## 1. Introduction and Background

- 1.1 The publication of the Statement of Accounts is governed by the requirements of the Accounts and Audit (England) Regulations 2011. These require the Statement of Accounts to be certified by the Council's Section 151 Officer as presenting a true and fair view of the financial position of the Council by the 31 May each year. The accounts must then be submitted for external audit to published audited accounts by no later than the 31 July each year.
- 1.2 However, due to the COVID-19 pandemic, the deadlines have been altered, with the accounts being presented by 31 August 2020, with the audited accounts to be published by 30 November 2020. The audit of the accounts is still ongoing so the accounts have not yet been published.
- 1.3 Following certification by the Section 151 Officer in August 2020, the accounts have been subject to detailed and rigorous review by the Council's external auditors, Grant Thornton. The audit report is being finalised at the time of writing this report, but we expect the auditors are planning to issue an unqualified opinion. Grant Thornton will present their External Audit Report (ISA 260) on the Accounts at this meeting.
- 1.4 In compliance with the Accounts and Audit Regulations, the Accounts were made available for public inspection during the audit. This period has concluded, and until the conclusion of the audit, electors or their representatives were able to question or raise objections with the external auditor. No questions or objections were raised at the time of writing this report.
- 1.5 There have been some adjustments made to the accounts. They relate mainly to presentational issues and in house system issues and will ensure the Council complies with

technical accounting regulations, specifically CIPFA's Code of Practice on Local Authority Accounting. Additionally, there is a potential change to the valuation of our housing assets. Given the audit is still ongoing, the Committee is recommended to continue to delegate responsibility for finalising the accounts to the Section 151 Officer in liaison with the Committee Chair.

- 1.6 It is a requirement of external audit the Section 151 Officer signs a letter of representation confirming they have the responsibility for the proper administration of the financial affairs of the authority and the duties this entails have been undertaken. The draft letter will be signed nearer to the date of the approval of the accounts.
- 1.7 The Accounts have previously been presented to the Audit Committee in November 2020 where the recommendation to approve the accounts was agreed by this Committee. It is requested that the Committee to continue its recommendation to approve the Accounts. This will allow Grant Thornton to provide their formal opinion on the Accounts and formally conclude the audit. The accounts will then be published on the Council's website.
