

MOTION ON NOTICE

06 September 2016

That this Council notes that:

As elected Members of Oadby and Wigston Borough Council (OWBC), we are very concerned about racism, xenophobia and hate crimes.

Members of this Council remain committed to stamping out all forms of racism, xenophobia and hate crimes.

OWBC already works with the police and other agencies to raise awareness of the causes and problems created by hate crimes and addresses these problems and will continue to do so.

We are proud to live in a diverse and tolerant society where racism, xenophobia and hate crime have no place.

We reassure all people living in the Borough that they are valued members of our community, and publicly condemn any such crimes.

Councillor Mrs S B Morris
