Hi Richard

I refer to the planning officers report 19/00356/OUT

Owing to the current difficulty I believe it would be in the interest of democratic principles to delay a decision on the above application until fuller member and public discussion and debate can take place.

I know in normal circumstances we would have a time deadline for make a decision. We are in an abnormal situation and until a new normal settles down I would urge delay.

Kindest regards and keep well

Jeffrey
