Appendices:	1. Draft Statement of Licensing Policy 2020-2025

1. Background

- 1.1 The Council has a statutory duty to have a Statement of Licensing Policy. It is important that the Statement of Licensing Policy provides an open and transparent policy regarding the Council's functions under the Licensing Act 2003. The Statement of Licensing Policy forms an essential part of the decision making process for licensing applications.
- 1.2 The Act also requires that the Statement of Licensing Policy should be kept under review and must be re-published at least every five years.
- 1.3 The Council's current Statement of Licensing Policy under the Licensing Act 2003 took effect on the 1st January 2015.
- 1.4 In accordance with the provisions of the Act, the Council is required to determine and publish a Statement of Licensing Policy at least every five years. Therefore a new Statement of Principles must be published by 31 December 2019.

2. Consultation

- 2.1 When revising its Statement of Licensing Policy, the Council is required to consult with:
- the chief officer of police for the authority's area;
 - the fire and rescue authority for that area;
 - each local authority in England whose public health functions within the meaning of the National Health Service Act 2006 are exercisable in respect of an area any part of which is in the licensing authority's area;
 - such persons as the licensing authority considers to be representative of holders of premises licences issued by that authority;
 - such persons as the licensing authority considers to be representative of holders of club premises certificates issued by that authority;
 - such persons as the licensing authority considers to be representative of holders of personal licences issued by that authority; and
 - such other persons as the licensing authority considers to be representative of businesses and residents in its area.

3. Changes to the Draft Policy

- 3.1 The draft revised policy is based on the same template as the existing policy.

- 3.2 The revised policy contains a number of amendments and additional sections that have been made to the document to reflect changes to legislation and guidance that have been introduced since the last Statement of Licensing Policy took effect 1 January 2015.
- 3.3 The changes that have been made are shown in red within the document at Appendix 1 and the more significant changes that have been made are also summarised below.
- 3.4 A new section has been included to explain the implications of the Immigration Act 2016 on the exercise of the Council's functions under the Licensing Act 2003.
- 3.5 New sections have been included providing information on how the Council will deal with applications for personal licences and how it will deal with situations where it is considering suspending or revoking personal licences. The power to suspend or revoke personal licences was given to licensing authorities as a result of provisions within the Policing and Crime Act 2017.
- 3.6 The section explaining the Live Music Act 2012 and other entertainment licensing deregulation has been updated to reflect further deregulatory measures that have taken effect since the last Statement of Licensing Policy was published.
- 3.7 The section regarding cumulative impact has been rewritten to reflect changes that have been made to licensing authorities powers to adopt special policies on cumulative impact as a result of the provisions of the Policing and Crime Act 2017.
- 3.8 A new section has also been included providing information in relation to the local powers to deregulate the licensing of late night refreshment providers that were introduced under the Deregulation Act 2015.
- 3.9 Consultation on the revised draft Statement of Principles will take place with all relevant parties including:
- The Chief Officer of Leicestershire Police
 - Leicestershire Fire and Rescue Service
 - Leicestershire County Council (Public Health)
 - All other responsible authorities identified under the Act
 - Relevant Trade Associations
 - The general public
- 3.10 The consultation will also be made available for comment via the Council's website and publicised via social media and also through the local press. Given the number of changes being proposed to the Council's existing Statement of Licensing Policy, it is proposed that consultation commences on 6 September 2019 for a period of 8 weeks.
- 3.11 Any responses received during the consultation exercise will be reported back to the Licensing and Regulatory Committee on 28 November 2019 before Full Council is asked to approve the revised Statement of Licensing Policy on 17 December 2019.
