. This Scheme for the use of substitutes has been adopted to ensure this principle is maintained.

2. APPLICATION

2.1 The scheme will apply to all Committees, Sub-Committees and Working Groups of the Council except:

- (i) The Assessment, Determination and Review Sub-Committees;
- (ii) The Licensing Sub-Committee; or
- (iii) The Private Hire and Taxi Licensing Sub-Committee.

3. APPOINTMENT

3.1 Any member may self-appoint a substitute in lieu of that member to attend any meeting of a committee and working group of the Council on an ad-hoc basis. The substitutes themselves must also be elected members.

3.2 On appointment, it shall be the responsibility of a substitute member to familiarise themselves with the business due to be transacted at the meeting to which he or she has been appointed to attend to ensure effective and informed decision-making.

4. ATTENDANCE

4.1 It is the responsibility of the member who cannot attend the relevant meeting (“the appointor”) to arrange for an appointed substitute to attend when he or she is unable to do so, and inform their party group leader, chair and officers of the substitute members and date of the meeting.

4.2 Only the appointed substitute members of a body may serve as a member of that body.

4.3 A member who is acting as a substitute for a usual member who is the Chair or vice-Chair of the Committee will not, by virtue of that substitution, be entitled to act in that capacity.

PART 4 | SECTION 2 – SUBSTITUTION PROCEDURE RULES (SUBSTITUTE SCHEME)

- 4.5 In the case of Committees and Sub-Committees, written notice of the substitution must be received by the Head of Law and Democracy no later than 12:00 pm (mid-day) on the day of the meeting. In the case of other bodies, e.g. Working Groups, similar notice is helpful but not obligatory. A form is available from Democratic Services for this purpose.
- 4.6 In the event of illness or other circumstances beyond the member's control, he/she may appoint a substitute at short notice at the discretion of the Chair of the relevant Committee. It is the responsibility of the appointing member to seek the Chair's approval in such an instance.
- 4.7 Notice of the substitution must include the name of the appointer, the substitute and details of the meeting.
- 4.8 Where there is sufficient time, a copy of the agenda and papers for the meeting concerned, and details of any pre-briefs and site visit arrangements, will be sent to the substitute member upon receipt of the notice, otherwise they will be passed over on the day of the meeting. Members are reminded that where they are able to pass on their own papers to the substitute, it is preferable to do so in the case of short notice.
- 4.9 At the commencement of a meeting (or, if appropriate, on his or her arrival if the meeting has started) the appointed substitute will advise the Chair and those present that he or she is attending as a substitute member.
- 4.10 If the appointor attends a meeting after arranging for a substitute member to attend, the substitute member will continue as the voting member of the Committee. If a substitute, however, has not arrived by the commencement of the meeting and the original appointed member is present, then the appointed member will continue as the voting member of the Committee. Both parties must not vote at the same meeting.
- 4.11 Where a substitute member has attended a meeting which is adjourned to a subsequent date, the appointor may attend the reconvened meeting as the voting member, provided that the meeting is not part way through the consideration of an item or issue.
- 4.12 Any member attending as the appointed substitute will be entitled to travelling and subsistence allowance in accordance with the scheme approved by the Council.

1. SECTION 3 – PETITION SCHEME

1. Introduction and Background

- 1.1. The Council has an extensive programme to engage its local communities and it recognises that petitions are another method of local people raising an issue which requires a Council response.
- 1.2. This Scheme sets out how we will respond to your correspondence. All petitions sent or presented to the Council will receive acknowledgement from the Council within 5 working days of receipt.
- 1.3. We will aim to provide you with details about what the Council plans to do with your petition or action which the Council will take within 10 working days of receipt of your petition. The Council will treat something as a petition if it is identified as being a petition, or if it appears that it is intended to be a petition.
- 1.4. Paper petitions should be sent to:
Democratic Services
Oadby and Wigston Borough Council
Council Offices

- 1.5. If a petition is delivered to the Council Offices it should be handed directly to the Receptionist,
- 1.6. In order to ensure the neutrality of Officers, no petition should be handed directly to an Officer, other than the Receptionist, and no photographic or video recording of the delivery of the petition is permitted within the Council Offices.
- 1.7. If you would like advice on this Scheme, please contact Democratic Services on (0116) 257 2775 or at democratic.services@oadby-wigston.gov.uk.

2. What are the Guidelines for Submitting a Petition?

- 1.1. Petitions submitted must:

- (a) include a clear and concise statement covering the subject of the petition. It should state what action the petitioners wish the Council to take; and
- (b) relate to an issue which affects the Borough and/or over which the Borough has some influence;
- (c) include the name, address and signature of every person supporting the petition. The address should be that at which you live, work or study in the Borough;
- (d) include the contact details, including an address and telephone number, for the petition organiser. This is the person the Council will contact to explain how it will respond to the petition. If the petition does not identify a petition organiser, the Council will contact the first signatory to the petition;
- (e) the Council will not accept petitions where there are no contact details for the petition organiser or the first signatory.

3. Who can Sign a Petition?

- 1.1. In order to sign a petition you must be living, working or studying in the Borough.
- 1.2. A blank petitioning form is available for your use from the Council's website or by contacting Democratic Services.

4. How will the Council Respond to Petitions?

- 1.1. The Council will always adopt a pragmatic approach to dealing with petitions and will endeavour to resolve issues raised by a petition directly, where appropriate. How the Council responds to a petition will depend on what the petition asks for and how many people have signed it, but may include one or more of the following:
 - (a) the relevant Director dealing with the issue directly;
 - (b) taking the action requested in the petition;
 - (c) considering the petition at a Council meeting;
 - (d) holding an inquiry into the matter;
 - (e) holding a public meeting;
 - (f) holding a consultation;
 - (g) holding a meeting with petitioners;
 - (h) calling a referendum; and
 - (i) writing to the petition organiser setting out the Council's views about the request in the petition, which may include taking no action.
- 1.2. In addition to these steps, the Council will consider all the specific actions it can potentially take on the issues highlighted in the petition.

5. Types of Petition

- 5.1. There are a number of types of petition. They are set out below. How the Council

will deal with them is explained later in this document.

Type of Petition	Number of Signatories Required	Brief Description of the Different Types
Ordinary petitions	10 signatories	<ul style="list-style-type: none"> Relates to things for which Council has responsibility for or affect the area or over which the Council has influence.
Type of Petition	Number of Signatories Required	Brief Description of the Different Types
Petitions for debate at a Council meeting	100 signatories	<ul style="list-style-type: none"> If you want the petition to be reported and debated at a Council meeting by Councillors.

6. Exemptions

6.1. The Head of Law and Democracy may reject petitions which are, in his/her opinion:

- not concerned with an issue which affects the Borough or do not raise matters over which the Authority has responsibility or has some influence;
- defamatory, illegal, scurrilous, frivolous, offensive, out of order or relates to a specific licensing or planning application;
- relates to substantially the same issue / subject as a petition which has been received by the Authority in the last 12 months;
- requests the Council to do something which conflicts with Council policy.

6.2. If you wish to raise issues of possible Borough Councillor misconduct under the Members' Code of Conduct and the Local Government Act 2000 then you should do this via the formal member complaint process. Details of how you can do this, the process and a complaint form are available on the Council's website. You can telephone the Monitoring Officer for advice on this process on (0116) 2572626.

6.3. Duplicate petitions - if more than one petition is received in time for a particular meeting, each supporting the same outcome on one matter, each petition organiser will be treated as an independent petition organiser but only the petition organiser of the first petition will be invited to address the meeting.

- 6.4. If the petition applies to a planning or licensing application, is a statutory requirement (for example, requesting a referendum on having an elected mayor), or is on a matter where there is already an existing right of appeal, such as Council Tax banding and non-domestic rates, other procedures apply.
- 6.5. Further information on all these procedures and how you can express your views is available from the following contacts:
 - (a) Planning – (0116) 288 8961
 - (b) Licensing – (0116) 257 2642
 - (c) Council Tax – (0116) 288 8961
 - (d) Referendum (Elections Office) – (0116) 257 2722
- 6.6. If your petition is about something that a different Council or other organisation is responsible for, the Council will give consideration to what the best method is for responding to it. This might consist of simply forwarding the petition to the other Council, but could involve other steps. In any event, the Council will always notify you of what action has been taken.
- 6.7. If Democratic Services rejects a petition for any of these reasons, then he/she will notify you of the rejection and tell you the reasons why. Democratic Services will also notify the Chief Executive and relevant Director if appropriate.

<p>General rules on how petitions will be dealt with at Council or Committee</p>	<ul style="list-style-type: none"> • A maximum of two petitions only will be permitted at any meeting. Only one petition will be permitted if the Head of Law and Democracy receives notice of a deputation under Council Procedure Rule 19. • Petitions that do not relate to an item of business already on the agenda will be considered before the normal business of the meeting. • Petitions will be considered in the order they were received by Democratic Services. • A maximum of 45 minutes in total will be allowed for considering petitions at any meeting. Any petitions not dealt with within the time allowed will be deferred to the next available meeting. • The Mayor may invite an Officer to set out the process which will be followed at the meeting before inviting the petition organiser to address the meeting as set out above.
---	---

7. E-petitions

- 7.1. The Council welcomes e-petitions which are created and submitted through its website <http://moderngov.oadby-wigston.gov.uk/mgepetitionlistdisplay.aspx?bcr=1>
- 7.2. E-petitions must follow the same guidelines as paper petitions. The petition organiser will need to provide the Council with their name, postal address and e-mail address. You will also need to decide how long you would like your petition to be open for signatures. The maximum time that a petition may remain open is six months.
- 7.3. When you create an e-petition, it may take five clear working days before it is published on-line. This is because the Council has to check that the content of your petition is suitable before it is made available for signature. If the Council feels it cannot publish your petition for some reason, you will be contacted within this time to explain why not. You will be able to change and resubmit your petition if you wish. If you do not do this within ten clear working days, a summary of the petition and the reason why it has not been accepted will be published on the website.
- 7.4. When an e-petition has closed for signature, it will automatically be submitted to Democratic Services. In the same way as a paper petition, you will receive an acknowledgement within ten clear working days. If you would like to present your e-petition to a meeting of the Council, please contact Democratic Services on (0116) 257 2775 within ten clear working days of receipt of the acknowledgement.
- 7.5. A petition acknowledgement and response will be e-mailed to everyone who has signed the e-petition and elected to receive this information. The acknowledgement and response will also be published on this website.

8. How do I “Sign” an E-petition

- 8.1. When you sign an e-petition you will be asked to provide your name, your postcode and a valid e-mail address. When you have submitted this information you will be sent an e-mail to the e-mail address you have provided. This e-mail will include a link which you must click on in order to confirm the e-mail address is valid. Once this step is complete, your “signature” will be added to the petition. People visiting the e-petition will be able to see your name in the list of those who have signed it but your contact details will not be visible.

9. What can I do if I feel my Petition has not be dealt with properly

- 9.1. If you feel that the Council has not dealt with your petition properly, the petition organiser has the right to request that the Council’s Monitoring Officer review the steps that the Council has taken in response to your petition. It is helpful to everyone, and can improve the prospects for a review if the petition organiser gives

a short explanation of the reasons why the Council's response is not considered to be adequate. The Monitoring Officer will endeavour to consider your request as soon as possible.

- 9.2. Should the Monitoring Officer determine the Council has not dealt with your petition adequately, he may use any of his powers to deal with the matter. These powers include instigating an investigation, making recommendations for consideration by a Committee or arranging for the matter to be considered at a meeting of the Full Council which will be the conclusion of the matter. The Monitoring Officer will give reasons for any decision made under this review process.
- 9.3. Once the review has been considered, the petition organiser will be informed of the results within five working days. The results of the review will also be published on the Council's website.

Note – The Public Interest Test

The Public Interest Test in the Freedom of Information (FOI) Act 2000 is specifically defined –

The Authority must release the information unless *"in all the circumstances of the case, the public interest in maintaining the exemption outweighs the public interest in disclosing the information"*.

The starting point is that there is a general public interest in release and the public authority has to decide whether in any particular case it would serve the interest of the public better to either disclose or withhold the information.

There is no legal definition of what the public interest is, but the following have been identified as some of the relevant considerations.

- There is a distinction between the public interest and what merely interests the public.
- Does it further the understanding of and participation in the public debate of issues of the day?
- Does it promote accountability and transparency by public authorities for decisions taken by them or in the spending of public money?
- Does it allow individuals and companies to understand decisions made by public authorities affecting their lives?
- Does it bring to light information affecting public health and public safety?

1.11 Exclusion of Access by the Public to Reports

1.11.1 If the Head of Law and Democracy thinks fit, the Council may exclude access by the public to reports which in his opinion relate to items during which, in accordance with Rule 10, the meeting is likely not to be open to the public. Such reports will be marked "Not for publication" together with the category of information likely to be disclosed. If the information is exempt information, the category of the exempt information must also be marked on the report.

1.11.2 The relevant body is requested in the agenda to confirm the action set out by resolution. Arrangements will be made to recall the press and public immediately should the motion not be passed.

1.11.3 If the matter is considered in public, any related report will also become available to the public.

1.12 Additional Rights of Access for Members

1.12.1 Material Relating to Business to be Transacted at a Public Meeting

- (a) All Members of the Council will be entitled to inspect any document (except

those available only in draft form) in the possession or under the control of its Committees which contain material relating to any business to be transacted at a public meeting unless the following applies:

- (i) It contains exempt information falling within paragraphs 1.1, 1.2, 1.4, 1.5 or 1.7 of the categories of exempt information; or
 - (ii) It contains exempt information falling within paragraph 1.3 of the categories of exempt information and that information relates to any terms proposed or to be proposed by or to the Council in the course of negotiations for a contract; or

- 1.3.2 If Committees and any Officers want to make such a decision, they shall take advice from the Monitoring Officer and/or the Chief Financial Officer as to whether the decision they want to make would be contrary to the policy framework, or contrary to or not wholly in accordance with the budget. If the advice of either of those Officers is that the decision would not be in line with the existing budget and/or policy framework, then the decision must be referred by that body or person to the Council for decision, unless the decision is a matter of urgency, in which case the provisions in paragraph 1.4 (urgent decisions outside the budget and policy framework) shall apply.

1. SECTION 7 - CONTRACT PROCEDURE RULES

1.1 Introduction

These Contract Procedure Rules (issued in accordance with section 135 of the 1972 Local Government Act) are intended to promote good purchasing practice and public accountability and deter corruption. They are in line with the CIPFA/Local Government Task Force Contract Procedure Rules published 2006. Following the rules is the best defence against allegations that a purchase has been made incorrectly or fraudulently.

Officers responsible for purchasing or disposal must comply with these contract procedure rules. They lay down minimum requirements and a more thorough procedure may be appropriate for a particular contract. (For example, if Rule 4.1.1 would normally require that quotes be obtained, it might be appropriate in particular circumstances to seek additional quotations in writing or tender submissions. Equally, it may not always be appropriate to make use of an exemption under Rule 2.3 even if one might apply or be granted.)

For the purposes of these rules, where there is a requirement for communication to be in writing, this shall be deemed to include electronic transmissions (e.g. email, fax or via an e-procurement portal) as well as hard copy.

Officers should:

- Follow the rules if purchasing goods or services or order building work.
- Take all necessary legal, financial and professional advice at the appropriate time
- Declare any personal financial interest in a contract. Corruption is a criminal offence.
- Conduct a management review to appraise the purchasing need.
- Check whether there is an existing Corporate Contract which can be made use of before undergoing a competitive process.
- Normally allow at least four weeks for submission of bids
- Keep bids confidential.
- Complete a written contract or Council purchase order before the supply or works begin.
- Identify a contract manager with responsibility for ensuring the contract delivers as intended.
- Keep records of dealings with suppliers.

- Assess each contract afterwards to see how well it met the purchasing need and Value for Money requirements.

In accordance with the Constitution, the Chief Financial Officer shall have the power to make amendments from time to time to these contract procedure rules after consultation with the Monitoring Officer.

These Rules must be read in conjunction with the definitions set out at the end of the Rules.

2. Scope of Contract – Procedure Rules

2.1 Basic Principles

All purchasing and disposal procedures must:

- Achieve Best Value for public money spent
- Be consistent with the highest standards of integrity
- Ensure fairness in allocating public contracts
- Comply with all legal requirements
- Ensure that non-commercial considerations do not influence any contracting decision
- Support the Council's corporate and departmental aims and policies
- Comply with the Council's corporate Procurement Strategy.

2.2 Officer Responsibilities

2.2.1 Officers

2.2.2 Officers responsible for purchasing or disposal must comply with these contract procedure rules, Financial Regulations, the Code of Conduct and with all UK and European Union binding legal requirements. Officers must ensure that any agents, consultants and contractual partners acting on their behalf also comply.

2.2.3 Officers must:

- Have regard to the Council's current Procurement Strategy
- Check whether a suitable corporate contract exists before seeking to let another contract; where a suitable corporate contract exists, this must be used unless

there is an auditable reason not to keep the records required by Rule 3.2

- Take all necessary legal, financial and professional advice.

2.2.4 When any employee either of the Council or of a service provider may be affected by any transfer arrangement, Officers must ensure that the Transfer of Undertaking (Protection of Employment) (TUPE) issues are considered and obtain legal advice before proceeding with inviting Tenders or Quotations.

2.2.5 **Chief Officers**

2.2.6 Chief Officers must:

- Ensure their staff comply with Rule 2.2.1
- Ensure that registers are kept of:
 - (a) Contracts completed by signature, rather than by the Council's seal (see Rule 16.3) and arrange their safekeeping on Council premises (Major contracts should also be kept with Law and Democracy)
 - (b) Exemptions recorded under Rule 2.3.2. (To be held by Democratic Services)

2.3 Exemptions, Collaborative and E-Procurement Arrangements

2.3.1 The Council and the Policy, Finance and Development Committee have power to waive any requirements within these contract procedure rules for specific projects, and any such decision may be a Key Decision.

2.3.2 A Chief Officer has the power, under the scheme of delegation in the Constitution, in circumstances deemed exceptional by the Head of Law and Democracy, to waive any requirements within these contract procedure rules, provided that, where the contract is likely to exceed £40,000, the relevant Committee Chair is consulted.

2.3.3 Where a proposed contract is likely to exceed the EU Threshold the EU Procedure will apply and the requirements of these contract procedure rules may not be waived other than in the case of an unforeseeable emergency involving immediate risk to persons, property or serious disruption to council services, in which case the provisions of Rule 2.3.4 below will apply.

2.3.4 Where an exemption is necessary because of an unforeseeable emergency involving immediate risk to persons, property or serious disruption to council

services, the Officer and the Chief Financial Officer or Head of Finance may jointly approve the exemption but they must prepare a report for the next PFD Committee to support the action taken.

- 2.3.5 All exemptions, and the reasons for them, must be recorded using the Exemption Form. Exemptions shall be signed by the Officer and countersigned by the Chief Financial Officer.
- 2.3.6 An exemption must be approved by the Chief Financial Officer:
- Prior to commencing any procurement process using Crown Commercial Services (CCS) Contracts;
 - Prior to abandonment, where a procurement process is to be abandoned.
- 2.3.7 The terms and conditions of contract applicable to any CCS arrangement, including the requirement to undertake competition between providers, must be fully complied with.
- 2.3.8 Financial Services must monitor the use of all exemptions.
- 2.3.9 In order to secure Value for Money, the authority may enter into collaborative procurement arrangements. The Officer must consult the Chief Financial Officer and the Monitoring Officer where the purchase is to be made using collaborative procurement arrangements with another local authority, government department, statutory undertaker or public service purchasing consortium.
- 2.3.10 Purchases made via a local authority purchasing and distribution consortium, other than purchases above the EU Threshold and other purchases below the EU threshold where international suppliers may be interested, are deemed to comply with these contract procedure rules and no exemption is required.
- 2.3.11 Purchases above the EU threshold and other purchases below the threshold where international suppliers may be interested must be let under the EU Procedure, unless the consortium has satisfied this requirement already by letting their contract in accordance with the EU Procedures on behalf of the Council and other consortium members.
- 2.3.12 Any contract entered into through collaboration with other local authorities or other public bodies, where a competitive process has been followed and that complies with the contract procedure rules of the leading organisation, will be

deemed to comply with these contract procedure rules and no exemption is required. However, advice must be sought from the Chief Financial Officer and the Monitoring Officer before the contract is entered into.

- 2.3.13 The use of e-procurement technology does not negate the requirement to comply with all elements of these contract procurement rules, particularly those relating to competition and Value for Money.

2.4 Relevant Contracts

2.4.1 All Relevant Contracts must comply with these contract procedure rules. A Relevant Contract is any arrangement made by, or on behalf of, the Council for the carrying out of works or for the supply or disposal of goods, materials or services. These include arrangements for:

- The supply and/or disposal of goods
- The hire, rental or lease of goods and/or equipment
- The delivery of services, including (but not limited to) those related to:
 - (a) The recruitment of staff

- Agreements regarding the acquisition, disposal, or transfer of land and/or assets (for which Financial Regulations shall apply).

3. Common Requirements

3.1 Steps Prior to Purchase

3.1.1 The Officer must appraise the purchase, in a manner commensurate with its complexity and value and taking into account any guidance in the Procurement Strategy by:

- Taking into account the requirements from any relevant management review or Audit review

- Appraising the need for the expenditure and its priority
- Defining the objectives of the purchase
- Assessing the risks associated with the purchase and how to manage them
- Considering what procurement method is most likely to achieve the purchasing objectives, including internal or external sourcing, partnering, packaging strategy and collaborative procurement arrangements with another local authority, government department, statutory undertaker or public service purchasing consortium
- Ensuring the evaluation methodology for any procurement process must not disadvantage any group of economic operator, including Small / Medium Sized Enterprises or new / start-up companies, in any aspect of the evaluation including but not limited to reference checks and financial assessments
- Consulting users as appropriate about the proposed procurement method, contract standards and performance and user satisfaction monitoring
- Drafting the terms and conditions that are to apply to the proposed contract
- Setting out these matters in writing if the total value of the purchase exceeds £50,000.

3.1.2 And by confirming that:

- There is approved budgetary provision for the expenditure and the purchase accords with the approved policy framework and scheme of delegation as set out in the Constitution.

3.2 Records

3.2.1 Where the Total Value is less than £50,000, the following records must be kept (which will include logs kept by an e-procurement portal):

3.2.1.1 Invitations to quote and quotations received

3.2.1.2 A record:

- (a) Of any exemptions and the reasons for them
- (b) Of the reason if the lowest price is not accepted
- Written records of communications with the successful contractor or an electronic

record if a written record of the transaction would normally not be produced.

3.2.2 Where the total value exceeds £50,000, the Officer must record:

- 3.2.2.1** The method for obtaining bids (see Rule 4.1.1)
- 3.2.2.2** Any contracting decision and the reasons for it
- 3.2.2.3** Any exemption under Rule 2.3 together with the reasons for it
- 3.2.2.4** The award criteria in descending order of importance
- 3.2.2.5** Tender documents sent to and received from candidates
- 3.2.2.6** Pre-tender market research
- 3.2.2.7** Clarification and post-tender negotiation (to include minutes of meetings)
- 3.2.2.8** The contract documents
- 3.2.2.9** Post-contract evaluation and monitoring
- 3.2.2.10** Communications with candidates and with the successful contractor throughout the period of the contract.

3.2.3 Records required by this rule must be kept for six years after the end of the contract. However, written documents which relate to unsuccessful Candidates may be microfilmed or electronically scanned or stored by some other suitable method after 12 months from award of contract, provided there is no dispute about the award.

3.3 Advertising, Approved Lists and Framework Agreements

3.3.1 Identifying and Assessing Potential Candidates

3.3.2 Officers shall ensure that, where proposed contracts, irrespective of their total value, might be of interest to potential candidates located in other member states of the EU, a sufficiently accessible advertisement is published. Generally, the greater the interest of the contract to potential bidders from other member states, the wider the coverage of the advertisement should be. Examples of where such advertisements may be placed include:

- 3.3.2.1** The Council's website
- 3.3.2.2** Portal websites specifically created for contracts
- 3.3.2.3** Advertisements
- 3.3.2.4** National official journals, or

3.3.2.5 The Official Journal of the European Union (OJEU) / Tenders Electronic Daily (TED) (even if there is no requirement within the EU Procedure).

3.3.3 Officers are responsible for ensuring that all candidates for a relevant contract are suitably assessed. The assessment process shall establish that the potential candidates have sound:

3.3.3.1 Economic and financial standing

3.3.3.2 Technical ability and capacity to fulfil the requirements of the Council.

3.3.4 This shall be achieved in respect of proposed contracts that are expected to exceed £50,000 by selecting firms from:

3.3.4.1 Approved lists of providers, maintained by the Council or on its behalf, and compiled following responses to a public advertisement; or

3.3.4.2 Shortlists assessed from expressions of interest in a particular contract submitted in response to a public advertisement.

3.3.5 Public advertisements issued in respect of Rule 3.3.4 above shall reflect the potential degree of interest from candidates located within other member states of the EU.

3.3.6 Advertisements must comply with any requirement for publication as set out in national legislation as amended from time to time.

3.4 Approved Lists

3.4.1 Approved lists should be used where recurrent transactions of a similar type are likely but where such transactions need to be priced individually and cannot easily be aggregated and priced in a single tendering exercise. Approved Lists cannot be used where the EU Procedure applies.

3.4.2 Chief Officers may draw up in consultation with the Chief Finance Officer:

3.4.2.1 Approved Lists of persons ready to perform contracts to supply goods or services of particular types including without limitation on the basis of agreed contract term

3.4.2.2 Criteria for shortlisting from the lists.

3.4.3 No person may be entered on an approved list until there has been an adequate

investigation into both their financial standing and their technical ability to perform the contract, unless such matters will be investigated each time bids are invited from that list (in which case this must be made clear on the list).

3.4.4 Approved lists must be drawn up after an advertisement inviting applications for inclusion on the list. The advertisement must be placed to secure the widest publicity among relevant suppliers throughout all member states of the EU. Persons may be entered on a list between the initial advertisement and re-advertisement provided the requirements of Rule 3.4.3 are met.

3.4.5 The list and shortlisting criteria must be reviewed at least annually and re-advertised at least every three years. On re-advertisement, a copy of the advertisement must be sent to each person on the list, inviting them to reapply. Review means:

3.4.5.1 The reassessment of the financial standing and technical ability and performance of those persons on the list, unless such matters will be investigated each time bids are invited from that list

3.4.5.2 The deletion of those persons no longer qualified, with a written record kept justifying the deletion.

3.4.6 All approved lists shall be maintained in an open, fair and transparent manner and be open to public inspection.

3.4.7 A register of pre-qualified contractors and consultants maintained by or on behalf of central government (e.g. Constructionline) will be deemed to be an Approved List for the purpose of these contract procedure rules and shall not be subject to the requirements of Rules 3.4.2 to 3.4.6 inclusive.

3.5 Framework Agreements

3.5.1 The term of a Framework Agreement must not exceed four years.

3.5.2 Contracts based on Framework Agreements may be awarded by either:

3.5.2.1 Applying the terms laid down in the Framework Agreement (where such terms are sufficiently precise to cover the particular call-off) without reopening competition, or

3.5.2.2 Where the terms laid down in the Framework Agreement are not precise enough or complete for the particular call-off, by holding a mini competition in accordance

with the following procedure:

- (a) Inviting the organisations within the Framework Agreement that are capable of executing the subject of the contract to submit written tenders
- (b) Fixing a time limit which is sufficiently long to allow tenders for each specific contract to be submitted, taking into account factors such as the complexity of the subject of the contract
- (c) Awarding each contract to the tenderer who has submitted the best tender on the basis of the award criteria set out in the specifications of the Framework Agreement.

4.1.15 Records of consultancy appointments shall be maintained in accordance with Rule 3.2.

4.1.16 Consultants shall be required to provide evidence of, and maintain professional indemnity insurance policies to the satisfaction of the relevant Chief Officer for the periods specified in the respective agreement.

4.2 Pre-Tender Market Research and Consultation

4.2.1 The Officer responsible for the purchase:

- May consult potential suppliers prior to the issue of the Invitation to Tender in general terms about the nature, level and standard of the supply, contract packaging and other relevant matters, provided this does not prejudice any potential candidate, but;
- Must not seek or accept technical advice on the preparation of an Invitation to Tender or Quotation from anyone who may have a commercial interest in them, if this may prejudice the equal treatment of all potential Candidates or distort competition, and
- Should seek advice from the Chief Financial Officer.

4.3 Standards and Award Criteria

4.3.1 The Officer must ascertain what are the relevant British, European or international standards which apply to the subject matter of the contract. The Officer must include those standards which are necessary properly to describe the required quality. The Chief Financial Officer and the Monitoring Officer must be consulted if it is proposed to use standards other than European standards.

4.3.2 The Officer must define award criteria that are appropriate to the purchase and designed to secure an outcome giving value for money for the Council. The basic criteria shall be:

- 'lowest price' where payment is to be made by the Council
- 'highest price' if payment is to be received, or

- 'most economically advantageous', where considerations other than price also apply.

4.3.3 If the last criterion is adopted, it must be further defined by reference to sub-criteria which may refer only to relevant considerations. These may include price, service and quality of goods, running costs, technical merit, previous experience, delivery date, cost effectiveness, quality, relevant environmental considerations, aesthetic and functional characteristics (including security and control features), safety, after-sales services, technical assistance and any other relevant matters.

Normally at least four weeks should be allowed for submission of Tenders. The EU Procedure lays down specific time periods (seek guidance from Chief Financial Officer).
- 4.6.2** All tenders must be returned via the Council's secure e-procurement portal (unless specific circumstances restrict the ability to undertake the tender exercise (e.g. the use of electronic means of communication would require specific tools, equipment, devices or file formats that are not generally available or supported by generally available applications)) when tenders shall be submitted as set out in 4.6.4 below.
- 4.6.3** Tenders received by hardcopy, fax or other electronic means (e.g. email) must be rejected, unless they have been specifically requested (e.g. where use of an e-procurement portal is not appropriate due to specific circumstances).
- 4.6.4** Where use of an e-procurement portal is not appropriate, all tenders must be returned to the Chief Executive.
- 4.6.5** The Officer must not disclose the names of candidates to any staff involved in the receipt, custody or opening of Tenders.
- 4.6.6** The Monitoring Officer shall be responsible for the safekeeping of tenders until the appointed time of opening. Each tender must be:
- Suitably recorded so as to subsequently verify the date and precise time it was received
 - Adequately protected immediately on receipt to guard against amendment of its contents
 - Recorded immediately on receipt in the Tender Record Log.
- 4.6.7** Candidates must be provided with a contact point in case they experience any problems in submitting their tender electronically. Candidates must also be advised that failure to advise the Council of the problem before the deadline for return of tenders will mean they have lost their opportunity to tender. Where a sending problem is received in time, consideration should be given to extending the deadline for submission and all candidates should be advised accordingly of any extension of time.

4.7 Clarification Procedures and Post-Tender Negotiation

4.7.1 Providing clarification of an Invitation to Tender to potential or actual candidates or seeking clarification of a tender, whether in writing or by way of a meeting, is permitted. However, discussions with tenderers after submission of a tender and before the award of a contract with a view to obtaining adjustments in price, delivery or content (i.e. post-tender negotiations) must be the exception rather than the rule. In particular, they must not be conducted in an EU Procedure where this might distort competition, especially with regard to price.

4.7.2 If post-tender negotiations are necessary after a single-stage tender or after the second stage of a two-stage tender, then such negotiations shall only be undertaken with the tenderer who is identified as having submitted the best tender and after all unsuccessful Candidates have been informed. During negotiations tendered rates and prices shall only be adjusted in respect of a corresponding adjustment in the scope or quantity included in the tender documents. Officers appointed by the Chief Officer to carry out post-tender negotiations should ensure that there are recorded minutes of all negotiation meetings and that both parties agree actions in writing.

4.7.3 Post-tender negotiation must only be conducted in accordance with guidance issued by the Chief Financial Officer and the Monitoring Officer, who must be consulted wherever it is proposed to enter into post-tender negotiation. Negotiations must be conducted by at least two officers, one of whom must be from a team independent to that leading the negotiations.

4.7.4 Where post-tender negotiation results in a fundamental change to the specification (or contract terms) the contract must not be awarded but re-tendered.

4.8 Evaluation, Award of Contract, and Debriefing Candidates

4.8.1 Apart from the debriefing required or permitted by these contract procedure rules, the confidentiality of quotations, tenders and the identity of candidates must be preserved at all times and information about one candidate's response, other than areas covered by The Freedom of Information Act 2000 must not be given to another candidate.

4.8.2 Contracts must be evaluated and awarded in accordance with the award criteria.

During this process, Officers shall ensure that submitted tender prices are compared with any pre-tender estimates and that any discrepancies are examined and resolved satisfactorily. Where tender prices are substantially in excess of the pre-tender estimates, whether published or otherwise, consideration shall be given to abandonment of the procurement process.

- 4.8.3** The arithmetic in compliant tenders must be checked. If arithmetical errors are found they should be notified to the tenderer, who should be requested to confirm or withdraw their tender. Alternatively, if the rates in the tender, rather than the overall price, were stated within the tender invitation as being dominant, an amended tender price may be requested to accord with the rates given by the tenderer.
- 4.8.4** Officers may accept quotations and tenders received in respect of proposed contracts, provided they have been sought and evaluated fully in accordance with these contract procedure rules and, in respect of proposed contracts that are expected to exceed £250,000, the approval of the relevant Committee Chair has been secured. The awarding of contracts that are expected to exceed £500,000 shall also be approved by the Policy, Finance and Development Committee.
- 4.8.5** Where the total value is over £50,000, the Officer must notify all candidates simultaneously and as soon as possible of the intention to award the contract to the successful Candidate. The Officer must provide unsuccessful candidates with a period of at least ten days in which to challenge the decision before the Officer awards the contract. If the decision is challenged by an unsuccessful candidate then the Officer shall not award the contract and shall immediately seek the advice of the Monitoring Officer.
- 4.8.6** The Officer shall debrief in writing all those candidates who submitted a bid about the characteristics and relative advantages of the leading bidder. No information, other than the following, should be given without taking the advice of the Monitoring Officer:
- How the Award Criteria were applied
 - The prices or range of prices submitted, in either case not correlated to candidates' names
 - The names of candidates where there were three or more candidates.

4.8.7 If a Candidate requests in writing the reasons for a contracting decision, the Officer must give the reasons in writing within 15 days of the request. If requested, the Officer may also give the debriefing information at Rule 4.8.6 above to candidates who were deselected in a pre-tender shortlisting process.

5.1.9 Sealing

5.1.10 Where contracts are completed by each side adding their formal seal, such contracts shall be signed by the Head of Law and Democracy or other authorised signatory together with the fixing of the Council's seal.

- The Total Value exceeds £250,000, or
- Award is based on evaluation of the parent company, or
- There is some concern about the stability of the Candidate.

5.2.2 The Officer must consult the Chief Financial Officer about whether a Bond is needed:

- Where the Total Value exceeds £1,000,000, or
- Where it is proposed to make stage or other payments in advance of receiving the whole of the subject matter of the contract and there is concern about the stability of the candidate.

5.3 Prevention of Corruption

5.3.1 The Officer must comply with the Code of Conduct and must not invite or accept any gift or reward in respect of the award or performance of any contract. It will be for the Officer to prove that anything received was not received corruptly. High standards of conduct are obligatory. Corrupt behaviour will lead to dismissal and is a crime under the statutes referred to in Rule 5.3.2 below.

5.3.2 The following clause must be put in every written council contract:

"The Council may terminate this contract and recover all its loss if the contractor, its employees or anyone acting on the contractor's behalf do any of the following things:

5.4.2 Such written notice is required irrespective of whether the pecuniary interest is direct or indirect. An indirect pecuniary interest is distinct from a direct pecuniary interest in as much as it is not a contract to which the Councillor or employee is directly a party.

5.4.3 A shareholding in a body not exceeding a total nominal value of £1,000 or 1% of the nominal value of the issued share capital (whichever is the less) is not a pecuniary interest for the purposes of this standing order.

5.4.4 The Head of Law and Democracy shall maintain a record of all declarations of interests notified by Councillors and Officers.

5.4.5 The Head of Law and Democracy shall ensure that the attention of all Councillors is drawn to the Code of Conduct for Councillors.

- Performance
- Compliance with specification and contract
- Cost
- Any Value for Money requirements
- User satisfaction and risk management.

6.3.5 Where the Total Value of the contract exceeds £250,000, the Officer must make a written report to the relevant Committee Chair evaluating the extent to which the purchasing need and the contract objectives (as determined in accordance with Rule 3.1.2) were met by the contract. This should be done normally when the contract is completed. Where the contract is to be re-let, a provisional report should also be available early enough to inform the approach to re-letting of the subsequent contract.

PART 4 | SECTION 8 - FINANCIAL PROCEDURE RULES (FINANCIAL REGULATIONS)

1. SECTION 8 – FINANCIAL PROCEDURE RULES (FINANCIAL REGULATIONS)

1.1 Introduction

These Regulations have been adopted by the Council and form an essential part of the control framework within which the Council operates. Each section includes general guidelines to staff on the practical application of the Regulations. Useful contacts are also included in each section of this document.

These Regulations are designed to ensure that financial decisions are taken in a considered and informed manner by assuring that consistent, high quality financial information is available to Members and Officers. In this way we can be confident that financial management ensures that the Council's objectives are met in an economical, effective and efficient way whilst still maintaining the highest levels of accountability.

The Regulations should be used in conjunction with Contract Procedure Rules which document important rules concerning the conduct of Council staff and the procedures they must follow. The general principals contained in the Regulations may be supplemented by detailed procedures specified by or agreed with the Chief Finance Officer. Responsibility for approving and recommending changes to the financial control framework rests with the Chief Finance Officer who will be pleased to receive any comments on the operation of the Financial Regulations or Contract Procedure Rules.

All staff are bound by these Regulations and will be affected by them to some degree depending on their duties. Training will be provided for those staff who are regularly involved in the application of Financial Regulations or Contract Procedure Rules.

The Senior Leadership Team and Heads of Service will be responsible for ensuring that appropriate officers/employees:

- Receive a full copy of these Regulations, where appropriate
- Receive appropriate training in order that they understand and comply with the Regulations.

Every Officer has a responsibility to read and be familiar with these Regulations.

- 2.1.3** The procedures identify the financial responsibilities of the Full Council, the Policy, Finance and Development Committee and Officers.

These procedures have been devised as a control to help the Council manage its financial matters properly in compliance with all necessary requirements.
- 2.2.2** Good, sound financial management is a key element of Corporate Governance which helps to ensure that the Council is doing the right things, in the right way, for the right people, in a timely, inclusive, open, honest and accountable manner.

2.3 Who do Financial Procedures apply to?

- 2.3.1** Financial Procedures apply to every member and Officer of the Council and anyone acting on its behalf. Members and Officers have a general responsibility for taking reasonable action to provide for the security and use of the resources and assets under their control, and for ensuring that the use of such resources and assets is legal, consistent with Council policies and priorities, properly authorised, provides value for money and achieves best value.
- 2.3.2** These Financial Procedures shall apply in relation to any partnership for which the Council is the accountable body, unless the Council expressly agrees otherwise.

2.4.5 Where any Chief Officer considers that complying with Financial Procedures in a particular situation might conflict with the achievement of value for money or the principles of Best Value or the best interests of the Council, he/she shall raise the issue with the Chief Finance Officer who will, if he/she considers necessary and appropriate, seek formal approval from the Council for a specific waiver of the procedures, or an amendment to the procedures themselves.

- (b) Notice of the dismissal of an officer named in 1.7.1 above must not be given by the Committee until:
 - The Committee has notified the proper officer of the name of the person who the Committee wishes to dismiss (in the case of the Chief Executive/Head of Paid Service, the Monitoring Officer or the Chief Finance Officer, subject to the approval of the Council) and any other particulars which the Committee considers are relevant to the dismissal.

1.8 Other Officers

1.8.1 Appointment and dismissal of officers below Chief Officer is the responsibility of the Chief Executive/Head of Paid Service or his nominee, and may not be undertaken by Councillors.

1.8.2 Councillors will not be involved in disciplinary action against any Officer below Chief Officer except where such involvement is necessary for any investigation or inquiry into alleged misconduct or where the Council's disciplinary, capability and related procedures, as adopted from time to time, allow a right of appeal to Members.

1.9 Suspension

1.9.1 An Officer named in 1.7.1 above and the Monitoring Officer may be suspended whilst an investigation takes place into alleged misconduct. The suspension will be on full pay.

1.10 Appeals

1.10.1 None of the above shall prevent a Councillor serving as a member of an appeals

Committee or body established to consider an appeal by:

- (a) Any person against any decision relating to the appointment of that person as a member of staff of the authority; or
- (b) A member of staff of the authority against any decision relating to the dismissal of, or taking disciplinary action against, that member of staff unless the dismissal relates to a capability issue, misconduct, some other substantial reason, some other statutory enactment or planned retirement where the member of staff has less than six months' notice – in these instances the appeal shall be conducted by a senior officer.

PART 5

Codes and Protocols

(This page is intentionally left blank)

1. SECTION 1 - INTRODUCTION

In this part of the Constitution we set out our Codes and Protocols which govern how Members and Officers should conduct themselves when exercising their roles within the Council and what they can expect from the Council.

This part sets out Nolan’s Seven Principles of Public Life. They underpin the new ethical framework.

1.1 The Seven Principles of Public Life

Set out below are Nolan’s Seven Principles of Public Life, which underpin the ethical framework in our Constitution. In particular, the codes and protocols set out in this part of the Constitution should be read in the context of these Principles.

1.1.1 Selflessness

Holders of public office should take decisions solely in terms of the public interest. They should not do so in order to gain financial or other material benefits for themselves, their family, or their friends.

1.1.2 Integrity

Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might influence them in the performance of their official duties.

1.1.3 Objectivity

In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.

1.1.4 Accountability

Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.

1.1.5 Openness

Holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.

1.1.6 Honesty

Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.

1.1.7 Leadership

Holders of public office should promote and support these principles by leadership and example.

1. SECTION 2 - MEMBERS' CODE OF CONDUCT

BACKGROUND TO THIS CODE OF CONDUCT

This section sets out general interpretation and background to the Code of Conduct, including definitions used within the code, the purpose of the code, the principles the code is based on and when the code applies. It does not form part of the Code of Conduct itself and consequently does not contain any obligations for you to follow, as these are contained in the 'Code of Conduct' section below.

All councils are required to have a local Member Code of Conduct.

Definitions

For the purposes of this Code of Conduct, a "member" means a member or co-opted member of Oadby and Wigston Borough Council ('the Council').

A "co-opted member" is defined in the Localism Act 2011 Section 27(4) as "a person who is not a member of the authority but who:

- a) is a member of any committee or sub-committee of the authority, or;
- b) is a member of, and represents the authority on, any joint committee or joint subcommittee of the authority;

and who is entitled to vote on any question that falls to be decided at any meeting of that committee or sub-committee".

Purpose of the Code of Conduct

The purpose of this Code of Conduct is to assist you, as a member, in modelling the behaviour that is expected of you, to provide a personal check and balance, and to set out the type of conduct that could lead to action being taken against you. It is also to protect you, the public, fellow members, Council officers and the reputation of the council and local government. It sets out general principles of conduct expected of all members and your specific obligations in relation to standards of conduct. The fundamental aim of the Code is to create and maintain public confidence in the role of member and local government.

PART 5 | SECTION 2 - MEMBERS' CODE OF CONDUCT

General Principles of Member Conduct

Everyone in public office at all levels; i.e. all who serve the public or deliver public services, including ministers, civil servants, members and council officers; should uphold the Seven Principles of Public Life, also known as the Nolan Principles, which are set out in Appendix A.

Building on these principles, the following general principles have been developed specifically for the role of member and these principles underpin the obligations in the Code of Conduct that follows.

In accordance with the public trust placed in you, you should:

- act with integrity and honesty
- act lawfully
- treat all persons fairly and with respect; and
- lead by example and act in a way that secures public confidence in the role of member.

In undertaking your role, you should:

- impartially exercise your responsibilities in the interests of the local community
- do not improperly seek to confer an advantage, or disadvantage, on any person
- avoid conflicts of interest
- exercise reasonable care and diligence
- ensure that public resources are used prudently in accordance with your Council's requirements and in the public interest; and
- uphold high standards of conduct, show leadership at all times and not misuse your position when acting as a member

Application of the Code of Conduct

This Code of Conduct applies to you as a member or co-opted member of the Council. It applies as soon as you sign your declaration of acceptance of the office of member or attend your first meeting as a co-opted member and continues to apply to you until you cease to be a member.

This Code of Conduct applies to you when you:

- act in your capacity as a member or co-opted member of the Council; and

PART 5 | SECTION 2 - MEMBERS' CODE OF CONDUCT

- conduct the business of the Council (which, in this Code, includes the business of the office to which you are elected or appointed).

Where you act as a representative of the Council:

- on another relevant authority, you must, when acting for that other authority, comply with that other authority's code of conduct; or
- on any other body, you must, when acting for that other body, comply with this Code of Conduct, except and insofar as it conflicts with any other lawful obligations to which that other body may be subject.

The Code applies to all forms of communication and interaction, including:

- at face-to-face meetings
- at online or telephone meetings
- in written communication
- in verbal communication
- in non-verbal communication
- in electronic and social media communication, posts, statements and comments.

Your Monitoring Officer has statutory responsibility for the implementation of the Code of Conduct. It is your responsibility to comply with the provisions of this Code and to ensure all its obligations are met. You are encouraged to seek advice from the Monitoring Officer on any matters that may relate to the Code of Conduct which you are unsure of.

2 Standards of Member Conduct

This section sets out your obligations, which are the minimum standards of conduct required of you as a member. Should your conduct be perceived to fall short of these standards or the Nolan Principles, a complaint may be made against you, which may result in action being taken.

Guidance is included to help explain the reasons for the obligations and how they should be followed.

General Conduct

1. Respect

As a member:

- 1.1 I will treat others member with respect.
- 1.2 I will treat council officers, employees and representatives of partner organisations and those volunteering for the council with respect and respect the role they play.

Respect means politeness and courtesy in behaviour, speech, and in the written word. Debate and having different views are all part of a healthy democracy. As a member, you can express, challenge, criticise and disagree with views, ideas, opinions and policies in a robust but civil manner. You should not, however, subject individuals, groups of people or organisations to personal attack.

In your contact with the public, you should treat them politely and courteously. Rude and offensive behaviour lowers the public's expectations and confidence in members. In return, you have a right to expect respectful behaviour from the public. If members of the public are being abusive, intimidatory or threatening you are entitled to stop any conversation or interaction in person or online and notify them to the Council, the relevant social media provider or the police. This also applies to fellow members, where action could then be taken under the Member Code of Conduct, and council officers where concerns should be raised in line with the council's member-officer protocol.

2. Bullying, Harassment and Discrimination

As a member:

- 2.1 I will not bully any person.
- 2.2 I will not harass any person.
- 2.3 I will promote equalities and do not discriminate unlawfully against any person.

The Advisory, Conciliation and Arbitration Service (ACAS) characterises bullying as offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means

PART 5 | SECTION 2 - MEMBERS' CODE OF CONDUCT

that undermine, humiliate, denigrate or injure the recipient. Bullying might be a regular pattern of behaviour or a one-off incident, happen face-to-face, on social media, in emails or phone calls, happen in the workplace or at work social events and may not always be obvious or noticed by others.

The Protection from Harassment Act 1997 defines harassment as conduct that causes alarm or distress or puts people in fear of violence and must involve such conduct on at least two occasions. It can include repeated attempts to impose unwanted communications and contact upon a person in a manner that could be expected to cause distress or fear in any reasonable person.

Unlawful discrimination is where someone is treated unfairly because of a protected characteristic. Protected characteristics are specific aspects of a person's identity defined by the Equality Act 2010. They are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation. The Equality Act 2010 places specific duties on local authorities. Members have a central role to play in ensuring that equality issues are integral to the Council's performance and strategic aims, and that there is a strong vision and public commitment to equality across public services.

3. Impartiality of Officers of the Council

As a member:

- 3.1 I will not compromise, or attempt to compromise, the impartiality of anyone who works for, or on behalf of, the council.

Officers work for the council as a whole and must be politically neutral (unless they are political assistants). They should not be coerced or persuaded to act in a way that would undermine their neutrality. You can question officers in order to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written. However, you must not try and force them to act differently, change their advice, or alter the content of that report, if doing so would prejudice their professional integrity.

4. Confidentiality and Access to Information

As a member:

- 4.1 I will not disclose information:
- 4.1.1 given to me in confidence by anyone
 - 4.1.2 acquired by me which I believe, or ought reasonably to be aware, is of a confidential nature, unless
 - 4.1.3 I have received the consent of a person authorised to give it;
 - 4.1.4 I am required by law to do so;
 - 4.1.5 the disclosure is made to a third party for the purpose of obtaining professional legal advice provided that the third party agrees not to disclose the information to any other person; or
 - 4.1.6 the disclosure is:
 - i. reasonable and in the public interest; and
 - ii. made in good faith and in compliance with the reasonable requirements of the Council; and
 - iii. I have consulted the Monitoring Officer prior to its release.
- 4.2 I will not improperly use knowledge gained solely as a result of my role as a member for the advancement of myself, my friends, my family members, my employer or my business interests.
- 4.3 I will not prevent anyone from getting information that they are entitled to by law.

Local authorities must work openly and transparently, and their proceedings and printed materials are open to the public, except in certain legally defined circumstances. You should work on this basis, but there will be times when it is required by law that discussions, documents and other information relating to or held by the council must be treated in a confidential manner. Examples include personal data relating to individuals or information relating to ongoing negotiations.

5. Disrepute

As a member:

5.1 I will not bring my role or Council into disrepute or conduct myself in a manner which could reasonably be regarded as bringing my role or Council into disrepute.

As a Member, you are trusted to make decisions on behalf of your community and your actions and behaviour are subject to greater scrutiny than that of ordinary members of the public. You should be aware that your actions might have an adverse impact on you, other members and/or the Council and may lower the public's confidence in you or the Council's ability to discharge your/its functions. For example, behaviour that is considered dishonest and/or deceitful can bring the Council into disrepute.

You are able to hold the Council and fellow members to account and are able to constructively challenge and express concern about decisions and processes undertaken by the Council whilst continuing to adhere to other aspects of this Code of Conduct.

6. Use of Position

As a member:

6.1 I will not use, or attempt to use, my position improperly to the advantage or disadvantage of myself or anyone else.

6.2 I will not place myself under a financial or other obligation to outside individuals or organisations that might seek to influence me in the performance of my official duties.

Your position as a member of the Council provides you with certain opportunities, responsibilities and privileges, and you make choices all the time that will impact others. However, you should not take advantage of these opportunities to further your own or others' private interests or to disadvantage anyone unfairly.

As a member you need to be able to act impartially in the exercise of your responsibilities and ensure that you make decisions in the interests of the local community. You should therefore avoid any financial or other obligations to outside individuals or organisations whose influence may prevent you from acting impartially.

7. Use of Council Resources and Facilities

As a member:

- 7.1 I will not misuse council resources.
- 7.2 I will, when using the resources of the Council or authorising their use by others:
- 7.2.1 act in accordance with the Council's requirements; and
 - 7.2.2 ensure that such resources are not used for political purposes unless that use could reasonably be regarded as likely to facilitate, or be conducive to, the discharge of the functions of the Council or of the office to which I have been elected or appointed.

You may be provided with resources and facilities by the Council to assist you in carrying out your duties as a member.

Examples include:

- office support
- stationery
- equipment such as phones, iPads, dongles computers etc.
- transport
- access and use of council buildings and rooms.

These are given to you to help you carry out your role as a member more effectively and are not to be used for business or personal gain. They should be used in accordance with the purpose for which they have been provided and the council's own policies regarding their use.

8. Making Decisions

As a member:

- 8.1 When reaching decisions on any matter I will have regard to any relevant advice provided to me by officers and professional third parties.
- 8.2 I will give reasons for all decisions in accordance with any statutory requirements and any reasonable additional requirements imposed.

PART 5 | SECTION 2 - MEMBERS' CODE OF CONDUCT

- 8.3 I will make all choices, such as making public appointments, awarding contracts or recommending individuals for rewards or benefits, on individual and independent merit
- 8.4 I will be as open as possible about my decisions and actions and the decisions and actions of the authority and will be prepared to give reasons for those decisions and actions, notwithstanding my other obligations under this Code.

To assist members in acting lawfully, officers may give advice from time to time. It is important that as a member you have due regard to any such advice given and consider it fully, even if (for good reason) you may choose not to follow that advice.

In making any decisions, giving reasons helps instil public confidence in the role of the member and can be a legal requirement in certain situations. You should ensure that you always give reasons in accordance with any specific requirements and having regard to the benefits of transparency generally.

As a member you must act impartially and not improperly seek to confer an advantage, or disadvantage, on any person. It is therefore important that when you are making decisions that involve choosing one party over another, that you do so based on independent merit. You should be open and transparent about the decisions that you have made and the actions of the authority.

9. Complying with the Code of Conduct

As a member:

- 9.1 I will undertake Code of Conduct training provided by my Council.
- 9.2 I will cooperate with any Code of Conduct investigation and/or determination.
- 9.3 I will not intimidate or attempt to intimidate any person who is likely to be involved with the administration of any investigation or proceedings.
- 9.4 I will comply with any sanction imposed on me following a finding that I have breached the Code of Conduct.

It is extremely important for you as a member to demonstrate high standards, for you to have your actions open to scrutiny and for you not to undermine public trust in the Council or

its governance. If you do not understand or are concerned about the council's processes in handling a complaint you should raise this with the Monitoring Officer.

10. Protecting Your Reputation and the Reputation of the Council Interests

As a member:

10.1 I will register and disclose my interests in accordance with the provisions set out in Appendix B

Section 29 of the Localism Act 2011 requires the Monitoring Officer to establish and maintain a register of interests of members of the authority.

You need to register your interests so that the public, Council employees and fellow members know which of your interests might give rise to a conflict of interest. The register is a public document that can be consulted when (or before) an issue arises. The register also protects you by allowing you to demonstrate openness and a willingness to be held accountable. You are personally responsible for deciding whether or not you should disclose an interest in a meeting, but it can be helpful for you to know early on if others think that a potential conflict might arise. It is also important that the public know about any interest that might have to be disclosed by you or other members when making or taking part in decisions, so that decision making is seen by the public as open and honest. This helps to ensure that public confidence in the integrity of local governance is maintained.

You should note that failure to register or disclose a disclosable pecuniary interest as defined in Appendix B, is a criminal offence under the Localism Act 2011.

The provisions of this paragraph 10.1 shall be applied in such a manner as to recognise that this Code of Conduct should not obstruct a member's service on more than one local authority. For the avoidance of doubt, participation in discussion and decision-making at one local authority will not by itself normally prevent you from taking part in discussion and decision-making on the same matter at another local authority. This is on the basis that a reasonable member of the public will see no objection in principle to such service or regard it

PART 5 | SECTION 2 - MEMBERS' CODE OF CONDUCT

as prejudicing a member's judgement of the public interest and will only regard a matter as giving rise to an interest which might lead to bias in exceptional circumstances.

Appendix B sets out the detailed provisions on registering and disclosing interests. If in doubt, you should always seek advice from the Monitoring Officer, or from the clerk in the case of town and parish councils.

11. Gifts and Hospitality

As a member:

- 11.1 I will not accept gifts or hospitality, irrespective of estimated value, which could give rise to real or substantive personal gain or a reasonable suspicion of influence on my part to show favour from persons seeking to acquire, develop or do business with the Council or from persons who may apply to the Council for any permission, licence or other significant advantage.
- 11.2 I will register with the Monitoring Officer any gift or hospitality with an estimated value of at least £50 within 28 days of its receipt.
- 11.3 I will register with the Monitoring Officer any significant gift or hospitality with an estimated value of at least £50 that I have been offered but have refused to accept.

In order to protect your position and the reputation of the Council, you should exercise caution in accepting any gifts or hospitality which are (or which you reasonably believe to be) offered to you because you are a member. The presumption should always be not to accept significant gifts or hospitality. However, there may be times when such a refusal may be difficult if it is seen as rudeness in which case you could accept it but must ensure it is publicly registered. However, you do not need to register gifts and hospitality which are not related to your role as a member, such as Christmas gifts from your friends and family. It is also important to note that it is appropriate to accept normal expenses and hospitality associated with your duties as a member. If you are unsure, do contact the Monitoring Officer or Clerk for guidance.

12. Dispensation

As a member:

- 12.1 I may request a dispensation from the Monitoring Officer for one meeting only.

PART 5 | SECTION 2 - MEMBERS' CODE OF CONDUCT

- 12.2 I must make the request in writing detailing what my interest is, why the dispensation is required and for what meeting.
- 12.3 I must make my request 5 days prior to the meeting at which the Dispensation is required.
- 12.4 If I wish to make a further request for dispensation, this must be made to the Policy Finance and Development Committee.
- 12.5 I will only be granted a Dispensation where there are reasonable grounds for doing so and where such grounds are in the public interest.

Appendix B sets out the situations where a Member's personal interest in a matter may prevent them from participating in the decision-making process. In certain circumstances, however, there may be reasonable grounds to allow a Member to participate in decision making on that matter where it would be in the public interest to do so. Where you consider that there may be good grounds for you to continue to participate you should request a dispensation from the Monitoring Officer.

They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must disclose and resolve any interests and relationships.

Honesty

Holders of public office should be truthful.

Leadership

"Other Registerable Interest" is a personal interest in any business of your authority which relates to or is likely to affect:

- a) any body of which you are in general control or management and to which you are nominated or appointed by your authority; or
- b) any body

 - (ii) any body directed to charitable purposes or
 - (iii) one of whose principal purposes includes the influence of public opinion or policy (including any political party or trade union)

"Registrable Interests" are interests that you are required to register in accordance with this Code of Conduct and include both Disclosable Pecuniary Interests and Other Registerable Interests.

"Non-Registrable Interests" are interests that you are not required to register but need to be disclosed in accordance with section 3.3.

A **"Dispensation"** is agreement that you may continue to participate in the decision-making process notwithstanding your interest as detailed at section 12 of the Code of the Conduct and this Appendix B.

PART 5 | SECTION 2 - MEMBERS' CODE OF CONDUCT

A "**Sensitive Interest**" is as an interest which, if disclosed, could lead to the member, or a person connected with the member, being subject to violence or intimidation. In any case where this Code of Conduct requires to you to disclose an interest (subject to the agreement of the Monitoring Officer in accordance with paragraph 2.2 of this Appendix regarding registration of interests), you do not have to disclose the nature of the interest, if it is a Sensitive Interest. In such circumstances you just have to disclose that you have an interest.

A matter "**directly relates**" to one of your interests where the matter is directly about that interest. For example the matter being discussed is an application about a particular property in which you or somebody associated with you has a financial interest.

A matter "**affects**" your interest where the matter is not directly about that interest but would still have clear implications for the interest. For example, the matter concerns a neighbouring property.

2. Registering Interests

- 2.1 Within 28 days of becoming a member or co-opted member or your re-election or reappointment to office you must register with the Monitoring Officer any Disclosable Pecuniary Interests and any Other Registerable Interests.
- 2.2 Where you have a Sensitive Interest you must notify the Monitoring Officer with the reasons why you believe it is a Sensitive Interest. If the Monitoring Officer agrees they will withhold the interest from the public register.
- 2.3 You must ensure that your register of interests is kept up-to-date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.

3. Declaration at and Participation in Meetings

If you are present at a meeting and you have either a Registerable or Non-Registerable

PART 5 | SECTION 2 - MEMBERS' CODE OF CONDUCT

Interest in any matter to be considered or being considered, and the interest is not a Sensitive Interest, you must disclose that interest to the meeting (whether or not it is registered).

To determine whether your interest affects your ability to participate in a meeting, you must first determine what type of interest you have and, if necessary, go on to apply the tests as set out below.

3.1 Disclosable Pecuniary Interests

- Where a matter arises at a meeting which **directly relates** to one of your Disclosable Pecuniary Interests subject to paragraph 3.2.2 below:
 - a) you must disclose the interest;
 - b) not participate in any discussion or vote on the matter; and
 - c) must not remain in the room unless you have been granted a Dispensation.

3.2 Other Registerable Interests

3.2.1 Where a matter arises at a meeting which **directly relates** to the financial interest or wellbeing of one of your Other Registerable Interests subject to paragraph 3.2.2 below:

- a) you must disclose the interest;
- b) may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter; and
- c) must not remain in the room unless you have been granted a Dispensation.

3.2.2 The provisions of paragraph 3.1.1 and 3.2.1 shall be applied in such a manner as to recognise that this Code should not obstruct a member's service on more than one local authority. For the avoidance of doubt, participation in discussion and decision making at one local authority will not by itself normally prevent you from taking part in discussion and

PART 5 | SECTION 2 - MEMBERS' CODE OF CONDUCT

decision making on the same matter at another local authority. This is on the basis that a reasonable member of the public will see no objection in principle to such service or regard it as prejudicing a member's judgement of the public interest and will only regard a matter as giving rise to a Personal Interest which might lead to bias in exceptional circumstances.

3.3 Non-Registerable Interests

3.3.1 Where a matter arises at a meeting which **directly relates** to a financial interest or the well-being of yourself or of a friend, relative or close associate (and is not a Registerable Interest):

- a) you must disclose the interest;
- b) may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter; and
- c) must not remain in the room unless you have been granted a Dispensation.

3.3.2 Where a matter arises at a meeting which does not directly relate to but **affects**

- a) a financial interest or the well-being of yourself or of a friend, relative or close associate; or
- b) a financial interest or wellbeing of a body included in those you need to disclose under Other Registerable Interests

you must disclose the interest. In order to determine whether you can remain in the meeting after disclosing your interest the following test in paragraphs 3.3.3 and 3.3.4 should be applied.

3.3.3 Where a matter under paragraph 3.3.2 **affects** the financial interest or well-being or body:

PART 5 | SECTION 2 - MEMBERS' CODE OF CONDUCT

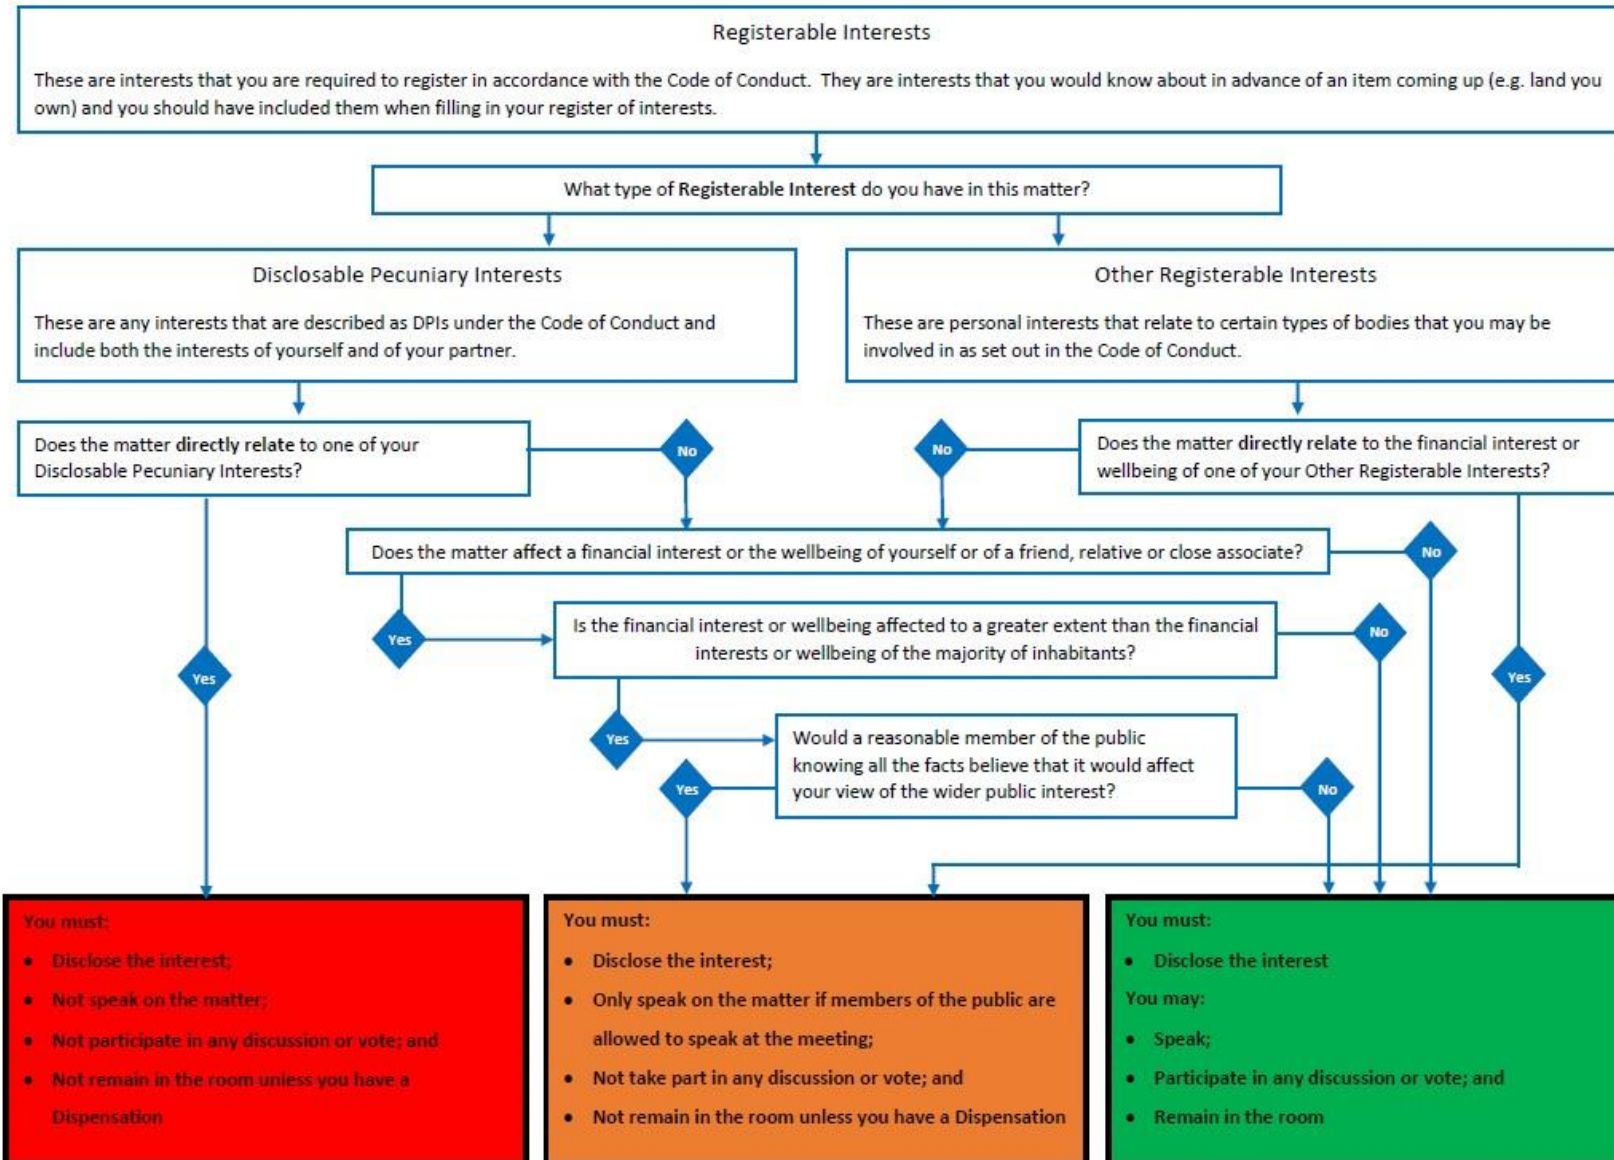

- a) to a greater extent than it affects the financial interests or wellbeing of the majority of inhabitants of the ward affected by the decision; and

PART 5 | SECTION 2 - MEMBERS' CODE OF CONDUCT

PART 5 | SECTION 2 - MEMBERS' CODE OF CONDUCT

Appendix C – the Committee on Standards in Public Life

The LGA has undertaken this review whilst the Government continues to consider the recommendations made by the Committee on Standards in Public Life in their report on [Local Government Ethical Standards](#). If the Government chooses to implement any of the recommendations, this could require a change to this Code.

The recommendations cover:

- Recommendations for changes to the Localism Act 2011 to clarify in law when the Code of Conduct applies
- The introduction of sanctions
- An appeals process through the Local Government Ombudsman
- Changes to the Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012
- Updates to the Local Government Transparency Code
- Changes to the role and responsibilities of the Independent Person
- That the criminal offences in the Localism Act 2011 relating to Disclosable Pecuniary Interests should be abolished

The Local Government Ethical Standards report also includes Best Practice recommendations.

These are:

Best Practice 1: Local authorities should include prohibitions on bullying and harassment in codes of conduct. These should include a definition of bullying and harassment, supplemented with a list of examples of the sort of behaviour covered by such a definition.

Best Practice 2: Councils should include provisions in their code of conduct requiring members to comply with any formal standards investigation and prohibiting trivial or malicious allegations by members.

Best Practice 3: Principal authorities should review their code of conduct each year and regularly seek, where possible, the views of the public, community organisations and neighbouring authorities.

Best Practice 4: An authority's code should be readily accessible to both members and the public, in a prominent position on a council's website and available in council premises.

Best Practice 5: Local authorities should update their gifts and hospitality register at least once per quarter, and publish it in an accessible format, such as CSV.

Best Practice 6: Councils should publish a clear and straightforward public interest test against which allegations are filtered.

Best Practice 7: Local authorities should have access to at least two Independent Persons.

Best Practice 8: An Independent Person should be consulted as to whether to undertake a formal investigation on an allegation, and should be given the option to review and comment on allegations which the responsible officer is minded to dismiss as being without merit, vexatious, or trivial.

Best Practice 9: Where a local authority makes a decision on an allegation of misconduct following a formal investigation, a decision notice should be published as soon as possible on its website, including a brief statement of facts, the provisions of the code engaged by the allegations, the view of the Independent Person, the reasoning of the decision-maker, and any sanction applied.

Best Practice 10: A local authority should have straightforward and accessible guidance on its website on how to make a complaint under the code of conduct, the process for handling complaints, and estimated timescales for investigations and outcomes.

Best Practice 11: Formal standards complaints about the conduct of a parish member towards a clerk should be made by the chair or by the parish council, rather than the clerk in all but exceptional circumstances.

Best practice 12: Monitoring Officers' roles should include providing advice, support and management of investigations and adjudications on alleged breaches to parish councils within the remit of the principal authority. They should be provided with adequate training, corporate support and resources to undertake this work.

Best Practice 13: A local authority should have procedures in place to address any conflicts of interest when undertaking a standards investigation. Possible steps should include asking the Monitoring Officer from a different authority to undertake the investigation.

Best Practice 14: Councils should report on separate bodies they have set up or which they own as part of their annual governance statement and give a full picture of their relationship with those bodies. Separate bodies created by local authorities should abide by the Nolan principle of openness and publish their board agendas and minutes and annual reports in an accessible place.

Best Practice 15: Senior officers should meet regularly with political group leaders or group whips to discuss standards issues.

The LGA has committed to reviewing its Model Code on an annual basis to ensure it is still fit for purpose.

PART 5 | SECTION 3 - OUTLINE OF ROLES AND RESPONSIBILITIES FOR MEMBERS

1. SECTION 3 – OUTLINE OF ROLES AND RESPONSIBILITIES FOR MEMBERS

1.1 Introduction

Role profiles for Councillors are to be introduced by Oadby and Wigston Borough Council and will be used by the Independent Remuneration Panel (IRP) to underpin the Members Allowance Scheme. They have been developed as a means to clearly set out the expectations of a Ward Councillor and all roles attracting Special Responsibility Allowance (SRA) so as to support the Council's improvement priorities and Member Development.

There has been consultation with Councillors and key Officers to ensure the role profiles reflect the changing role of Councillors and the future needs of the Council and local government. 1. SECTION 4 – PROTOCOL ON MEMBER/OFFICER RELATIONS

1.1 Introduction

- 1.1.1 The purpose of this Protocol is to guide Members and Employees of the Council in their relations with one another.
- 1.1.2 Given the variety and complexity of such relations, the Protocol does not seek to be prescriptive and it may not cover all situations. However, it does seek to provide guidance on some of the issues that most commonly arise. The approach to these issues will serve as a guide to dealing with other issues.
- 1.1.3 The Protocol is a written statement of current practice and convention. In some respects, however, it seeks to promote greater clarity and certainty.
- 1.1.4 It also seeks to reflect the principles underlying the respective rules of conduct that apply to Members and Employees. Its purpose, therefore, is to enhance and maintain the integrity (real and perceived) of local government by demanding very high standards of personal conduct.
- 1.1.5 Members and Employees are servants of the public and they depend on each other in carrying out the work of the Authority. Members are responsible to the electorate and serve only so long as their term of office lasts, while Employees are responsible to the Council. Their job is to give advice to the Council, as well as to individual Members, and to carry out the Council's work under the direction and control of the Council and its various bodies.
- 1.1.6 Mutual respect between Members and Employees is essential to good local government. However, close personal familiarity between individual Members and Employees can damage this relationship and prove embarrassing to other Members and Employees.
- 1.1.7 The relationship has to function without compromising the ultimate responsibilities of Employees to the Council as a whole, and with due regard to such technical, financial, professional and legal advice that Employees can legitimately provide to Members. The Protocol seeks to set a framework that assists the working relationships between Members and Employees.

1.2 Roles of Members

Members may undertake many different roles. Broadly these are:

- 1.2.1 Members express political values and support the policies of the party or group to which they belong (if any).
- 1.2.2 Members represent their electoral division and are advocates for the citizens who live in the area.
- 1.2.3 Members are involved in active partnerships with other organisations as community leaders.
- 1.2.4 Members contribute to the decisions taken in Full Council and in its various bodies on which they serve, as well as Joint Committees, Outside Bodies and partnership organisations.
- 1.2.5 Members help develop and review policy and strategy.
- 1.2.6 Members monitor and review policy implementation and service quality.
- 1.2.7 Members are involved in quasi-judicial work through their membership of regulatory Committees.

1.3 Roles of Employees

Briefly, Employees have the following main rules:

- 1.3.1 Managing and providing the services for which the Council has given them responsibility and being accountable for the efficiency and effectiveness of those services.
- 1.3.2 Providing advice to the Council and its various bodies and to individual Members in respect of the services provided.
- 1.3.3 Initiating policy proposals.
- 1.3.4 Implementing agreed policy.
- 1.3.5 Ensuring that the Council always acts in a lawful manner.

1.4 Respect and Courtesy

- 1.4.1 For the effective conduct of Council business there must be mutual respect, trust and courtesy in all meetings and contacts, both formal and informal, between Members and Employees. This plays a very important part in the Council's reputation and how it is seen in public. It is very important that both Members and Employees remember their respective obligations to enhance the Council's

reputation and to do what they can to avoid criticism of other Members, or other Employees, in public places.

1.4.2 Undue Pressure

- (a) It is important in any dealings between Members and Employees that neither should seek to take unfair advantage of their position.
- (b) In their dealings with Employees (especially junior Employees) Members need to be aware that it is easy for them to be overawed and feel at a disadvantage. Such feelings can be intensified where Members hold senior official and/or political office.
- (c) A Member should not apply undue pressure on an Employee either to do anything that he is not empowered to do or to undertake work outside normal duties or outside normal hours. Particular care needs to be taken in connection with the use of Council property and services.
- (d) Similarly, an Employee must neither seek to use undue influence on an individual Member to make a decision in his favour, nor raise personal matters to do with their job, nor make claims or allegations about other Employees. *(The Council has formal procedures for consultation, grievance and discipline, and Employees have the right to report possible wrongdoing under the Council's Confidential Reporting Code).*

1.4.3 Familiarity

- (a) Close personal familiarity between individual Members and Employees can damage the principle of mutual respect. It could also, intentionally or accidentally, lead to the passing of confidential information or information which should not properly be passed between them, such as personal details.
- (b) Such familiarity could also cause embarrassment to other Members and/or other Employees and even give rise to suspicions of favouritism.
- (c) For these reasons close personal familiarity must be avoided.

1.4.4 Breach of Protocol

- (a) If a Member considers that he has not been treated with proper respect or courtesy he may raise the issue with the Employee's line manager. If direct

discussion with the manager does not resolve the complaint it should be referred to the Head of Service or Senior Leadership Team member responsible for the employee concerned. Breach of the Protocol may give rise to disciplinary proceedings against an Employee if the circumstances warrant it.

- (b) If an employee considers that a Member has contravened the protocol he should consult his line manager who will if necessary involve the relevant Head of Service or Senior Leadership Team member. In certain circumstances breach of the Protocol may also constitute a breach of the Members' Code of Conduct. If the breach is sufficiently serious this may warrant a formal reference to the Monitoring Officer as a complaint to be considered for potential investigation by an Assessment Sub-Committee. Many complaints will be capable of informal resolution. The Monitoring Officer or the Chief Executive will assist in this process if necessary.

1.5 Provision of Advice and Information to Members

- 1.5.1 Members are free to approach Employees of the Council to provide them with such information and advice as they may reasonably need in order to assist them in discharging their role as a Member of the Council. This can range from a request for general information about some aspect of the Council's activities to a request for specific information on behalf of a constituent.
- 1.5.2 Employees should always endeavour to respond to requests for information promptly and should in any event inform the Member if there is likely to be any appreciable delay in dealing with an enquiry. As a minimum the timescale for responding to correspondence should be observed i.e. either a full response or, if this is not possible, an acknowledgement that fully explains what is happening within 5 working days of the receipt of the enquiry.
- 1.5.3 The legal rights of Members to inspect Council documents are covered partly by statute and partly by common law.
- 1.5.4 The Access to Information Procedure Rules of the Constitution explain the position with regard to access to papers relating to the business of a Council body.
- 1.5.5 The exercise of the common law right depends upon a Member's ability to demonstrate a "need to know". In this respect a Member has no right to "a roving

commission" to examine any documents of the Council. Mere curiosity is not sufficient.

- 1.5.6 The information sought by a Member should only be provided by the respective Service as long as it is within the limits of the Service's resources. For their part, Members should seek to act reasonably in the number and content of the requests they make.
- 1.5.7 It is important for Services and their staff to keep Members informed both about the major issues concerning the Council and, more specifically, about issues and events affecting the area that he represents. Local Members should be informed about proposals that affect their electoral division and should also be invited to attend Council initiated events within their electoral division. Further details are contained in the Local Member Consultative Charter, which is annexed to this Protocol).
- 1.5.8 If a Member asks for specific information relating to the work of a particular Service, and it appears possible or likely that at a subsequent meeting an issue could be raised or question asked on the basis of the information provided, then the appropriate Committee Chair concerned should be advised about the information provided.
- 1.5.9 Officers have to advise Members from time to time that a certain course of action cannot be carried out. Members sometimes assume that this is a case of Officers deliberately obstructing the wishes of politicians. In fact this is hardly ever the case. Officers are employed to give unbiased professional advice even if it is not what Members want to hear. They do this as much for the protection of Members as for any other reason. However, the mark of an effective Officer is that if they do have to give negative advice, this will be accompanied by suggestions as to how Members might achieve some or all of their objectives in other ways. Such Officers are invaluable to any Council.
- 1.5.10 Members may be entitled under the Freedom of Information Act 2000 to receive information which falls outside their common law rights based on the "need to know". Employees are encouraged to supply documents to Members without the need for a formal FOI request if it is apparent from the Member's enquiry that any individual would be entitled to receive such documentation. The Council's Head of Law and Democracy will be able to advise in consultation if necessary with the

Monitoring Officer on whether any request would fall within the Freedom of Information Act.

1.6 Confidentiality

- 1.6.1 In accordance with the Code of Conduct for Members, a Member must not disclose information given to him/her in confidence by anyone, or information acquired which he/she believes, or ought reasonably to be aware, is of a confidential nature, except where:
- (a) he/she has the consent of a person authorised to give it;
 - (b) he/she is required by law to do so;
 - (c) the disclosure is made to a third party for the purpose of obtaining professional advice provided that the third party agrees not to disclose the information to any other person; or
 - (d) the disclosure is
 - (i) reasonable and in the public interest; and
 - (ii) made in good faith and in compliance with the reasonable requirements of the Authority.
- 1.6.2 Confidential Committee papers (pink papers) are to be treated as confidential information unless the relevant Committee resolves not to exclude press and public. Members are reminded that the author of the report makes the initial decision as to whether or not the papers are to be treated as confidential. The decision as to whether they remain confidential is for the Committee. Other information may be confidential because to disclose it would be against the Council's or the public interest. Information may also be confidential because of the circumstances in which it was obtained.
- 1.6.3 Information and correspondence about an individual's private or business affairs will normally be confidential.
- 1.6.4 Officers should make it clear to Members if they are giving them confidential information. If a Member is not sure whether information is confidential, he or she should ask the relevant Officer, but treat the information as confidential in the meantime.
- 1.6.5 Any Council information provided to a Member must only be used by the Member

in connection with the proper performance of the Member's duties as a Member of the Council.

- 1.6.6 If a Member receives confidential information and considers it should be disclosed to another person because it is reasonable and in the public interest to do so then he or she must first consult with the Monitoring Officer and shall not disclose the information without having regard to any advice given by that officer.

1.7 Provision of Support Services to Members

- 1.7.1 The only basis on which the Council can lawfully provide support services (e.g. stationery, word processing, printing, photocopying, transport, etc) to Members is to assist them in discharging their role as Members of the Council. Such support services must therefore only be used on Council business. They should never be used in connection with party political or campaigning activity or for private purposes.

1.7.2 Correspondence

Official letters on behalf of the Council should be sent in the name of the appropriate Employee, rather than over the name of a Member. There are circumstances where a letter sent in the name of a Member is perfectly appropriate, for example, in response to a letter of enquiry or complaint sent direct to that Member. Letters which, for example, create obligations or give instructions on behalf of the Council should never be sent out in the name of a Member.

1.7.3 Media

Communication with the media can be an important part of a Member's workload. In general, Members provide comment and views while Employees provide factual information. If a Member is unsure about the circumstances of a particular issue he should contact the appropriate Strategic Leadership Team member or Head of Service concerned or ask the Press Office to do so.

1.8 The Council's Role as Employer

- 1.8.1 In their dealings with Officers, Members should recognise and have regard to the Council's role as employer. Members should be aware that Officers could rely on inappropriate behaviour of a Member in an employment case against the Council.

1.9 Political Activity

1.9.1 There are a number of constraints that apply to an employee who occupies a post that is designated as "politically restricted" under the terms of the Local Government and Housing Act 1989.

1.9.2 In summary, such employees are prevented from:

- (a) being a Member of Parliament, European Parliament or local authority;
- (b) acting as an election agent or sub-agent for a candidate for election as a member of any the bodies referred to in 1.9.2(a);
- (c) being an officer of a political party or any branch of a political party or a member of any Committee or Sub-Committee of such a party or branch, if his duties would be likely to require him to:
 - (i) participate in the general management of the party or branch; or
 - (ii) act on behalf of the party or branch in dealings with persons other than members of the party;
- (d) canvassing on behalf of a political party or a candidate for election to any the bodies referred to in 1.9.2(a);
- (e) speaking to the public with the apparent intent of affecting public support for a political party; and
- (f) publishing any written or artistic work of which he is the author (or one of the authors) or acting in an editorial capacity in relation to such works, or to cause, authorise or permit any other person to publish such work or collection - if the work appears to be intended to affect public support for a political party.

1.9.3 It is common for party groups to give preliminary consideration to matters of Council business in advance of such matters being considered by the relevant decision making body. Employees may properly be called upon to support and contribute to such deliberations by party groups provided they maintain a stance which is politically impartial. Support may include a range of activities including briefings for Members relating to their roles e.g. chairperson or spokesperson. Employees should be required to give information and advice to political groups on Council business only and not on matters which are purely of a party political nature. Such advice should be available to all party groups and not solely to the

majority group. It is important that the political neutrality of Employees is preserved and that group confidentiality is maintained by Employees.

- 1.9.4 Usually the only Employees involved in attending group meetings will be the Chief Executive, Directors and Heads of Service and they will generally leave the meeting after making their presentation and answering questions.
- 1.9.5 Employees are employed by the Council as a whole. They serve the Council and are responsible to the Chief Executive and their respective Directors/Heads of Service, and not to individual Members of the Council whatever office they might hold.
- 1.9.6 Both Members and Employees are subject to their own Codes of Conduct which can be found in the Constitution. This Protocol provides guidance on working relationships between Members and Employees. It is essential that both are familiar with the detailed obligations in their respective Codes of Conduct which will prevail in the event of any conflict between the Codes and this Protocol.

1.10 Sanctions

- 1.10.1 Complaints about any breach of this Protocol by a member may be referred to the Monitoring Officer. It should be noted that certain breaches may also amount to breaches of the Code of Conduct for Members.
- 1.10.2 Complaints about any breach of this protocol by an Officer may be referred to the relevant Chief Officer, the Chief Executive or the Head of Law and Democracy.

1.11 Conclusion

- 1.11.1 It is hoped that, by following good practice and securing sensible and practical working relationships between Members and Employees, we can provide one of the cornerstones of a successful local authority and thereby enhance the delivery of high value quality services to the people of the area. Mutual understanding, openness and respect are the greatest safeguard of the integrity of the Council, its Members and Employees.

**PART 5 | SECTION 5 - PROCEDURE AND RESOLUTION OF
DISPUTE / CONFLICT ETC.**

1. SECTION 5 – PROCEDURE AND RESOLUTION OF DISPUTE/CONFLICT ETC.

1.1 Introduction

1.1.1 This procedure has been developed as a quick and largely informal way of resolving disputes or conflict between officers and members. This procedure does not preclude the existing rights of the parties to initiate the Council's grievance or disciplinary procedures. It aims to foster mutual respect and courtesy and to develop good working relationships between officers and members. It will be conducted in private and will examine under-performance or mistakes in a developmental way without attributing blame.

1.2 The Procedure

1.2.1 Both Councillors and Officers shall have regard to the existing codes of conduct as setting clear ground rules on behaviour.

1.2.2 This procedure should be seen as additional to rather than as a substitute for the Council's existing grievance or disciplinary procedures. Any party may wish to be accompanied during part or the whole of the process.

1.2.3 In addition it does not preclude the involvement of external agencies in appropriate circumstances.

1.2.4 It will be expected that before the procedure is implemented that the parties to the dispute/conflict will have met to identify in writing specifically what the difference is and to discuss the matter in a meaningful way with a view to resolving the difference (where this is reasonably practical).

1.2.5 In the event that a difference cannot be resolved the Chief Executive shall be informed as soon as possible.

1.2.6 The Chief Executive shall notify the Leader of the Council and the appropriate Head of Service or Team Manager without delay.

1.2.7 The Head of Service or Team Manager shall convene a meeting ideally within 2 days between the two parties to the dispute and him or herself.

1.2.8 Where the dispute is between a Head of Service and a member the meeting shall take place between the two parties together with the Deputy Chief Executive or Chief Executive and the Leader of the Council.

**PART 5 | SECTION 5 - PROCEDURE AND RESOLUTION OF
DISPUTE / CONFLICT ETC.**

- 1.2.9 Where there is a conflict between the Chief Executive and a member, the Leader shall be involved.
- 1.2.10 Any meetings shall encourage a full and frank exchange of views in a professional manner in an endeavour to resolve the conflict.
- 1.2.11 In the unlikely event of the matter not being resolved as above it will be referred to the Chief Executive and the Leader of the Council to try and break the deadlock. Should the matter remain unresolved it shall be open to the parties to initiate the Council's formal grievance or disciplinary procedures as appropriate.

1. SECTION 5 – LOCAL MEMBER CONSULTATIVE CHARTER

The Council is committed to providing its Elected Members with accurate, helpful and timely consultation, advice and information in relation to any matters of any significance or sensitivity which relate to their particular Electoral Division and where circumstances render it appropriate to involve a Local Member.

- 1.1 The Senior Leadership Team and Heads of Service will be continually vigilant to identify such matters and ensure that Local Members are informed accordingly. This will also include any matter which could impact upon the neighbouring areas of other Members.
- 1.2 The Senior Leadership Team and Heads of Service will ensure that all correspondence/enquiries from Local Members are dealt with promptly and if necessary Members will be kept advised of progress.
- 1.3 The Senior Leadership Team and Heads of Service will ensure that, where the Council's Constitution allows, Local Members will be invited to meetings and receive the necessary documentation.
- 1.4 Any matter of significance or sensitivity which relates to a particular Electoral Division or Divisions will be discussed with the Local Member(s) concerned before being submitted for consideration by Council or other Council Body. This will provide the opportunity for early awareness and allow a local perspective to be obtained.
- 1.5 The Senior Leadership Team and Heads of Service will regularly brief appropriate Members on service and partnership issues and developments and will use such occasions to help identify any potential local issues.
- 1.6 Details of any petitions received which relate to matters in a particular Electoral Division will be sent to the Local Member concerned. In addition, copies will also be provided to the Leader. Local Members will be kept informed on the progress/outcomes of such petitions.
- 1.7 Copies of all correspondence with MPs and MEPs which relate to matters in a particular Electoral Division will be sent to the Local Member concerned. In addition, copies will also be provided to the Leader.
- 1.8 The Senior Leadership Team and Heads of Service and staff will ensure that as much local service information as possible is provided to local Members.
- 1.9 Services will provide every Member with an Officer contact guide for the services they provide, including where appropriate local contacts.

PART 5 | SECTION 6 - LOCAL MEMBER CONSULTATIVE CHARTER

- 1.10 Wherever appropriate, Services will make Local members aware of and invite them to service events and activities in their area. This will include strict adherence to the arrangements that have been agreed for the official opening/launch of Council projects, schemes, exhibitions etc.
- 1.11 In certain instances, both Members and Officers will receive an enquiry which relates to a matter in a particular area. In order to ensure consistency of approach in these circumstances, Officers will agree with the Member(s) concerned a single response to such enquiries.
- 1.12 As part of a continual review of the Charter's effectiveness, the co-operation of Members is sought in the responsible use at all times of advice and information that is provided to them, and Members are encouraged to advise Officers of the information requirements and of any local circumstances or sensitivities which might have a bearing on the Council's work.

1. SECTION 7 – OFFICERS’ CODE OF CONDUCT

The public is entitled to expect the highest standards of conduct from all employees who work for the Council. This Code of Conduct outlines the existing rules and conditions of service which apply to you as a Council employee and is designed to provide clear guidance to assist you in your day-to-day work.

The Code sets out the standards which are expected of you and provides a framework which will help to promote best practice. Reference should also be made to Nolan’s Seven Principles of Public Life in section 5.1. All employees of the Council are required to observe and uphold the standards of the Code and all policies and procedures of the Council. Failure to do so is a serious matter which could result in disciplinary action, including dismissal.

You should therefore read the document carefully, and if you are uncertain about any aspect of its contents, please contact your immediate manager or supervisor.

2. Standards and Attitude

- 2.1 All employees of the Council are expected to give the highest possible standard of service to the public, and where it is part of their duties, to provide appropriate advice to Councillors and fellow employees with impartiality.
- 2.2 Your attitude in dealing with people reflects on the Council so it is important that you are helpful, polite and courteous.
- 2.3 All employees are expected to report, in the first instance, to their manager or supervisor any illegality, impropriety, breach of procedure or policy of the Council.
- 2.4 There are a number of mechanisms available to employees to do this including the Council’s complaints procedure and also the Confidential Reporting Code.
- 2.5 In all cases, it is not enough to avoid actual impropriety, as public perceptions are very important. Employees should at all times avoid any appearance of improper conduct which may give rise to suspicion.

3. Confidentiality and Disclosure of Information

- 3.1 The law requires that certain types of information must be available to Councillors, auditors, government services, service users and the public. Different rules apply in different situations. If you are in any doubt as to whether you can release any particular information,

always check with your manager or supervisor first.

- 3.2 The confidentiality of information received in the course of your duties should be respected and must never be used for personal or political gain. Also, of course, you should not knowingly pass information on to others who might use it in such a way.
- 3.3 You should not communicate confidential information or documents to others who do not have a legitimate right to know. Information must only be disclosed in accordance with the requirements of the Data Protection Act 1998, which covers computerised and manual information held on individuals. All staff need to bear in mind that an e-mail is as legally binding as a letter and informal messages sent internally can be used in evidence in court proceedings.
- 3.4 Information given in the course of your duties should be accurate and fair and never designed to mislead.
- 3.5 Any particular information received by an employee from a councillor which is personal to that councillor should not be divulged by the employee without the prior approval of that councillor, except where such disclosure is required by law.

4. Political Neutrality

- 4.1 Employees serve the authority as a whole. It follows that you must serve all Councillors equally and ensure that the individual rights of all Councillors are respected.
- 4.2 From time to time, some employees may also be requested to advise a full meeting of a political group or its executive. You must do so in ways which do not compromise your political neutrality and inform the Chief Executive in advance.
- 4.3 Whether you hold a politically restricted post or not, you must not allow your own personal or political opinions to interfere with your work.

5. Relationships

5.1 Councillors

Mutual respect between employees and Councillors is essential for good local government. Some employees need to work closely with Councillors. Close personal familiarity between employees and individual Councillors can damage the relationship and prove embarrassing to other employees and Councillors, and should therefore be avoided.

5.2 The Local Community and Service Users

Employees should always remember their responsibilities to the whole of the community they serve and ensure courteous, effective and impartial service delivery to all groups and individuals within that community in accordance with the policies of the authority.

5.3 Contractors and Suppliers

5.3.1 All relationships of a business or personal nature with external contractors or suppliers, or potential contractors or suppliers, must be declared to your appropriate manager or supervisor at the earliest opportunity.

5.3.2 Orders and contracts must be awarded in accordance with the Council’s Contract Procedure Rules and no special favour should be shown to anyone, particularly businesses run by, for example, friends, partners or relatives. No part of the community should be discriminated against.

6. Appointment and Other Employment Matters

6.1 It is unlawful for appointments to be made on the basis of anything other than the ability of the candidate to undertake the duties of the post. If you are involved in making appointments you should do everything possible to ensure that these are made on the basis of merit and in accordance with the Council’s policy.

6.2 In order to avoid any possible accusation of bias, you must not become involved in any appointment if you are related to an applicant, or have a close personal relationship with him or her.

6.3 Similarly, you should not be involved in decisions relating to discipline, promotion or pay adjustments in respect of any other employee who is a relative or with whom you have a close personal relationship; nor should you attempt to influence such decisions.

6.4 Senior officers (i.e. Head of Service and above) must disclose to the Head of Law and Democracy any relationship known to exist between them and any person they know who is a candidate for an appointment with the Council.

6.5 If you apply for promotion or are seeking another job in the Council, you must not approach any Councillor for a reference. Issues relating to your conditions of service, working arrangements or grading should be raised with your manager or supervisor and not with Councillors.

7. Outside Commitments

- 7.1 Your off-duty hours are your own concern, but you should make sure that you do not allow yourself to get into a position where your private interests come into conflict with your contractual obligations or are detrimental to the interests or reputation of the Council.
- 7.2 Employees subject to Green Book conditions and paid from Spinal Point 29 are required to devote their whole-time service to the work of the Council and obtain written consent before taking any outside employment. The Council will not unreasonably stop Officers from undertaking additional employment, but this employment must not, in the Council’s view, conflict with or be detrimental to its interests, or weaken public confidence in the conduct of its business.
- 7.3 Even if you are not subject to the Green Book provisions you should ensure that none of your outside activities are detrimental to the Council’s interests.
- 7.4 If you write a book or article for payment on subjects relating to your work for the Council, you must seek the permission of the Council through your manager or supervisor. The general presumption would be that any fee or royalty payable would be passed over to the Council.
- 7.5 You must not undertake private or personal work of any description in working hours or in the office unless you have been given specific permission by your manager or supervisor.
- 7.6 Private use of Council facilities and equipment, such as stationery and fax machines, is not allowed. Personal use of the telephone is permitted within reason, provided that calls are properly logged and charges paid back to the Council. Also, you should not arrange to receive correspondence, telephone calls and fax messages in the office related to outside work or private interests.

8. Personal Interests

- 8.1 You must declare to your manager or supervisor any financial or non-financial interests which could bring about conflict with the Council’s interests.
- 8.2 If you are in any doubt about a potential conflict of interest, you should bring the matter to the attention of your manager or supervisor so that a decision can be made as to how best to proceed.

- 8.3 You must not make, or become involved with any official or professional decisions about matters in which you have a personal interest.
- 8.4 Section 117 of the Local Government Act 1972 requires you to make a formal declaration about contracts or personal contracts with the Council in which you have a pecuniary interest. Such declarations should be sent to the Head of Law and Democracy. It is a criminal offence to fail to comply with this provision which is set out in full at *Annex A*.
- 8.5 You must declare to the Head of Law and Democracy *membership of any organisation* not open to the public, requiring any commitment of allegiance, or which has secrecy about rules or membership or conduct, for example, the freemasons. A definition of such an organisation appears at *Annex B*. Such declarations should be sent to the Head of Law and Democracy.

9. Equality

- 9.1 All members of the local community, customers and other Council employees have a right to be treated fairly and equally. You should become familiar with and observe all Council policies relating to equality issues, e.g. the Council’s Equal Opportunities Policy, in addition to the requirements of the law.

10. Tendering Procedures

- 10.1 Employees involved in the tendering process or who have any other official relationship with contractors, must exercise fairness and impartiality when dealing with all customers, suppliers, other contractors and sub-contractors.
- 10.2 If you are responsible for engaging or supervising contractors and have previously had, or currently have, a relationship in a private or domestic capacity with contractors, you must declare that relationship to your manager or supervisor.
- 10.3 If you become privy to confidential information on tenders or costs relating either to internal or external contractors, you must not disclose that information to any unauthorised person.
- 10.4 All employees must ensure that no special favour is shown to current, or recent former, employees or their partners, close relatives or associates in awarding contracts to businesses run by them or employing them in any capacity.

11. Corruption

- 11.1 Employees must be aware that it is a serious criminal offence under the Bribery Act 2010 for them to receive or give any gift, loan or reward or advantage in their official capacity “for doing, or not doing, anything”, or “showing favour, or disfavour to any person”. If an allegation is made against you, it will be for you to demonstrate that any such rewards have not been corruptly obtained. The relevant statutory rules appear at *Annex C*.
- 11.2 For your own protection, if anyone makes an approach to you which seems to you, or might seem to a third party, to be aimed at obtaining some form of preferential treatment, or in any suspicious circumstances in connection with a contract, you must report the matter to your Chief Officer.

12. Possible Inducements

12.1 Introduction

A potential source of conflict between public and private interests is the offer of gifts, hospitality or benefits in kind to employees in connection with their official duties. It is important to avoid any suggestion of improper influence. There is a checklist to help you at the end of this section.

12.2 Gifts Generally

- 12.2.1 Casual gifts offered to employees by contractors, organisations, firms or individuals may not be intended as an inducement or connected in any way with the performance of your official duties so as to involve the Bribery Act 2010. Nevertheless, with the exceptions listed below, you should decline any personal gift offered to you or your partner, or to a member of your family, by any person or organisation having dealings with the Council.
- 12.2.2 Any such offer should be reported to your manager or supervisor (or to the Head of Law and Democracy if you are a Chief or Deputy Chief Officer).
- 12.2.3 When a gift needs to be refused, this should be done with tact and courtesy, because the offer of gifts is common custom and practice in the commercial world, particularly at Christmas time. If the gift is simply delivered to your place of work, there may be a problem returning it, in which case it should be reported immediately to your manager or supervisor or the Head of Law and Democracy as appropriate.

12.3 Gifts to Employees with a Caring Role

PART 5 | SECTION 7 – OFFICERS’ CODE OF CONDUCT

- 12.3.1 There are sometimes special problems encountered by employees who have a “caring” role, or provide a direct personal service to vulnerable people.
- 12.3.2 It is not unusual for residents of residential care homes, or for people receiving support at home from Council employees, or their relatives to wish to express their thanks and gratitude to care staff by offering gifts, money or even, exceptionally, by making an employee a beneficiary in their Will.
- 12.3.3 It is most important in such situations that employees and the Council are protected from any suggestion of improper motives or conduct. For the avoidance of doubt, therefore, members of staff and their families are not allowed to accept gifts or legacies from clients.
- 12.3.4 If you are made aware that a client is considering making a gift to you or including you in their Will, or has actually done so, then you should immediately report the matter to your Manager who will take it up with the client.
- 12.3.5 Similarly, you should never become involved with making Wills for clients nor act as an Executor in a client’s Will.
- 12.3.6 For the purposes of this section of the Code “client” means any current or former client.

12.4 Exceptions

- 12.4.1 Gifts of a token value given at Christmas, such as calendars, diaries, blotters, pens or other simple items of office equipment for use in Council offices, but only if it bears the company’s name or insignia.
- 12.4.2 Gifts of a promotional nature on the conclusion of a courtesy visit to a factory or company offices, of a sort normally given by the company to visitors.

12.5 Hospitality

- 12.5.1 Offers of hospitality are a normal part of the courtesies of business life but in the public service it is important for employees to avoid creating an appearance of improper influence, thus undermining public confidence.
- 12.5.2 Hospitality is sometimes offered to representatives of the Council in an official or formal capacity. Normally the only Officers who would attend would be Chief Officers and appropriate Heads of Service.

- 12.5.3 If hospitality is offered to you as an individual employee, special caution is needed, particularly when the host is seeking to do business with the Council or to obtain a decision from it. You must exercise the utmost care in dealing with contractors, developers, etc., who may stand to benefit from the goodwill of the Council.
- 12.5.4 You should also be careful about attending exhibitions, seminars or visiting manufacturers, etc. There is an increasing trend towards linking such visits to, for example, a major sporting event, show or concert with a view to legitimising offers of hospitality.
- 12.5.5 In general terms, it is more likely to be acceptable for you to join in hospitality offered to a group, than to accept something unique to yourself. When a particular person or body has a matter currently in issue with the Council, for example, an arbitration arising from a contract, then clearly common sense dictates that offers of hospitality should be refused even if in normal times they would be acceptable.
- 12.5.6 All offers of hospitality should be reported to your Chief Officer, or to the Head of Law and Democracy if you are a Chief Officer or Deputy Chief Officer.

12.6 Checklist

The question in all these cases is one of judgement, and the following checklist of queries should help you to decide whether a gift or an offer of hospitality should be accepted or tactfully declined.

- 12.6.1 Is the donor, or event, significant in the community or area? If so, is the refusal likely to cause offence?
- 12.6.2 Are you expected to attend because of your position in the community or area?
- 12.6.3 Will the event be attended by others of a similar standing in the community or in other communities?
- 12.6.4 What do you think is the motivation behind the invitation?
- 12.6.5 Would acceptance of the invitation be, in any way, inappropriate or place you under pressure in relation to any current or future issue involving the Council?
- 12.6.6 Could you justify the decision to the Council, press and public?

PART 5 | SECTION 7 – OFFICERS’ CODE OF CONDUCT

- 12.6.7 Is the extent of the hospitality, or the nature of the gift reasonable and appropriate?
- 12.6.8 Are you likely to be expected to respond to the hospitality, and if so, how?
- 12.6.9 Are you comfortable about the decision?

13. Sponsorship – Giving and Receiving

- 13.1 Where an outside organisation wishes to sponsor or is seeking to sponsor a local government activity, whether by invitation, tender, negotiation or voluntarily, the basic conventions concerning acceptance of gifts or hospitality apply. Particular care must be taken when dealing with contractors or potential contractors.
- 13.2 Where the Council wishes to sponsor an event or service, neither an employee nor any partner, spouse or relative must benefit from such sponsorship in a direct way without there being full disclosure to their Chief Officer of any such interest. Similarly, where the Council through sponsorship, grant aid, financial or other means, gives support in the community, employees should ensure that impartial advice is given and that there is no conflict of interest involved.

14. Financial Procedure Rules

- 14.1 All employees involved in financial activities and transactions on behalf of the Council, including budgetary control, payments of accounts, payments of salaries and wages, petty cash and orders for works, goods or services must follow the Council’s Financial Procedure Rules.
- 14.2 They must ensure that they use public funds entrusted to them in a responsible and lawful manner. They should strive to ensure value for money to the local community and to avoid legal challenge to the authority.

**Any breaches of these instructions may lead to disciplinary
Action and could lead to dismissal.**

PART 5 | SECTION 8 - CONFIDENTIAL REPORTING ("WHISTLEBLOWING") CODE

1. SECTION 8 – CONFIDENTIAL REPORTING ("WHISTLEBLOWING") CODE

Introduction

- 1.1 This is the Council's Policy intended to encourage and enable employees to raise concerns within the Council without fear of victimisation, subsequent discrimination or embarrassment. It reflects the Council's commitment to good practices, to valuing staff and setting continuous improvement in service delivery.
- 1.2 Employees are often the first to realise that there may be something seriously wrong within the Council. However, they may not express their concerns because they feel that speaking up would be disloyal to their colleagues or to the Council. They may also fear harassment or victimisation. In these circumstances it may be easier to ignore the concern rather than report what may just be a suspicion of malpractice
- 1.3 The Council is committed to the highest possible standards of openness, probity and accountability. In line with that commitment we expect employees, and others that we deal with, who have serious concerns about any aspect of the Council's work to come forward and voice those concerns. Wherever possible, employees are encouraged to use relevant Council procedures to report issues in an open and transparent way, because that is the type of organisational culture we are trying to foster. It is recognised, however, that some cases will have to proceed on a confidential basis.
- 1.4 This document makes it clear that you can do so without fear of victimisation, subsequent discrimination or disadvantage. The Confidential Reporting Code is intended to encourage and enable employees to raise serious concerns within the Council rather than overlooking a problem or 'blowing the whistle' outside.
- 1.5 The Code applies to all employees and those contractors working for the Council on Council premises, for example, agency staff, builders and drivers. It also covers suppliers and those providing Services under a contract within the Council in their own premises, for example, care homes. The Council will seek to ensure that as part of its procurement processes, this code is brought to the attention of such external contractors, suppliers and services providers (described in this code as "Contractors").
- 1.6 These procedures are in addition to the Council's complaints procedures and other statutory reporting procedures applying to some Services. If asked, employees should make service users aware of the existence of these procedures.

PART 5 | SECTION 8 - CONFIDENTIAL REPORTING ("WHISTLEBLOWING") CODE

1.7 This Code has been discussed with the relevant trade unions and professional organisations and has their support.

2. Aims and Scope of the Code

2.1 This code aims to:

2.1.1 Encourage you to feel confident in raising serious concerns and to question and act upon concerns about practice.

2.1.2 Provide avenues for you to raise those concerns and receive feedback on any action taken.

2.1.3 Ensure that you receive a response to your concerns and that you are aware of how to pursue them if you are not satisfied.

2.1.4 Reassure you that you will be protected from possible reprisals or victimisation.

2.2 There are existing procedures in place to enable you to lodge a grievance relating to your own employment or you consider that you are being harassed due to your race, sex or age, or if you are concerned about health and safety risks. The Confidential Reporting Code is intended to cover major concerns that fall outside the scope of other procedures.

2.3 These include:

2.3.1 conduct which is an offence or a breach of law;

2.3.2 disclosures related to miscarriages of justice;

2.3.3 health and safety risks, including risks to the public as well as other employees;

2.3.4 damage to the environment;

2.3.5 the unauthorised use of public funds;

2.3.6 possible fraud and corruption;

2.3.7 sexual or physical abuse of clients;

2.3.8 any attempt to prevent disclosure of any of the above;

2.3.9 other unethical conduct.

2.3.10 Thus, any serious concerns that you have about any aspects of service provision or the conduct of officers or members of the Council or others acting on behalf of

PART 5 | SECTION 8 - CONFIDENTIAL REPORTING ("WHISTLEBLOWING") CODE

the Council can be reported under the Confidential Reporting Code.

2.4 This may be about something that:

2.4.1 makes you feel uncomfortable in terms of known standards, your experience or the standards you believe the Council subscribes to;

2.4.2 is against the Council's Constitution and policies;

2.4.3 falls below established standards of practice;

2.4.4 amounts to improper conduct.

3. Safeguards

3.1 The Council is committed to good practice and high standards and wants to be supportive of employees.

3.2 The Council recognises that the decision to report a concern can be a difficult one to make. If you believe what you are saying is true and the statement is made in good faith, you should have nothing to fear because you will be doing your duty to your employer and those for whom you are providing a service.

3.3 The Council will not tolerate any harassment or victimisation, including informal pressures, and will take appropriate action to protect you when you raise a concern in good faith. This action will depend on the type of concern and specific service arrangements. On very rare occasions, you may be asked whether you would be prepared to obtain further information.

3.4 This would be entirely at your discretion and a full risk assessment would be completed, prior to such a course of action being agreed.

3.5 Any investigation into allegations of potential malpractice will not influence or be influenced by any disciplinary or redundancy procedures that already affect you.

4. Confidentiality

4.1 All concerns will be treated in confidence and every effort will be made not to reveal your identity if you so wish. Any breach of confidentiality will be regarded as a serious matter and will be dealt with accordingly. At the appropriate time, however, you may need to come forward as a witness. If you wish to be supported by a representative of your choice, then this would be available to you.

PART 5 | SECTION 8 - CONFIDENTIAL REPORTING ("WHISTLEBLOWING") CODE

5. Anonymous Allegations

- 5.1 This Code encourages you to put your name to your allegation whenever possible.
- 5.2 Concerns expressed anonymously are much less powerful but will be considered at the discretion of the Council.
- 5.3 In exercising this discretion, the facts to be taken into account would include:
 - 5.3.1 the seriousness of the issues raised;
 - 5.3.2 the credibility of the concern; and
 - 5.3.3 the likelihood of confirming the allegation from attributable sources.

6. Untrue Allegations

- 6.1 If you make an allegation in good faith, but it is not confirmed by the investigation, no action will be taken against you. If, however, you make an allegation frivolously, maliciously or for personal gain, disciplinary action may be taken against you.

7. How to Raise a Concern

This procedure applies to Council employees and contractors.

- 7.1 As a first step, you should normally raise concerns with your immediate line manager or their superior. This depends, however, on the seriousness and sensitivity of the issues involved and who is suspected of the malpractice. For example, if you believe that senior management is involved, you should approach the Chief Executive, the Head of Law and Democracy or, the Head of Finance, Revenues and Benefits.
- 7.2 Concerns may be raised verbally or in writing. Staff who wish to make a written report are invited to use the following format:
 - 7.2.1 the background and history of the concern, giving relevant dates;
 - 7.2.2 the reason why you are particularly concerned about the situation.
- 7.3 Although you are not expected to prove beyond doubt the truth of an allegation, you will need to demonstrate to the person contacted that there are reasonable grounds for your concern.
- 7.4 Advice/guidance on how to pursue matters of concern may be obtained from the Head of

PART 5 | SECTION 8 - CONFIDENTIAL REPORTING ("WHISTLEBLOWING") CODE

Finance Senior Auditor.

- 7.5 Alternatively, you may wish to seek advice from a person independent of the Council. In this case you should contact the Council's External Auditors. You may wish to consider discussing your concern with a colleague first and you may find it easier to raise the matter if there are two or more of you who have had the same experience or concerns.
- 7.6 You may invite your trade union, professional association representative or a friend to be present during any meetings or interviews in connection with the concerns you have raised.

8. How the Council will Respond

- 8.1 The Council will respond to your concerns. Do not forget that testing out your concerns is not the same as either accepting or rejecting them.
- 8.2 Where appropriate, the matters raised may:
- 8.2.1 be investigated by management, internal audit, or through the disciplinary process;
 - 8.2.2 be referred to the police;
 - 8.2.3 be referred to the external auditor;
 - 8.2.4 form the subject of an independent inquiry.
- 8.3 In order to protect individuals and those accused of misdeeds or possible malpractice, initial enquiries will be made to decide whether an investigation is appropriate and, if so, what form it should take. The overriding principles, which the Council will have in mind, are your well-being and the public interest. Concerns or allegations that fall within the scope of specific procedures (for example, child protection or discrimination issues) will normally be referred for consideration under those procedures.
- 8.4 Some concerns may be resolved by agreed action without the need for investigation. If urgent action is required this will be taken before any investigation is conducted.
- 8.5 Within ten working days of a concern being raised, the person with whom you have raised your concerns will write to you:
- 8.5.1 acknowledging that the concern has been received;
 - 8.5.2 indicating how we propose to deal with the matter;

PART 5 | SECTION 8 - CONFIDENTIAL REPORTING ("WHISTLEBLOWING") CODE

- 8.5.3 giving an estimate of how long it will take to provide a final response;
 - 8.5.4 telling you whether any initial enquiries have been made;
 - 8.5.5 supplying you with information on staff support mechanisms; and
 - 8.5.6 telling you whether further investigations will take place and if not, why not.
- 8.6 The amount of contact between the Officers considering the issues and you will depend on the nature of the matters raised, the potential difficulties involved and the clarity of the information provided. If necessary, the Council will seek further information from you.
- 8.7 However, should this further information need to be gleaned by you, from another person, without them being made aware of your involvement in the confidential reporting process, specific procedures will need to be applied.
- 8.8 Should a manager believe that this additional information may assist the enquiry, and that the information can only be obtained by you, no action will be taken until the matter has been referred to the Head of Law and Democracy, for a decision to be made as to whether such a course of action is both necessary and proportionate.

Important

- 8.9 Managers must not, under any circumstances, ask an individual to obtain further information covertly, from another person, without following this procedure. Failure to do so may infringe Human Rights and render the Council liable to legal action.
- 8.10 Where any meeting is arranged, off-site if you so wish, you can be accompanied by a union or professional association representative or a friend.
- 8.11 The Council will take steps to minimise any difficulties which you may experience as a result of raising a concern. For instance, if you are required to give evidence in criminal or disciplinary proceedings the Council will arrange for you to receive advice about the procedure.
- 8.12 The Council accepts that you need to be assured that the matter has been properly addressed. Thus, subject to legal constraints, we will inform you of the outcome of any investigation.

9. The Responsible Officer

- 9.1 Corporate Directors and their senior staff who receive concerns will copy the initial complaint

**PART 5 | SECTION 8 - CONFIDENTIAL REPORTING ("WHISTLEBLOWING")
CODE**

to the Head of Law and Democracy, and keep that Officer informed of the progress and outcome of the investigation. The Head of Law and Democracy has overall responsibility for the maintenance and operation of the Code. That Officer will maintain a record of concerns raised and the outcomes (but in a form which does not endanger your confidentiality) and will report as necessary to the Council.

10. How the Matter can be Taken Further

- 10.1 This Code is intended to provide you with an avenue within the Council to raise concerns. The Council hopes you will be satisfied with any action taken. If you are not, and if you feel it is right to take the matter outside the Council, the following are possible contact points:
- 10.1.1 The Council's external auditors:
 - 10.1.2 your local Citizens' Advice Bureau
 - 10.1.3 relevant professional bodies or regulatory organisations
 - 10.1.4 a relevant voluntary organisation
 - 10.1.5 the police
- 10.2 If you do take the matter outside the Council, you should ensure that you do not disclose confidential information. Check with the contact point about that.

1. SECTION 9 – LOCAL CODE OF CORPORATE GOVERNANCE

1.1 Principle 1: Focussing on the Council’s Purpose and Community Needs

- 1.1.1 The Council will exercise strategic leadership by developing a clear vision and purpose, identifying intended outcomes and ensuring that these are clearly communicated to all stakeholders of the organisation, both internal and external. In doing so, the Council will report regularly on its activities and achievements, and its financial position and performance. The Council will publish annually:
- (a) The Corporate Strategy and Annual Report, including externally verified performance information;
 - (b) Directorate and Service Plans;
 - (c) The Statement of Accounts, incorporating the Annual Governance Statement.
- 1.1.2 In addition, the Council will keep its corporate strategies, objectives and priorities under constant review, so as to ensure that they remain relevant to the needs and aspirations of the community.
- 1.1.3 In undertaking all its activities, the Council will aim to deliver high quality services which meet the needs of service users. Delivery may be made directly, in partnership with other organisations or by a commissioning arrangement. Measurement of service quality will also be a key feature of service delivery. In addition, the Council will aim to ensure that tax payers and service users receive excellent value for money, and the Council will therefore continue to review this.
- 1.1.4 The Council will also seek to address any concerns or failings in service failure by adhering to and promoting its Complaints and Feedback Procedure.

1.2 Principle 2: Having Clear Responsibilities and Arrangements for Accountability

- 1.2.1 To ensure accountability, the Constitution determines the roles and responsibilities of the Council’s functions.
- 1.2.2 In particular, the Council’s Constitution:
- (a) clearly defines the statutory roles of Head of Paid Service, Section 151 Officer and Monitoring Officer;

- (b) sets out a protocol to address the working relationship between the Leader and the Chief Executive which enables each to fulfil their respective roles;
- (c) ensures that a constructive working relationship exists between Members and Officers and that the responsibilities of Members and Officers are carried out to a high standard;
- (d) includes schemes of member and officer delegations;
- (e) includes protocols for partnership working that help to ensure that responsibilities are clearly defined and that relationships work effectively for the benefit of service users;
- (f) requires appropriate governance arrangements for partnerships, which define the legal status of the entity and also the extent to which decisions taken by the partnership will be binding for each organisation;
- (g) will be reviewed annually.

1.3 Principle 3: Good Conduct and Behaviour

1.3.1 The Council will conduct its activities in a manner which promotes high ethical standards and good behaviour and will ensure that its Members and Officers exercise leadership by behaving in ways that exemplify high standards of conduct and effective governance. The following policies and protocols have been established and will be kept under review to assist the Council in fostering this culture:

- (a) Member Code of Conduct
- (b) Officer Code of Conduct
- (c) Employee Code of Conduct
- (d) Protocol on Officer/Member Relations
- (e) Whistleblowing Policy

1.3.2 The aim is to develop a set of shared values which will underpin an ethos of good governance. This will be further supported by compliance with legalisation and all relevant professional standards.

1.3.3 The Council has also established a Policy, Finance and Development Committee to discharge its responsibilities for promoting and maintaining high standards of

Member conduct.

1.3.4 Where the Council works in partnership it will continue to uphold its own ethical standards, as well as acting in accordance with the partnership's shared values and aspirations.

1.4 Principle 4: Informed, Transparent Decision Making and Managing Risk

1.4.1 The Council observes this principle through the:

- (a) Establishment of an effective scrutiny function;
- (b) Recording of all decisions taken and the reasons for those decisions;
- (c) Maintenance of registers to record potential conflicts of interest'
- (d) Operation of the Policy, Finance and Development Committee;
- (e) Existence of an effective and transparent complaints and feedback procedure;
- (f) Provision of timely and relevant information to all interested parties;
- (g) Involvement of proper professional legal and/or financial expertise to inform decision-making;
- (h) Existence of an embedded risk management culture;
- (i) Existence of effective whistle blowing procedures;
- (j) Observation of all specific legislative requirements placed upon the Council.

1.4.2 The Council has established a scrutiny framework that will ensure policies and decisions are made which reflect the Council's strategic objectives and priorities. Members will be supported in decision making by ensuring that they are properly informed of all legal and resource considerations.

1.4.3 Risk management processes within the Council will be maintained so as to ensure that the risk and impact of decisions can be fully assessed.

1.5 Principle 5: Developing Skills and Capacity

1.5.1 The Council is continually seeking to develop the capacity and capability of both its members and officers in recognition that the people who direct and control the organisation must have the right skills to do so. This is achieved through a

commitment to training and development, as well as recruiting people with the right balance of knowledge and experience.

1.5.2 The Council will achieve this by:

- (a) Operating Member and employee induction programmes and identifying personal development needs;
- (b) Providing career structures to encourage development;
- (c) Investing in Member and Officer training and development;
- (d) Maintaining an effective performance management system;
- (e) Encouraging a wide variety of individuals to participate in the work of the Council.

1.6 Principle 6: Engaging Stakeholders to Ensure Robust Accountability

1.6.1 The Council will seek the views of its stakeholders and respond appropriately. The Council will achieve this by:

- (a) publishing an annual Statement of Accounts and Annual Report to inform stakeholders and services users of the previous year's achievements and outcomes;
- (b) producing plans for service delivery within the community;
- (c) clearly identifying its stakeholders, in order to ensure that relationships with these groups continue to be effective;
- (d) maintaining effective and clear channels of communication which reach all groups within the community and other stakeholders as well as offering a range of consultation methods;
- (e) producing an annual report on the performance of the scrutiny function;
- (f) providing a variety of opportunities for the public to engage effectively with the Council including attending meetings;
- (g) ensuring partnership arrangements demonstrate clear, appropriate governance accountabilities;
- (h) presenting itself in an open and accessible manner to ensure that council matters are dealt with transparently, in so far as the need for confidentiality

allows;

- (i) developing an internal communication policy which will outline how staff and their representatives are consulted and involved in decision-making.

2. Monitoring, Review and Reporting

- 2.1 The Policy, Finance and Development Committee is responsible for monitoring and reviewing the Council's corporate governance arrangements. The Committee has various powers and responsibilities in relation to audit and governance issues, as detailed in the Constitution.
- 2.2 The Policy, Finance and Development Committee promotes and maintains high standards of conduct by councillors and co-opted members of the Council. The Committee also assists Councillors to observe the Members' Code of Conduct and provides advice to the Council on issues relating to Member/Officer relations.
- 2.3 The Council is required to annually review the effectiveness of its system of internal controls. This review will seek to:
 - 2.3.1 Identify principal risks to the achievement of council objectives;
 - 2.3.2 Identify and evaluate key controls to manage principal risks;
 - 2.3.3 Obtain assurances of the effectiveness of key controls;
 - 2.3.4 Evaluate assurances and identify gaps in control/assurances.

3. The Annual Governance Statement

- 3.1 Following the annual review of the Council's governance arrangements and system of internal control, an Annual Governance Statement (AGS) will be published as part of the Council's Statement of Accounts.
- 3.2 Action plans will be drawn up in response to any significant control weakness identified in the AGS. A follow up process will be overseen by the Policy, Finance and Development Committee to ensure continuous improvement of the system of corporate governance.

1. SECTION 10 – PLANNING CODE OF CONDUCT

This Code of Practice supplements the Council’s Code of Conduct for Members and where appropriate Members should refer to the Code of Conduct which is set out in the Council’s Constitution. The Monitoring Officer’s advice may be sought on the interpretation of the Code of Conduct or this Code.

2. Introduction

- 2.1 Planning affects land and property interests, including the financial value of land and the quality of their settings. It is not an exact science. It is often highly contentious because decisions affect the daily lives of everyone and the private interests of members of the public, landowners and developers. Opposing views are often strongly held by those involved. A key role of the planning process is balancing the needs and interests of individuals and the community.
- 2.2 The planning system can only function effectively if there is trust among those involved. There must be trust between Members and Officers and between the public and the Council. The Third report of the Committee on Standards in Public Life (the Nolan Committee) (1997) recommended that each local authority’s practices and procedures were set out in a local code of planning conduct to avoid allegations of malpractice in the operation of the planning system.
- 2.3 The general principles that underlie the Council’s Code of Conduct for Members and apply to this Code of Practice are:
 - 2.3.1 Members should serve only the public interest and should never improperly confer an advantage or disadvantage on any person.
 - 2.3.2 Members should not place themselves in situations where their honesty or integrity may be questioned.
 - 2.3.3 Members should make decisions on merit.
 - 2.3.4 Members should be as open as possible about their actions and those of their authority, and should be prepared to give reasons for those actions.
 - 2.3.5 Members may take account of the views of others but should reach their own conclusions on the issues before them and act in accordance with those conclusions.

- 2.3.6 Members should respect the impartiality and integrity of Officers.
- 2.4 The Council is committed to open, fair and transparent decision-making. Planning decisions should be made impartially, with sound judgement and for justifiable reasons.
- 2.5 This Code of Practice sets out practices and procedures that Members and Officers of the Council shall follow when involved in planning matters. Planning matters include the consideration of planning applications, the preparation of Local Plans and other planning policy and the enforcement of planning control.
- 2.6 Failure to follow this Code without good reason could be taken into account in investigations into possible maladministration against the Council, or have implications for the position of individual elected members and officers. Breaches of this Code may also amount to breaches of the Council's Code of Conduct for Members. If in doubt about what course of action to take, a member or officer should seek the advice of the Council's Monitoring Officer.
- 2.7 This Code of Practice sets out principles to guide members and officers in determining planning applications and making other decisions within the terms of reference of Development Control Committee. Although of particular relevance to members of Development Control Committee it applies to all members of the Council who may become involved in planning and development matters.

3. The Role and Conduct of Members and Officers

- 3.1 Members and Officers have different, but complementary roles. Both serve the public but Members are responsible to the electorate, while Officers are responsible to the Council as a whole.
- 3.2 The role of a member of the Development Control Committee is to make planning decisions openly, impartially, with sound judgement and for justifiable reasons.
- 3.3 Whilst Members have a special duty to their ward constituents, including those who did not vote for them, their overriding duty is to the whole community. This is particularly pertinent to Members involved in making a planning decision. A key role of the planning system is the consideration of development proposals against the wider public interest.
- 3.4 Members' decisions shall not discriminate in favour of any individuals or groups and, although they may be influenced by the opinions of others, they alone have the responsibility to decide what view to take. Members must, therefore, consider all of the

PART 5 | SECTION 10 - PLANNING CODE OF CONDUCT

material issues in the light of Local Plan policies, Government advice and their own individual judgement and make a decision in the interests of the area as a whole.

- 3.5 Whilst Members should take account of all views expressed, they shall not favour any person, company, group or locality, nor put themselves in a position where they appear to do so.
- 3.6 Officers who are Chartered Town Planners are guided by the Royal Town Planning Institute's (RTPI) Code of Professional Conduct. Breaches of that code may be subject to disciplinary action by the Institute.
- 3.7 Officers in their role of advising Members shall provide:
 - 3.7.1 Impartial and professional advice;
 - 3.7.2 Consistency of interpretation of planning policy; and
 - 3.7.3 Complete written reports covering all necessary information for a decision to be made.
- 3.8 The Council endorses the statement in the RTPI code that, 'RTPI members shall not make or subscribe to any statements or reports which are contrary to their own professional opinions', and extends it to apply to all officers in the authority advising on planning matters.
- 3.9 That the Council may not always follow the advice of their professional planning officers is perfectly proper. The professional officer too, may have a change of opinion, but this must be on the basis of professional judgement, and not because an authority, its Members or other Officers, have prevailed upon the Officer to put forward his or her professional view as something other than it really is. If the Development Control Committee is minded to refuse or grant an application contrary to Officer recommendation, it should consider whether to defer the application to the next available Committee, before making the final decision. This will allow Members to obtain further legal advice on the proposed reasons for acting contrary to the recommendation based on material planning considerations. If such a decision is made it must be clearly minuted, expressed clearly and be based upon sound planning reasons supported by evidence.
- 3.10 The Council shall have a designated head of the planning service, who is qualified for election to membership of the RTPI and who has direct access to elected members as their professional adviser on planning matters. A superior officer shall not have the power to overrule the professional advice of the head of the planning service.

PART 5 | SECTION 10 - PLANNING CODE OF CONDUCT

- 3.11 Officers shall follow the guidance on their standards of conduct as set out in the Code of Conduct for Employees in the Council's Constitution and any National Code of Conduct for Local Government Officers issued by the Secretary of State under Section 82 Local Government Act 2000.
- 3.12 Members shall follow the advice in the Member's Code of Conduct about accepting gifts and hospitality. Members should treat with extreme caution any offer which is made to them personally; the normal presumption should be that such offers must be courteously declined. Similarly, officers shall politely decline offers of hospitality from people with an interest in a planning proposal. If receipt of hospitality is unavoidable, Officers shall ensure it is of a minimal level and declare it in the hospitality book as soon as possible.

4. Interests of Members

- 4.1 Where members have interests which may be thought likely to influence their decision, the fact should be declared at the meeting.
- 4.2 Where the interest is such that members of the public may feel that the member will not be able to approach matters with an open mind and consider the application on its planning merits, members should consider withdrawing from the Committee for that item.
- 4.3 These principles apply equally to members who are not members of the Development Control Committee. Members who have such interests should consider whether it is appropriate for them to participate in the planning process, and in any event, should declare such interest at any meeting which they may attend or in any letter which they may write.
- 4.4 Members should seek guidance from officers.
- 4.5 Members of the Development Control Committee and Officers who attend the Development Control Committee regularly should complete the Annual Return required for this purpose.
- 4.6 The Code of Conduct for Members provides guidance as to personal and prejudicial interests which may affect a member's ability to take part in the decision-making process. However, members may have other interests which may influence their decision which will not amount to personal or prejudicial interests for the purposes of the Code. In order to maintain the integrity of the planning system, members should be careful to ensure that such interests do not unduly influence their decisions. Examples of such interests are:
- 4.6.1 from ward concerns;
 - 4.6.2 from membership of other Committees of the Council;

- 4.6.3 from membership of other public or community bodies;
- 4.6.4 from membership of voluntary associations and trusts (including where appointed by the Council);
- 4.6.5 from a connection with a particular policy initiative of the Council;
- 4.6.6 from membership of clubs, societies and groups; and
- 4.6.7 from hobbies and other leisure interests.

Such interests may mean that a Member is involved with a planning application before the matter comes before the Development Control Committee. Such involvement need not on its own debar a member from participating in making the planning decision when the matter is considered by the Development Control Committee providing that the member has not already decided how they will vote on the matter before the Committee. Members should, however, always consider carefully whether in any particular case they could reasonably be seen to approach the planning merits of the application with an open mind. If the member considers that this is not possible, the member should withdraw from consideration of that item.

- 4.7 As a minimum, the integrity of the planning system requires openness on the part of members; it must operate fairly and be seen to operate fairly.

5. Development Proposed by the Council or a Council-Owned Company

- 5.1 Planning legislation allows the Council to submit and determine proposals for development that it proposes to carry out itself. Council owned companies also submit proposals that are decided by the Council.
- 5.2 Proposals submitted by the Council or a Council owned company shall be considered in the same way as those by private developers.
- 5.3 Members of the Development Control Committee who sit on the board of a Council owned company which has submitted a planning proposal shall declare a personal and prejudicial interest and take no part in the discussion and determination of that proposal, except where they are the local Member when they may speak on matters of local concern but shall not vote.
- 5.4 Officers who are involved in the preparation of development proposals shall not advise on, or take any part in the consideration of, planning applications in respect of such proposals.

6. Statutory Duties

The Council is also subject to a number of statutory duties which it must comply with when carrying out its statutory functions. These will apply to the planning function except when such matters are clearly immaterial because they are not capable of relating to the use of development land. Examples of these duties include:

6.1 Equality Act 2010

Section 149 provides that:

6.1.1 A Council must, in the exercise of its functions, have due regard to the need to:

- (a) eliminate discrimination, harassment, victimisation and any other conduct which is prohibited by or under the Equality Act 2010;
- (b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;
- (c) foster good relations between persons who share a protected characteristic and persons who do not share it.

6.1.2 The above powers relate to the following protected characteristics:-

- (a) Ages;
- (b) Disability;
- (c) Gender reassignment;
- (d) Marriage and civil partnership;
- (e) Pregnancy and maternity;
- (f) Race (including colour, nationality and ethnic or national origins);
- (g) Religion or belief;
- (h) Sex; or
- (i) Sexual orientation.

6.2 Human Rights

Section 6(1) of the Human Rights Act 1998 provides that:

“It is unlawful for a public authority to act [or fail to act] in a way which is incompatible with a Convention right.”

6.3 Best Value

Section 3(1) of the Local Government Act 1999 provides that:

“A best value authority must make arrangements to secure continuous improvement in the way in which its functions are exercised, having regard to a combination of economy, efficiency and effectiveness.”

6.4 Crime and Order

Section 17(1) of the Crime and Disorder Act 1998 provides that:

“Without prejudice to any other obligation imposed on it, it shall be the duty of a [local authority] to exercise its various functions with due regard to the likely effect of the exercise of those functions on, and the need to do all that it reasonably can to prevent, crime and disorder in its area.”

7. Lobbying of and by Members

- 7.1 Lobbying is a normal and proper part of the political process. The applicant, supporters or those who may be affected by a proposal will often seek to influence the decision by an approach to their local member or members of the Development Control Committee. However, reacting to lobbying can lead to the impartiality of a Member being called into question and require that Member to declare an interest.
- 7.2 The information provided by lobbyists is likely to represent an incomplete picture of the relevant considerations in respect of a planning matter. The views of consultees, neighbours and the assessment of the case by the planning officer all need to be considered before a Member is in a position to make a balanced judgement on the merits of the case. Members should provide officers with copies of any lobbying material they may have received, whether in favour or against a proposal.
- 7.3 The time for individual Members of the Development Control Committee to make a decision on a proposal is at the Committee meeting when all available information is to hand and has been duly considered.
- 7.4 A Development Control Committee member shall be free to listen to a point of view about a planning proposal and to provide procedural advice (in particular referring the person to officers). Even though they may agree with a particular view, Development Control Committee members should take care about expressing an opinion indicating they have made up their mind before the decision-making meeting. To do so, without all the relevant

PART 5 | SECTION 10 - PLANNING CODE OF CONDUCT

information and views, would be unfair and prejudicial. A decision is at risk of being challenged if members do not retain open minds and are not genuinely susceptible to persuasion at the decision-making meeting. Members who are lobbied should:

- 7.4.1 make clear that they reserve their final decision on a proposal until the Committee meeting;
 - 7.4.2 only give procedural advice;
 - 7.4.3 consider referring those lobbying to the relevant Officer who can provide further advice; and
 - 7.4.4 not seek to meet an applicant or potential applicant alone.
- 7.5 Members of the Development Control Committee shall not, in general, organise support or opposition for a proposal, or lobby other Members (other than when addressing the Development Control Committee). Members shall not put improper pressure on officers for a particular recommendation.
- 7.6 The local Member who is not a member of the Development Control Committee will be allowed to attend and speak at the decision-making meeting (either presenting their own views if they are an affected party or representing the views of their ward members) but not vote. The member of an adjacent division substantially affected by the proposal shall, at the discretion of the chair of the Development Control Committee, be allowed to attend and speak but not vote. A local Member who has a personal or prejudicial interest in an application, within the meaning of the Code of Conduct, should seek prior advice from the Monitoring Officer about his or her position.
- 7.7 If a member of the Development Control Committee identifies himself or herself with group or individual campaigning for or against an application, he or she shall declare a personal and prejudicial interest and not vote or decide on the matter. However, that Member shall be given the opportunity to address the Committee and must leave the meeting as soon as they have spoken and not return until a decision has been made by Committee.
- 7.8 Members of the Development Control Committee must be free to vote as they consider appropriate on planning matters. A Member cannot be instructed how to exercise their vote on a planning matter.
- 7.9 Members should inform the Monitoring Officer where they feel they have been exposed to undue or excessive lobbying or approaches (including inappropriate offers of gifts or hospitality), who will in turn advise the appropriate Officers.

8. Pre- and Post-Application Discussions and Negotiations

- 8.1 Discussions between an applicant and a planning authority, prior to the submission of an application can be of considerable benefit to both parties and is encouraged. Continued discussions and negotiations between these parties, after the submission of proposals, is a common and important facet of the planning process. However, they should take place within clear guidelines, as follows.
- 8.2 It should always be made clear at the outset that the discussions will not bind the Council to making a particular decision and that any views expressed are those of the Officer only, and are provisional.
- 8.3 Advice should be consistent and based upon the Local Plan and material considerations. There should be no significant difference of interpretation of planning policies by individual planning officers.
- 8.4 A written note should be made of all potentially contentious meetings. Two or more officers should attend potentially contentious meetings. A note should also be taken of potentially contentious telephone discussions.
- 8.5 Members need to preserve their role as impartial decision makers and should not take part in pre- or post- submission discussions and negotiations with applicants regarding development proposals. Should there be occasions when Members are involved, it should be part of a structured arrangement with Officers, including a senior planning officer. Members must avoid indicating the likely decision on an application or otherwise committing the authority during contact with applicants.
- 8.6 Members may receive information from applicants and give information to applicants and Members of the public but, to safeguard their impartiality, they should maintain a clear distinction between receiving information and negotiating. Any information received by Members should be provided to the officers dealing with the application. Members who are approached for planning, procedural or technical advice should refer the applicant to the relevant officer.

9. Officer Reports to Committee

- 9.1 The Head of Built Environment will submit written reports to the appropriate Planning Committee on planning applications to be determined by the Council. The reports will give

the background to the application including any relevant planning history of the site, a description of the proposals and their likely effects, and the relevant Local Plan and Government policy considerations, together with any other material considerations. Where a planning application requires an environmental impact assessment, the Head of Built Environment shall include in his/her report a summary of the environmental statement, comments by bodies consulted and representations from members of the public together with his/her own comments. The reports will include a summary of representations made about the application. The Head of Built Environment in his/her report will give a reasoned assessment of the proposals and a justified recommendation.

9.2 Oral reports (except to present and update a report) should be extremely rare and fully minuted when they do occur.

9.3 The Head of Built Environment will have available for inspection by members the full planning application, environmental statement (where required) and representations from bodies consulted and members of the public.

10. Planning Considerations

10.1 Planning decisions should be made on planning considerations and should not be based on immaterial considerations.

10.2 Members of the Development Control Committee should attend training sessions which may be organised from time to time. All other members are encouraged to attend.

10.3 Planning legislation, as expanded by Government Guidance and decided cases, defines which matters are material considerations for the determination of planning decisions. There is much case law on what are material planning considerations. The consideration must relate to the use and development of land.

10.4 Briefly, at the date of the preparation of this Protocol, material planning considerations include:

10.4.1 the Local Plan;

10.4.2 Government Guidance (contained in such documents as Circulars, Planning Policy Guidance Notes, Mineral Policy Guidance Notes, Planning Policy Statements and Ministerial announcements);

10.4.3 Supplementary Planning Documents adopted by any related Committee;

PART 5 | SECTION 10 - PLANNING CODE OF CONDUCT

- 10.4.4 non-statutory planning policies adopted by the Council;
 - 10.4.5 the statutory duty to pay special attention to the desirability of preserving or enhancing the character or appearance of conservation areas;
 - 10.4.6 the statutory duty to pay special attention to the desirability of preserving a listed building or its setting or any features of special architectural or historic interest which it possesses;
 - 10.4.7 representations made by statutory consultees and other persons making representations in response to the publicity given to applications, to the extent that they relate to planning matters;
 - 10.4.8 planning obligations (given unilaterally or by way of agreement) under section 106 of the Town and Country Planning Act 1990.
- 10.5 It should, however, be noted that the risk of costs being awarded against the Council on appeal is not itself a material planning consideration.
- 10.6 It is the responsibility of officers in preparing reports and recommendations to members to identify the material planning considerations and warn members about those matters which are immaterial planning decisions.
- 10.7 Personal considerations and purely financial considerations are not on their own material; they can only be material in exceptional situations and only insofar as they relate to the use and development of land – such as, the need to raise income to preserve a listed building which cannot otherwise be achieved.
- 10.8 The planning system does not exist to protect private interests of one person against the activities of another or the commercial interests of one business against the activities of another. The basic question is not whether owners and occupiers of neighbouring properties or trade competitors would experience financial or other loss from a particular development, but whether the proposal would unacceptably affect amenities and the existing use of land and buildings which ought to be protected in the public interest.
- 10.9 Local opposition or support for a proposal is not in itself a ground for refusing or granting planning permission, unless that opposition or support is founded upon valid planning reasons which can be substantiated.
- 10.10 It will be inevitable that all the considerations will not point wither to grant or refusal. Having identified all the material planning considerations and put to one side all the

immaterial considerations, members must come to a carefully balanced decision which can be substantiated, if challenged on appeal.

11. The Decision Making Process

- 11.1 Members shall recognise that the law requires that where the Local Plan is relevant, decisions should be taken in accordance with it, unless material considerations indicate otherwise.
- 11.2 Where an environmental impact assessment is required, the Development Control Committee shall take the information provided in the report into consideration when determining the application.
- 11.3 If the report's recommendation is contrary to the provisions of the Local Plan, the material considerations which justify this must be clearly stated.
- 11.4 Where the Development Control Committee decide to adopt the recommendation of the Head of Built Environment, the reasons contained in his/her report will be minuted, together with any additional reasons determined by the Committee.
- 11.5 Where the Development Control Committee is minded to approve or to refuse a planning application, contrary to the recommendation of the Head of Built Environment, or the Local Plan, agreement shall be reached at the meeting on the planning reasons for that decision. They shall be fully minuted by the Head of Law and Democracy.
- 11.6 The reasons for Committee's decision to defer any proposal should also be recorded.

12. Site Visits by the Committee

- 12.1 A site visit may be held if the Head of Built Environment in consultation with Chair of the relevant Committee considers it will assist members in reaching their decision. This would be, for example, where the impact of the proposed development is difficult to visualise from plans and supporting material. Members should try to attend site visits organised by the Council where possible.
- 12.2 Site visits will be organised in accordance with the following procedures:
- 12.2.1 The Head of Law and Democracy will invite the local Member to site visits. Where a proposal would have significant direct impact upon an adjacent electoral division, at the discretion of the Chair of the Development Control Committee the local Member for the adjacent division will also be invited.

PART 5 | SECTION 10 - PLANNING CODE OF CONDUCT

- 12.2.2 The role of the applicant during a site visit shall only be to secure access to the site in accordance with health and safety provisions. The applicant shall not participate in any discussions on site but may be asked to provide factual information.
- 12.2.3 Objectors will not normally be invited to attend a site visit or participate in any discussions on site.
- 12.2.4 On assembling at the site, at the time specified, the Chair will explain the purpose and procedures of the site visit so that all are aware that it is a fact finding exercise only and that no decision will be taken until the Committee meeting. The Head of Built Environment, or his/her representative, will explain the application as it relates to the site and relevant viewpoints. Following any questions to the Head of Built Environment, or clarification sought on matters which are relevant to the site inspection, the Chair will bring the site visit to a close.
- 12.2.5 When a site visit is held prior to the meeting of the Development Control Committee it is desirable that all members attending the Committee should also attend the site visit. Members voting on a planning application without having attended the visit to the particular site may give the impression that they have not taken the opportunity to be fully informed about the application. Information gained from the site visit should be reported back to committee so that all members have the same information.
- 12.3 Members should not enter a site which is subject to a proposal other than as part of an official site visit, even in response to an invitation, as this may give the impression of bias unless you feel it is essential for you to visit the site other than through attending the official site visit and you have first spoken to the Head of Built Environment about your intention to do so and why (which will be recorded on file) and you can ensure you will comply with these good practice rules on site visits.

13. Representations on Planning Applications

- 13.1 Wherever possible, objections or representations to planning applications should be made in writing. Written representations received will be made available for public inspection and objections summarised and reported to the Development Committee. Members will be given the opportunity to inspect all letters received before the decision on the application is made.

PART 5 | SECTION 10 - PLANNING CODE OF CONDUCT

- 13.2 There will be occasions when applicants or objectors, or both, may wish to make representations in person to the Development Control Committee. In such circumstances the following procedure will apply:
- 13.2.1 The applicant will be informed that the application and all supporting documents will be taken into account. The objectors will be informed that their written representations will be taken into account. Both the applicant and the objectors will also be informed that they have the right to attend the Committee and make representations in person. They will be asked to indicate whether they wish to do this and, if so, they will be invited to the meeting at which the decision is to be made. They must register to speak at the meeting by 16.00 hours on the last working day prior to the meeting and if they fail to do so they will not be allowed to speak unless the Chair exercises his discretion to permit them to do so. People wishing to speak at the Development Control Committee cannot hand out documentation to members of the Committee. Photographs may be handed out provided that a minimum of 20 copies have been delivered to the Council by 16.00 hours on the last working day prior to the meeting. Speakers can also use the Council's IT system to make electronic submissions to the Committee provided that the submission is delivered to the Council by 16.00 hours at the latest on the last working day prior to the meeting.
- 13.2.2 Each group of speakers (objectors and supporters) will be allowed a maximum of five minutes to address the Committee. In the event that more than one person wishes to speak for or against a proposal the time will be divided. Groups of speakers will be encouraged to appoint a spokesperson.
- 13.2.3 At the meeting the Head of Built Environment will present his/her report first.
- 13.2.4 The objectors will make their representations, subject to a time limit of 5 minutes (except at the discretion of the Chair), and may be asked questions by the Committee.
- 13.2.5 The applicant will then make his or her representations, subject to a time limit of 5 minutes (except at the discretion of the Chair), and may be asked questions by the Committee.
- 13.2.6 Where the Chair exercises their discretion to extend the time limit for either the objectors or the applicant, then similar provision shall be made for the other

parties (should they so wish) to ensure that all parties receive a fair hearing.

13.2.7 Officers may comment on the representations and the merits of the application

13.2.8 The Committee will proceed to debate the application and make a decision. The minute will include the reasons for the decision.

14. Review of Decisions

14.1 The Audit Commission's Report, 'Building in Quality', recommended that elected members should visit a sample of implemented planning permissions to assess the quality of decisions. This can improve the quality and consistency of decision-making and help with reviews of planning policy.

14.2 Visits to application sites previously considered by the Council shall be organised in tandem with visits to current application sites, as appropriate. Briefing notes shall be prepared in each case.

14.3 Attendance at the review site visits shall be restricted to members of the committee and the local Member.

15. Training

15.1 Members should not participate in decision-making at meetings dealing with planning matters if they have not attended the mandatory planning training prescribed by the Council.

15.2 Members should endeavour to attend any other specialised training sessions provided since these will be designed to extend Members' knowledge of planning law, regulations, procedures, Codes of Practice and the Local Plans beyond the minimum referred to above and thus assist you in carrying out your role properly and effectively.

1. SECTION 11 – LICENSING CODE OF CONDUCT

1.1 Introduction

- 1.1.1 This Code of Conduct (the Licensing Code) gives advice to members who:
- (a) Are members of the Licensing and Regulatory Committee and who sit on Licensing Sub-Committee(s).
 - (b) Wish to address the Committee or a hearing panel on any licensing issue.
 - (c) Are involved outside the Committee on licensing applications or other licensing matters - including informal occasions such as meetings with officers or public and consultative meetings.
 - (d) Are involved in applications for licences under the Licensing Act 2003 and the Gambling Act 2005.
- 1.1.2 Most decisions taken by councillors are administrative in nature. The work of the Licensing and Regulatory Committee and Sub-Committees are different in that its proceedings are quasi-judicial and the rules of natural justice apply. This imposes a new and higher set of standards on those councillors who are involved in the decision making process. Failure to abide by these standards may render the Council or individual councillors open to challenge either through the courts or the Policy, Finance and Development Committee.
- 1.1.3 This Code provides a set of guidelines for councillors. It is part of the Council's ethical framework and should be read in conjunction with the Members' Code of Conduct and the Protocol on Member/Officer Relations.
- 1.1.4 A key aim of the Licensing Code is to ensure that there are no grounds for suggesting that a licensing decision has been biased, partial or is not well founded in any way. Members must make these decisions openly, impartially with sound judgement and for justifiable reasons.
- 1.1.5 The Human Rights Act 1998 has implications for the licensing system and has created enhanced requirements for procedural fairness, transparency and accountability in decision making.
- 1.1.6 The Licensing Code is intended to minimise the prospect of legal or other challenges to decisions. Non-compliance without good reason could be taken into

account in investigations into possible maladministration or may have implications for the standing of councillors and the Council as a whole.

2. Relationship with the Members' Code of Conduct

- 2.1 Members must comply with the Members' Code of Conduct and the rules in that Code must be applied before considering the Licensing Code.
- 2.2 The Licensing Code is not intended to form a part of the adopted Members' Code of Conduct but is a separate document, which is complimentary and supportive of the Members' Code of Conduct and also the source of expanded guidance in the particular area of licensing.

3. Legal Background

3.1 Human Rights Act

3.1.1 The Human Rights Act 1998, which came into full effect on 2 October 2000, incorporated the key articles of the European Convention on Human Rights into domestic law. The Convention guarantees certain basic human rights. As far as possible legislation (including the licensing laws) must be interpreted in such a way as to conform with Convention rights. Decisions on licensing issues are actions of a public authority and so must be compatible with Convention rights.

3.1.2 Members of the Sub-Committee need to be aware of the rights contained in the Convention when making decisions, and in particular:

(a) **Article 6: Right to a Fair Trial**

In the determination of a person's civil rights and obligations ... everyone is entitled to a fair and public hearing within a reasonable time by an independent and impartial tribunal established by law.

(b) **Article 8: Right to Respect for Family and Private Life**

Everyone has a right to respect for his or her private life, and his or her home and correspondence.

(c) **Article 1 of the First Protocol: Protection of Property**

Every natural or legal person is entitled to the peaceful enjoyment of his possessions. No one shall be deprived of his or her possessions except in the

public interest and subject to the conditions provided for by law and by the general principles of international law.

(d) **Article 14: Prohibition of Discrimination**

The enjoyment of the rights and freedoms in the Convention shall be secured without discrimination on any ground such as sex, race, colour, language, religion, political or other opinion, national or social origin, association with a national minority, property, birth or other status.

3.1.3 Most Convention rights are not absolute and there are circumstances when an interference with a person's rights is permitted although any interference with the rights must be proportionate and go no further than is necessary.

3.2 Quasi-Judicial Hearings

3.2.1 A quasi-judicial hearing is one:

- (a) Which affects a person's livelihood
- (b) Which involved disciplinary action
- (c) Which affects property

3.2.2 These hearings are subject to the rules of natural justice. Properly applied, the rules of natural justice will ensure that the requirements of the Convention, that a hearing is both "fair" and presided over by an "independent and impartial tribunal", are met.

3.2.3 There are two principles underlying the rules of natural justice:

- (a) First, all parties must be given a chance to put their case under conditions which do not put one party at a substantial disadvantage to the other party. All parties should be given sufficient notice of the hearing, the applicant should have disclosure of the nature of the objections/representations as well as knowing who is objecting/making a representation and there should be a right to question witnesses.
- (b) Second, a person who has an interest in an application must be disqualified from considering it. The Licensing Sub-Committee must be impartial - not only must there be no actual bias but there must be no perception of bias.

- 3.2.4 The procedure rules which govern hearings of the Licensing Sub-Committee reflect the requirements of the Human Rights Act and the rules of natural justice. To avoid any allegations of bias or perceived bias, councillors sitting on the Licensing Sub-Committee must strictly observe those procedure rules.

4. Training of Councillors

- 4.1 Because the technical and propriety issues associated with licensing are not straightforward, it is the Council's policy to arrange training on the work of the Licensing Sub-Committee for all councillors who sit on the Sub-Committee. Councillors must undertake the training before participating in a meeting of the Sub-Committee. Other councillors are free to attend the training in order to gain an understanding of licensing issues.

5. Licensing Applications by Councillors, Officers and the Council

- 5.1 Proposals to the Council by serving and former councillors and officers and their close friends and relatives can easily give rise to suspicions of impropriety. So can proposals for a Council's own applications.
- 5.2 It is perfectly legitimate for such proposals to be submitted. However, it is vital to ensure that they are handled in such a way that gives no grounds for accusations of favouritism.
- 5.3 Recent decisions by the Adjudication Panel on standards issues make it very difficult for members who have a professional qualification to act in presenting cases in that capacity for applicants or to act as professional witnesses in hearings.
- 5.4 Councillors and officers who submit their own proposal should notify the Monitoring Officer of the proposal and play no part in its processing or determination and avoid contact, whether direct or indirect with members of the Sub-Committee concerning the application.

6. Lobbying

- 6.1 Councillors may be approached or lobbied by an applicant, councillor, agent or objector about a particular licensing application. Lobbying is a normal and perfectly proper part of the political process but it does not sit well with the quasi-judicial nature of the Licensing Sub-Committee when a Councillor must enter the meeting with an open mind and make an impartial determination on the relative merits of all the evidence presented at the hearing. Being lobbied in advance of the meeting is incompatible with this high standard.

- 6.2 If a member is approached, he or she should advise the lobbyist to address any comments or concerns to the Head of Law and Democracy. In no circumstances should a councillor give an indication of voting intentions or otherwise enter into an unconditional commitment to oppose or support the application. To do so without all relevant information and views would be unfair and Disclosable pecuniary. A councillor who feels that he or she has been exposed to undue or persistent lobbying should advise the Monitoring Officer.
- 6.3 Other councillors should not lobby members of the Licensing Sub-Committee, directly or indirectly, about issues which are due to be determined by the Licensing Sub-Committee.
- 6.4 When attending a public meeting at which a licensing issue is raised, a member of the Licensing Sub-Committee should take great care to maintain an impartial role and not express a conclusive view on any pre-application proposals or submitted application.
- 6.5 Correspondence received by any member of the Council (whether on the Licensing Sub-Committee or not), should be passed without delay to the Chief Executive so that all relevant views can be made available to those councillors or officers responsible for determining the application. A reply by a councillor should, as a rule, simply note the contents of the correspondence and advise that it has been passed to officers.

7. Discussions Before the Hearing

- 7.1 Pre-application discussions - discussion between a potential applicant and representatives of the Council may be of considerable benefit to both parties. Similarly, a meeting between the Council and potential objectors may also be beneficial. However, it would be easy for such discussions to become or be seen (especially by objectors/persons making representations) to become part of a lobbying process. In the circumstances, pre-application discussions should be avoided by members of the Licensing Sub-Committee.
- 7.2 Post-application discussions - a councillor should not approach an applicant for a licence in an effort to securing changes to the application. Such an approach would inevitably give rise to allegations of partiality or bias.
- 7.3 Generally, any contact with applicants should be conducted with and through officers and should always be reported to the Licensing Sub-Committee. Requests to a councillor for a meeting should be passed to the Chief Executive.

8. Declaration of Disclosable Non-Pecuniary and Pecuniary Interests

PART 5 | SECTION 11 - LICENSING CODE OF CONDUCT

- 8.1 The Code of Conduct for Members and the Council's Member/Officer Protocol gives advice on the declaration of interests.
- 8.2 Where interests arise, the member must declare these in accordance with this Code of Conduct.
- 8.3 It is important that all councillors are familiar with the Code of Conduct for Members. Where in relation to any item any councillor has a Disclosable Interest in an application (as defined in the Code), this must be declared at the earliest opportunity in the declaration of interests section of the agenda, or at any time subsequently, or as soon as practicable when the interest becomes apparent. This is important as the quorum of a Licensing Sub-Committee is its full complement of 3 members and a late declaration of a Disclosable pecuniary interest may leave the meeting inquorate and unable to proceed.
- 8.4 Where a member is in any doubt about whether they have an interest, they may always seek the advice of the Council's Monitoring Officer or legal advisor at the meeting, disclosing all material facts. Whenever possible, advice should be taken before meetings. Ultimately however, the duty to declare and the decision as to whether an interest should be disclosed rests with the elected member concerned.

9. Pre-Determination and Bias

- 9.1 The right to a fair and unbiased hearing (particularly in the light of the Human Rights Act 1998) is a general legal requirement and applies to licensing decision making in addition to the Code of Conduct for Members.
- 9.2 Whilst the Localism Act 2011 provides for councillors to take a more proactive stance in relation to local issues, Councillors must attend Sub-Committee meetings with an open mind and only determine applications on the basis of the evidence and representations made to them at the hearing. If a councillor fails to determine an application on this basis it may amount to bias and to a breach of their obligations under the Code of Conduct.
- 9.3 The suggestion of any bias may put the Council at risk of a finding of maladministration and it could also lead to legal proceedings for bias or a failure to take into account all factors enabling the proposal to be considered on its merits.
- 9.4 There is a general acceptance that a member may consider matters in several capacities as different factors may apply to different decisions. However, given the size of the Licensing Sub-Committee and the proportionately greater influence an individual member will have,

members should exercise caution in such situations, as it may preclude them from taking part in a licensing hearing.

10. Conduct at the Hearing

- 10.1 The essence of the rules of natural justice are that councillors not only act fairly but are also seen to act fairly. Councillors must follow the agreed procedure at all times and should only ask questions at the appropriate points in the procedure. At no time should a councillor express a view which could be seen as pre-judging the outcome. During the course of the hearing councillors should not discuss (or appear to discuss) aspects of the case with the applicant, an objector, their respective advisors or any member of the public nor should they accept letters or documents from anyone other than the clerk.
- 10.2 Again, to ensure compliance with the rules of natural justice, Councillors on the Sub-Committee must ensure that they hear the evidence and arguments for and against the application and must be present for the entire hearing.

11. Councillors as Interested Parties Under the Licensing Act 2003

- 11.1 Since January 2010 Councillors are regarded as interested parties in their own right. They are entitled to make representations or call for reviews in respect of any premises in any Ward licensed within the Council's area.
- 11.2 They do not have to await instructions from residents or other organisations, but can act on their own initiative. The representation must be relevant. That is, it is made within the timescales allowed, relates to one or more of the Licensing Objectives and is not malicious or vexatious.
- 11.3 A Councillor can still represent another interested party/parties (provided that interested party is not a family member or close associate) who has made a representation. The Councillor will still be subject to the Code of Conduct when representing interested parties. The Councillor must demonstrate to the licensing authority that they have been requested to represent the interested party and only put forward the views of the interested party.
- 11.4 A member of the Licensing and Regulatory Committee can make representations, call for a review and address the Committee as an interested party, but would not be able to sit as a member of the Sub-Committee when the application is considered.

PART 5 | SECTION 11 - LICENSING CODE OF CONDUCT

- 11.5 The representation made by the Councillor carries no less nor any more weight than the representations made by other interested parties.
- 11.6 The Act and Hearing regulations govern the procedure and specify the rights for applicants, responsible authorities and interested parties. The Councillor will be bound by these procedure rules.
- 11.7 Councillors addressing the Sub-Committee should disclose any interests they may have and their standing at the hearing.
- 11.8 The Code of Conduct for members states that a Councillor with a Disclosable Pecuniary Interest cannot act as a representor where that interest relates to himself/herself, a member of his/her family or a close associate. A member may, however, act in a private capacity in such circumstances provided that it is made clear to the Committee that the member is exercising his/her private rights.
- 11.9 A Councillor who is not on the Committee but who is at one of its meetings in his/her professional capacity should sit apart from the Committee or Sub-Committee to demonstrate that he/she is not taking part in the discussion or determination unless his/her presence in that capacity would be a breach of the obligations of the Code of Conduct, for example, influencing a decision by presence. If the Councillor is attending in his/her private capacity as a member of the public, this should be made clear to the Committee and his/her rights are the same as those afforded to any member of the public.
- 11.10 Councillors who are opposed in principle to any category of application or alcoholic liquor, form of entertainment or gambling, either in their own Ward or Borough-wide should not seek nomination to the Committee.

1. SECTION 12 – MONITORING OFFICER PROTOCOL

1.1 General Introduction to Statutory Responsibilities and Functions

- 1.1.1 The Monitoring Officer is a statutory appointment pursuant to Section 5 of the Local Government and Housing Act 1989 (LGHA 1989) and is accountable to the Council. That Act, the Local Government Act 2000 and the Local Government and Public Involvement in Health Act 2007 place personal obligations on the appointee in respect of the Council, which are summarised as a schedule annexed to this document.
- 1.1.2 This protocol provides some general information on how those statutory requirements will be discharged at this Council.
- 1.1.3 The duties of the Monitoring Officer under Section 5 of the LGHA 1989 are to report to the Authority on any proposal, decision or omission by the Authority (or a Committee or Sub-Committee, or a Joint Committee on which the Authority is represented) or an officer of the Authority, which has given rise to, or is likely or would give rise to:
- (a) a contravention of law or any code of practice made or approved by or under any enactment; or
 - (b) such maladministration or injustice as is mentioned in Part III of the Local Government Act 1974, i.e. in connection with action taken by or on behalf of the Authority, in exercise of the Authority's administrative functions.
- 1.1.4 It is the Monitoring Officer's duty to consult with both the Head of Paid Service and the Section 151 Officer during the preparation of a report and as soon as practicable after its preparation to arrange for a copy of it to be sent to each member of the Authority. The Monitoring Officer is bound to perform all of his or her duties personally, save that during absence or illness, a deputy nominated by him or her may undertake them.
- 1.1.5 In general terms, the Monitoring Officer's ability to discharge his or her duties and responsibilities will depend, to a large extent, on members and officers:
- (a) complying with the law (including any relevant Codes of Conduct);

- (b) complying with any general guidance issued, from time to time, by the Policy, Finance and Development Committee and the Monitoring Officer;
- (c) making lawful and proportionate decisions; and
- (d) generally, not taking action that would bring the Council, their Officers or professions into disrepute.

2. Working Arrangements

- 2.1 Having excellent working relations with members and officers will assist in the discharge of the statutory responsibilities of the Monitoring Officer and maintaining high standards of conduct, governance and legal compliance. Equally, a speedy flow of relevant information and access to debate (particularly at the early stages of any decision making by the Council) will assist in fulfilling those responsibilities. Members and officers must, therefore, work with the Monitoring Officer (and his/her staff) to discharge the Council's statutory and discretionary responsibilities.
- 2.2 Having effective working liaison and relationships with the Policy, Finance and Development Committee (and its members), the External Auditor and the Local Government Ombudsman will also assist in the discharge of those statutory responsibilities. This will include having the authority to complain to the same, refer any breaches to the same or give and receive any relevant information, whether confidential or otherwise, through appropriate protocols, if necessary.

3. Monitoring Officer's Rights

- 3.1 The following arrangements and understandings between the Monitoring Officer, members and officers are designed to ensure the effective discharge of the Council's business and functions. The Monitoring Officer will have the right to:
 - 3.1.1 be advised by members and officers of any issue(s) that may become of concern to the Council, including, in particular issues around legal powers to do something or not, ethical standards, probity, policy, procedural or other constitutional issues that are likely to (or do) arise;
 - 3.1.2 access to any meetings of officers or members (or both) of the Authority, whether or not such meetings include any other persons (for the purpose of clarification,

this right does not extend to any meetings held by or on behalf of any political party represented on the Council);

- 3.1.3 receive advance notice (including receiving agendas, minutes, reports and related papers) of all relevant meetings of the Council at which a decision of the Council may be made formulated or briefed upon (including a failure to take a decision where one should have been taken) at or before the Council, Committee meetings and/or Corporate Leadership Team (or equivalent arrangements);
- 3.1.4 require when carrying out any investigation(s):
 - (a) such advice and assistance from the Authority that he or she considers is reasonably needed to assist him or her,
 - (b) unqualified access to any officer or member who the Monitoring Officer wishes to make inquiries of or who he or she believes can assist in the discharge of his/her functions, and
 - (c) any information and documents held by the Council;
- 3.1.5 disclose information and documents to the appropriate and relevant authority (even where such disclosure would otherwise be in breach of the Monitoring Officer's duty of confidentiality to the Authority);
- 3.1.6 ensure or facilitate that the other statutory officers (Head of Paid Service and Section 151 Officer) are kept up-to-date with relevant information regarding any legal, ethical standards, probity, procedural or other constitutional issues that are likely to (or do) arise;
- 3.1.7 meet with the Head of Paid Service and the Section 151 Officer to consider and recommend action in connection with corporate governance issues and other matters of concern regarding any legal, ethical standards, probity, procedural or other constitutional issues that are likely to (or do) arise;
- 3.1.8 report on ethical governance issues and on the Constitution following consultation, where appropriate, with the Head of Paid Service and Section 151 Officer;
- 3.1.9 report to the Council as necessary on the staff accommodation and resources he/she requires to discharge his/her statutory functions and to be provided with the same;

- 3.1.10 obtain legal advice on any matter which he/she believes may be a reportable incident, at the Authority's expense;
- 3.1.11 defer the making of a formal report under Section 5 of the Local Government and Housing Act 1989 where another investigative body is involved, subject to any necessary consultation with all or any of Head of Paid Service, Section 151 Officer, the Chairman of the Council, Leader, Deputy Leader and the Policy, Finance and Development Committee;
- 3.1.12 notify (after consultation with the Head of Paid Service and the Section 151 Officer) the police, the Authority's auditors and other regulatory agencies of his/her concerns in respect of any matter and to provide them with information and documents in order to assist them with their statutory functions;
- 3.1.13 seek to resolve potential reportable incidents by avoiding or rectifying the illegality, failure of process or breach of code, or by identifying alternative and legitimate methods to proceed whilst retaining the right to make a statutory report where, after consultation with the Head of Paid Service and the Section 151 Officer, he/she is of the opinion that such is necessary in order to respond properly to such an incident;
- 3.1.14 prepare any training programme for members or officers on ethical standards and Code of Conduct issues;
- 3.1.15 to make reports to and receive reports from the Policy, Finance and Development Committee, subject (where appropriate) to consultation with the Head of Paid Service and the Section 151 Officer.

4. Proper Officer

- 4.1 Councils may place "Proper Officer" and other obligations on the Monitoring Officer, through the Council's Constitution and elsewhere, but these are delegated functions of the Authority rather than personal duties under statute. Whilst the exercise of these functions equally requires good working arrangements, they differ slightly from authority to authority. For the sake of commonality and clarity of the protocol, they are not directly addressed here.
- 4.2 The Proper Officer list is contained at Part 3, Section 8 of the Council's Constitution.

5. Conflicts of Interest

- 5.1 Where the Monitoring Officer is aware he/she has a potential conflict of interest, he/she shall refer the matter to the Deputy Monitoring Officer or another appropriate party (and report to the Head of Paid Service and/or the Authority as appropriate).

6. Insurance and Indemnity Arrangements

- 6.1 The Section 151 Officer will ensure adequate insurance and indemnity arrangements are in place to protect and safeguard the interests of the Council and the proper discharge of the Monitoring Officer role.

7. Breach of this Protocol

- 7.1 Complaints against any breach of this protocol by a member may be:
- 7.1.1 Dealt with informally by the Monitoring Officer;
 - 7.1.2 Referred to the Policy, Finance and Development Committee as appropriate by the Monitoring Officer (or if the Monitoring Officer so requests, referred to the Head of Paid Service); or
 - 7.1.3 Referred to the relevant Leader and/or whip of the political group.
- 7.2 Complaints against any breach of this protocol by an officer may be referred to the Head of Paid Service for assessment.

8. Post of Monitoring Officer

- 8.1 For the purposes of this protocol, the term "Monitoring Officer" includes:
- 8.1.1 Any person nominated by the Monitoring Officer as a Deputy Monitoring Officer for the purposes of Section 5(7) of the Local Government and Housing Act 1989; and
 - 8.1.2 Any person nominated under the provisions of Section 82A(2) or (3) of that Local Government Act 2000 to perform any function.

1. SECTION 13 – REMOTE/HYBRID MEETING ETIQUETTE

1. Preparing for the Meeting: The Agenda and Your Objectives

- 1.1 Formal meetings conducted remotely in particular will require clear objectives. The Chair/Mayor, or where necessary, the Vice-Chair/Deputy Mayor, and Members are likely to need to be more explicit about these than would normally be the case.
- 1.2 Any reference to meetings conducted remotely also refers to meetings that are conducted using hybrid arrangements (i.e. some participants attending in a remote capacity and some are attending the physical meeting space) as appropriate.
- 1.3 Beforehand, the Chair/Mayor will need to be in close communication with Officers, Democratic Services and other Committee Members (or other meeting participants). This preparation will need to involve reaching some kind of understanding on:
- What the meeting is about, and the possible purpose and outcomes for every item on that meeting's agenda;
 - What information and paperwork will need to be made available in order for these outcomes to be delivered;
 - Where Members or other meeting participants will want to contribute – and where and how public participation might need to be facilitated;
 - Where these people might need particular support in order to participate in the way that they want.

These conversations can be relatively informal; they can be carried out by the Chair/Mayor, a relevant Officer/Clerk or by other Members who might be able to assist.

2. Preparing for the Meeting: Practical Arrangements

- 2.1 Immediately prior to the meeting, participants - Members, Officers and others - will need to make sure that they are ready to take part productively.
- 2.2 These steps are particularly important for participants in meetings viewable by the public but apply to any others:
- Ensure that you are dialling in from an area in your home where you are less likely to be disturbed;
 - Ensure that your broadband connection is sufficiently stable to join the meeting. If your connection has low bandwidth, depending on the facilities and support provided by the Council (and your home's mobile reception) you might find it easier to join using your mobile phone's data allowance, or if absolutely necessary by making a voice-only call (although see below);
 - Ensure that you use the official Council remote video conferencing background;
 - Your name (possibly your mobile number, if you are calling from a phone) is likely to be shown onscreen if you are appearing in video – ensure that you are comfortable with whatever information is being displayed (ask Democratic Services for assistance if you require your on screen name to be amended);

- Ensure that the camera is positioned to provide a clear, front-on view of your face. This may involve thinking about lighting in the room you're in (for example, sitting in front of a window may plunge your face into shadow). It may also involve putting your webcam, laptop or tablet on top of a couple of books so that you can look into the camera face on;
- Ensure that you are familiar with the functions in Microsoft Teams. The key functionality with which you should familiarise yourself is:
 - a) The ability to screen-share, and the ability to work collaboratively on documents as meetings progress;
 - b) The ability to use the "raise hand" feature (by which the Chair/Mayor can be made aware that you want to speak). This is likely to be more effective than physically waving at the camera to catch the Chair/Mayor's attention, which can be distracting;
 - c) The ability to participate in chat. See chat etiquette in Teams below;
 - d) The ability to mute your microphone. As a general rule you should always have your microphone muted when you are not speaking. Ideally, you should use earphones or a headset to participate in meetings as it reduces the risk of feedback from using your device's external speaker.

2.3 The chat feature and breakout options.

2.3.1 Microsoft Teams provides two forms of additional functionality;

- A chat function, by which meeting participants can communicate with each other in written form;
- The facility to establish "breakout" spaces, in which the Chair/Mayor or Democratic Services can place participants.

2.3.2 The use of breakout spaces is less likely to be useful for formal meetings – although it could provide a way to exclude the public where a Committee moves into a private session.

2.3.3 There are a range of ways to try to use these tools. It may feel odd to actively use a chat function to discuss the meeting in parallel to verbal contributions being made; it might be seen as undermining the transparency of the meeting. In physical meetings the use of texting is discouraged because it suggests that Members are not fully engaged with what is happening in the room. However, it can provide a mechanism for the Chair/Mayor and other Members to communicate to ensure that things run smoothly.

2.3.4 The chat function will usually need to be limited to Committee Members, Officers and Democratic Services – but Committee Members should treat conversations in chat as if they are happening in public.

2.4 Appropriate use of chat:

- The Chair/Mayor cueing up the order in which they will invite contributions from Committee Members (in person, this kind of action can be accomplished by turns of the head, nods and brief eye contact – something which is impossible remotely);
- A Committee Member asking for a point of clarification to be raised or to ask a question or make a comment (again, in person this kind of thing might be done by way of a note or nods or eye contact);
- The Chair/Mayor reminding Members of the focus of the discussion currently under way (which may be especially important to maintain focus and flow);
- Attempting to resolve minor technical problems. A Member might have difficulty seeing or hearing what is happening, or contributing;
- The provision of advice to the Chair/Mayor on procedure by Democratic Services (although this is often best done verbally). It is usual for Democratic Services and/or the Head of Law & Democracy to sit adjacent to or nearby the Chair/Mayor to offer advice unobtrusively – working remotely, this is of course not possible.

2.5 Inappropriate use of chat:

- Use of the chat function to carry out a parallel, substantive conversation about the issues under discussion;
- Use of the chat function for extraneous chitchat or for political-based dialogue.

2.6 Challenges associated with audio-only dialling in:

2.6.1 Participants may be unable to join the meeting via videocall due to insufficient bandwidth or other technical issues which can make participation in the meeting more difficult. Members will need to accept that although audio-only communication is less effective than video communication, for some meetings and some individuals it will be the only possibility.

2.6.2 Active participation - It is too easy for audio-only participants to be forgotten or for them to find it difficult to “break in” to a flowing Committee conversation. Audio participants may also be unable to use meeting features used by others – such as chat or using shared screens.

2.6.3 Engagement - It is far less easy to remain active and engaged in meetings on voice-only calls. People’s attention can and will wander. Audio-only communication can be difficult and alienating for those attempting to “observe” or seeking to contribute as witnesses or members of the public. It is easy to lose track of who is talking and who is “in the room”.

2.6.4 Following the agenda - With no way of sharing screens, it will be difficult to see if people are following presentations and reports (or whether they even have that material in front of them). This will make certain meetings – planning, licensing, and quasi-judicial meetings such as education appeals – a particular challenge.

2.7 Ways to overcome these challenges:

2.7.1 Such meetings will require more preparation, and more people will need to be involved in that preparation.

2.7.2 Agendas and Officer reports in particular will need to be focused with very clear outcomes and objectives. Decision-making meetings in particular will demand this approach.

2.7.3 The Chair/Mayor may need to speak individually to Members of the Committee beforehand to agree focus, questioning themes and outcomes – this may also include discussion of the structure of the meeting and whether there are specific things that individual Members want to raise.

2.8 Other accessibility issues:

2.8.1 For Members:

- Members come from all walks of life. Skills, and the capacity to learn new things, may vary, as will the confidence to demonstrate these skills publicly. Some people’s home environment may make it very difficult to join a remote meeting for two or three hours. Some people may have disabilities or impairments – hidden or otherwise - which present barriers. Sometimes, these issues may only emerge after remote meetings have occurred. Convening meetings remotely is something that many Members will take to very easily; for others it will be a significant challenge, and not because they are “unwilling” to engage or being obstructive. We have to find ways for these arrangements to work well for everyone.

2.8.1.1 This may involve making changes such as:

- Providing more opportunities for Members to feed views to the Council and to senior Officers informally – in writing and through one-to-one conversation (this is expanded upon below). Senior Officers will already be available to speak to Members but there may also be a need for proactive communication from them to Members inviting conversation;
- Using discussion at group meetings to influence and inform the design of remote arrangements. These Member-led environments may be the best space to tease out what may be complex and sensitive issues for some Members.

2.8.2 For non-Council participants:

- For planning and licensing meetings, and other quasi-judicial meetings, there will be a need for non-Council participants (often, applicants or appellants) to contribute to the meeting. Before meetings Members and/or Democratic Services will need to make direct contact with these individuals to;
- Set out how the meeting will run. Material previously distributed to individuals about the process of meetings may no longer be accurate. Standing orders may be applied and disappplied as necessary, producing

uncertainty. A fair process requires applicants to be aware of these possibilities and to raise any concerns before the meeting is convened;

- Identify any particular access needs. These may be technical – around the use of certain platforms – but may also relate to the need for clarity on some of the behaviour and etiquette issues identified elsewhere in this guide;
- Provide any necessary reassurance. People may have privacy concerns about joining remote meetings and may find it to be an unsettling and alien experience.
- The Chair/Mayor should ensure that they are aware of any issues and that proactive steps are taken to address them.

2.8.3 For members of the public:

- Streaming meetings online has removed many access barriers for members of the public wishing to observe and engage. But it also erects other barriers – around having a device to screen and sufficient data allowance to view. Where the technology exists and/or permits, to aid access the council may consider indexing the recorded feeds of meetings to allow people to navigate within videos – including adding captions and explanations on agenda items. They may also wish to consider other ways by which information about the proceedings of meetings might be shared.
- It is vital that Members, and other participants, remember that the public will be observing meetings. This may be easily forgotten, where participants are joining meetings from home or viewing the livestreams via YouTube. When connected to formal meetings via webcam or audio-only, Members and Officers must remember that what they are saying and doing is visible to the public in just the same way as it would be in the Council Chamber/Committee Room.
- Some of these issues may be heightened in the case of hybrid meetings. Behavioural dynamics between those in the room, and those joining remotely, may be difficult to predict.

2.8.3.1 Disruption:

There is a chance that members of the public will seek to disrupt proceedings. This risk might draw councils into adopting a defensive approach to the use of video conferencing tools. This can be managed by:

- Not enabling video for public participants (other than where they are making an active contribution to the meeting), and muting mics as a matter of course;
- Ensuring that members of the public accessing the meeting either to observe or participate are aware of behaviour expectations and that the Chair/Mayor or Democratic Services can remove people if these expectations are not met.

The Council currently broadcasts livestreams of all meetings (excluding exempt/private sessions) via YouTube to avoid the necessity for members

of the public to “join” the meeting itself. This helps to manage the risk of disruption, but the Council may need to think about the need for comment moderation on YouTube or whether comments can be disabled altogether.

Equally, there is a case for allowing space for a form of disruption or dissent. Full Council in particular can be a space for protest, which is sometimes disruptive in nature. Members and Democratic Services may need to think about how they can facilitate dissent and protest in a way that supports free speech, even if that may be inconvenient to the operation of individual meetings.

2.8.4 Specific advice for Democratic Services and/or Committee Chair/Mayors:

In a remote meeting, Democratic Services and/or the Chair/Mayor should ensure that they have the facility to:

- Hear and, for participants with video enabled, see, those involved in the meeting;
- Mute and unmute participants;
- Remove participants from the call, including “pausing” the call (or creating a private breakout space) if the Committee needs to go into a private session;
- Share a screen with other participants (for example in the case of the use of presentations);
- See when Members wish to contribute to the meeting and invite them to do so;
- Privately, take advice on procedural matters from an appropriate officer.

This will require training, and support. Some Chair/Mayors may be uncertain about their ability to carry out these tasks. For some they might be more comfortable leaving Democratic Services to do some of these activities but the nature of managing and facilitating contributions means that really the Chair/Mayor must be the one to do most of the above.

2.8.5 The Chair/Mayor’s role in setting expectations:

- The Chair/Mayor will need to be explicit about behavioural, and other, expectations. Often these are left implicit at the beginning of meetings, but the novelty of working remotely may require that the Chair/Mayor runs through conduct and behaviour standards in advance – particularly where large numbers of people are involved;
- Some Chairs/Mayors may wish to specify that all contributions must be made “through the Chair/Mayor”, with that person controlling the muting/unmuting of mics. This may limit free-flowing conversation but is likely to keep things more focused.
- The Chair/Mayor will need to address members of the public who may be observing and highlighting the process, including the circumstances in which they may be able to contribute;
- The Chair/Mayor will need to remind Members of the need to introduce themselves both at the start of the meeting and at the start of every contribution where people are participating in the meeting in an audio-only capacity.

Other Committee Members, and Officers, will need to think about how they can support the Chair/Mayor to carry out their role. The amount of work required to effectively chair a meeting is likely to increase due to the various considerations required when holding a remote or hybrid meeting.

SUMMARY

- 1. Join the meeting no later than 15-minutes before the start** to allow you and Democratic Services the opportunity to test that all your equipment is working correctly and your connection is stable, and to troubleshoot any issues in good time.
- Remember to **charge your device** in advance of the meeting and ensure you are **positioned close to a power source** or have a **portable power bank** ready in the event of battery running low. Notify Democratic Services if battery life is critically low.
- When you first join and throughout the meeting, **you need to mute yourself** until such time as you have indicated to speak - by “virtually” raising your hand - at which point the Chair will be notified and will invite you to speak. You will then need to unmute yourself and **mute yourself** once again when you have finished speaking.
- Barring any connectivity issues, **Members will be required to keep their cameras on** at all times as this indicates their presence throughout the entirety of a debate which may affect Members’ right to vote (where legislation permits). Officers and other participants are encouraged to keep their cameras on when speaking/participating.
- Turn off all background noise sources** (e.g. radio, television, mobile etc.) and try to **separate yourself** from any interruptions by using a separate room from other individuals in your household. This is important for spousal or related Members etc.
- Ensure that **other home smart devices are turned off** (e.g. Amazon Echo, Google Home/Nest, Apple HomePod etc.) as such devices could inadvertently turn on and/or record the meeting etc. This applies to any other devices which may interfere etc.
- Your video should show the Council approved corporate background. Suitably **position yourself** and **speak slowly and clearly** in the direction of your microphone. Be careful not to allow exempt or confidential papers to be seen.
- When speaking, **clearly mention** and/or **signpost** to the relevant report, page number, paragraph or slide etc. so that all participants have a clear understanding of what is being discussed at all times. Where possible, reports will be shared on screen.
- Democratic Services will **pre-set, control and adjust** where necessary the **layout of remote participants** on the Teams screen so that the correct visual balance is struck between in-person and remote participants, and those viewing the live-stream.
- If you need **assistance** joining the meeting, or experience any **technical difficulties** during the meeting, contact Democratic Services on **(0116) 257 2755** or **send a chat message** to the Host and/or Co-Host(s) in Teams (see above regarding chat).

“...Councillors and Officers should assume at all times that what they are saying and doing is visible to the public in just the same way as it would be in the committee room...”

- 6.6 Where this Scheme is amended as mentioned in sub-paragraph (2) above, and a Councillor has during part, but does not have throughout the whole, of any period mentioned in sub-paragraph (2)(a) of that paragraph any such special responsibilities as entitle him or her to a Special Responsibility Allowance, that Councillor's or Independent Person's entitlement shall be to the payment of such part of the allowance referable to each such period (ascertained in accordance with that sub-paragraph) as bears to the whole the same proportion as the number of days in that period during which he or she has such special responsibilities bears to the number of days in that period.
