Previous Actions:

- **Spion Kop:** Plans are progressing for the track to be lowered this summer.
- **Bushloe House Sale:** A planning application will be lodged shortly.
- **Digital Boards - Cost of Advertising:** Residents were directed to the Council website. It was advised that for a charity or community-based organisation in the Borough, the first advertisement in a quarter on a single screen is free.

82. POLICE UPDATE

PC Morgan (GM) provided an update.

- **E-Scooters:** No change in the Borough. A few have been seized recently, but overall enforcement remains challenging due to the high numbers.

Resident Questions:

- **Are E-Bikes included with E-Scooters?**

GM advised that some E-Bikes are legal, while others are not. Police will stop users when they are being misused. A resident noted an E-Bike on a restricted lane; GM confirmed police will address such incidents.

- **How many police officers are stationed in Wigston?**

1 PC, 2 PCSOs, with the Response Team covering emergencies. Each shift has 4-5 PCs covering both Wigston and Harborough.

- **What is being done about parked cars?**

GM had requested a list of problem vehicles in the last meeting. Three vehicles have since been recovered. Police do not have the same authority as the Council to issue parking tickets but will intervene in cases of dangerous parking.

- **Why is E-Bike and E-Scooter enforcement stronger in the City than the Borough?**

GM stated that operations in the City have higher success rates due to the higher volume of illegal use. Cllr Charlesworth suggested a targeted operation on Bell Street, but GM noted resource constraints. Cllr Loydall mentioned a past police operation on Bell Street and will include a new one in the CSP and delivery plan.

- **Shop Burglaries:**

Investigations are ongoing. Due to high-value stock, shop burglaries remain a risk. Sainsbury's, which no longer has overnight staff, has been targeted. GM will offer security advice to Sainsbury's.

- **Burglary Case Follow-Up:**

A resident whose car was stolen after a burglary reported concerns about police follow-up and CCTV use. CID clarified that while CCTV footage was received, facial coverings limited investigative options. Street lighting is controlled by LCC, and police can only request lamppost reinstatement if supported by evidence.

83. CHAIR'S UPDATES

- **Homelessness:** Over 90 families are in temporary accommodation, costing approximately £1 million annually. Numbers are expected to rise above 100 by mid-year. No government funding support is available.
- **Budget Discussion at County Hall:** Council Tax increase for a Band D property by £88 annually. Police tax increased by £23.85, LFRS by £6.80. County expected to be £90 million in deficit by 2029.
- **Flooding on Newton Lane:** Issue raised at County level, awaiting feedback.
- **Local Plan:** Borough must build 380 properties annually, an increase from previous figures.
- **D-Day Commemoration:** Scheduled for 8 May, with a flag-raising event at Brocks Hill at 9 PM. Request made for church bells to be rung.

- **Devolution:** Government rejected LCC's initial proposal. The County Council wants to keep existing boundaries, while the City seeks expansion. The government's white paper suggests a minimum population of 1.5 million for mayoral authorities. Council leaders are working to maintain the Borough's identity and retain local offices for accessibility.

84. ITEMS RAISED BY RESIDENTS

a. Vehicles Turning from Wakes Road onto North Street (Against One-Way System):

- GM confirmed awareness and discussions with Domino's regarding their drivers. Some customer vehicles also violate the rule. The issue will continue to be monitored.

- Wigston Liberal Table Tennis Club proposed installing a memorial bench. Estimated cost is £1,000, with £600 raised so far.

f. Flooding at Kilby Bridge:

- Persistent flooding and strong odours. Severn Trent cleared blocked drains.
- Request for Council website to include Severn Trent contact details.

g. Cleanliness of Roads:
