Co-op planning application

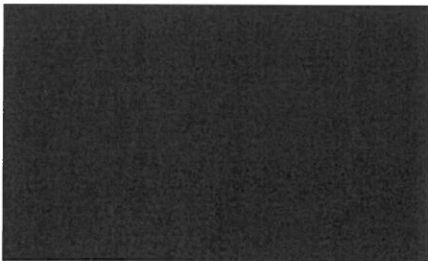

22th Sept 2015

A planning application has been submitted by the Co-op and NewRiver Retail for a convenience store and ATM machine next door to the Cuisine of India restaurant.

If permitted it will mean that part of the restaurant will be demolished to make way for the store. The Co-op will be closing its store on Bell Street in January with the loss of 23 jobs and if the food hall didn't work in the middle of Wigston – why would it work here?

If you wish to object to this development you can sign the petition in the Cuisine of India or the Newsagent. You can contact the Council to object on 2888961 or email them at planning@oadby-wigston.gov.uk quoting planning application number 15/00381/FUL.

You can also sign the form below and return it to:-
