The Licensing Act 2003

The Environmental Protection Act 1990

As one of the responsible authorities, I have concerns about possible noise from events held at the above premise. There is a history of noise complaints by previous managers of the premises, and I do not believe you have carried out any improvements which may further prevent any. I can confirm that we are in receipt of noise complaints once again since you have taken over the site and one was undertaken without a TEN (temporary event notice). You also have removed the noise limiter.

I will be making representation to our Licensing Department over my issues with the premise having a license in relation to event after 23:00. It is important that you put adequate controls in place to manage noise from all event/functions to prevent a public nuisance. Under the deregulation of The Licensing Act I can only place control after 23:00 and I note your application states 23:30.

1. You need to ensure no noise is audible beyond the boundary at the premise.

This can be done by a competent member of staff who has been trained to walk the boundary to listen and check for any noise from the event. If noise is audible that action must be carried out to reduce the level. This should be done at the start of any entertainment and from time to time during the event, i.e. every hour. A log of monitoring should be in place and details any actions. This log must be available at the premise at all times to ensure it is available and in use.

2. You will need to install a noise limiter.

All sound equipment must run through the noise limiter. You will need to ensure noise limiter meets current guidance. The noise limiter will need to be calibrated and maintained at least annually. Certificates to show this has been done must be made available if requested. It must be a sealed unit to prevent any tampering. We spoke about this on site and also on the phone last week about this being reinstalled.

Any level which is set must be done with agreement with an Officer from this Department and we will also be present when the engineer set the appropriate level.

3. Staff will need to be trained on the issues in point 1 & 2 of this letter.

4. Door and windows to be maintained closed

When entertainment is being provided all doors and windows must be closed- this may require you to look at installing CO2 monitors and reassess your risk assessment for COVID. Or as an alternative you can install acoustic insulation, however this must still comply with item 1.

If you agreed to these points they will be added to your license. The last day for this is the 14th May. I can confirm we have received objections, and the process with dealing with this will be communicated from our Licensing Team about a hearing.

Summary of the Public Representations

Location	Representation
Brooksby Close	<p>Increased noise disturbance from the proposed late night operating hours.</p> <p>Already experience excessive noise of loud music from the venue.</p> <p>If a licence is issued for 1000 – 2330 hours it will only exacerbate the problem.</p> <p>Concerned about the increased availability of alcohol particularly late at night as this will contribute to antisocial behaviour and the potential for crime and disorder in the area and the proposed licence will worsen the situation.</p> <p>The venue is already holding events and the private parking is not adequate with cars parking up the slope which compromises access. I am concerned if there was an occasion when the emergency services are needed they have a problem accessing the building.</p> <p>I urge the Licensing authority to consider my concerns and ensure any licence granted includes conditions to mitigate the potential for public nuisance and the prevention of crime and disorder.</p>
Brooksby Close	<p>Potential for increased noise and disturbance from the proposed late night operating hours.</p> <p>We already experience excessive noise of loud music and base and shouting from the mic.</p> <p>This stops us sitting outside in the summer and we have to shut windows to block the noise out. It also interferes with sleep.</p> <p>Any licence issued to supply alcohol will exacerbate this problem impacting on residents.</p> <p>The increased availability of alcohol particularly late at night will contribute to antisocial behaviour and potential for crime and disorder.</p> <p>We urge the Licensing Authority to carefully consider the concerns and ensure any licence granted includes conditions to mitigate the potential for public nuisance and prevention of crime and disorder.</p>
Brooksby Court	<p>I would like to strenuously object to the licencing of the Anmol Suite.</p> <p>Alcohol will inevitably lead to anti-social behaviour in a quiet part of Oadby and the small car park is not sufficient for the premises and leads to parking all down the street preventing emergency services from attending to nearby homes. There are a lot of elderly people in this area and I feel this will be unfair to</p>

	<p>them as the music coming from the premises is extremely loud especially the base sound and the times 1000-2300 7 days a week is not for a residential area.</p>
Brooksby Court	<p>Objection on the grounds of public nuisance and the prevention of crime and disorder. My principal concern is the potential for increased noise and disturbance from the proposed late night operating hours. We already experience excessive noise of loud music from the venue. If a licence is issued to supply alcohol from the premises Mon-Sun 1000 – 2330 it will exacerbate the problem. Potentially impacting the residents in our area and the wider community and their ability to sleep and enjoy their homes. Furthermore, I am concerned that the increased availability of alcohol, particularly at night will contribute to antisocial behaviour and the potential for crime and disorder.</p> <p>The venue is already holding events and the private parking is not adequate, cars park along the ramp compromising access. This may cause a problem if emergency vehicles are required to access the building.</p> <p>I urge the licensing authority to carefully consider my concerns and ensure any licence granted includes conditions to mitigate the potential for public nuisance and the prevention of crime and disorder.</p>
Brooksby Close (one letter signed by eight separate households)	<p>Objection on the grounds of the potential for public nuisance and prevention of crime and disorder. Increased potential for noise and disturbance from the proposed late night operating hours. We already experience excessive noise of loud music from the venue and the dangerous parking which emergency services cannot attend.</p> <p>If a licence is issued to supply alcohol from 1000-2330 Mon-Sun then this will exacerbate the problem potentially impacting all the residents.</p> <p>We therefore urge the Licensing Authority to carefully consider these concerns and ensure any licence issued includes conditions to mitigate the potential for public nuisance and prevention of crime and disorder.</p>
