1.	44. - Footpath at Tendring Drive, Wigston Update (January 2020)	Clarification be sought on the position regarding the existing permissive path providing entry to Brocks Hill Country Park in Oadby in terms of ongoing access/egress and liability and the appropriate action be taken. <i>Due by Mar-20</i>	DaGi MaKi	Complete (See Below)
		Enquiries have revealed that the formal agreement with the landowner regarding the permissive footpath expired in 2015 and no payments have been made by the Council since that date. The landowner has continued to allow access to the land since that time. The footbridge over the ditch to allow access into Brocks Hill has been inspected by the Health and Safety Officer who has recommended an additional rail at knee height.
