8. APPLICATION NO. 22/00037/R3FUL - BROCKS HILL VISITOR CENTRE AND COUNTRY PARK, WASHBROOK LANE, OADBY, LEICESTERSHIRE, LE2 5JJ

Mr Tony Parr, on behalf of the Oadby Civic Society, spoke as an objector of the application.

The Committee gave consideration to the report as set out at pages 12 – 39 of the agenda, with reference to the Officers' presentation (as set out at slides 2 – 16), which asked it to determine an application for the construction of two storey and single storey side extensions, dormer window and internal mezzanine floor area, installation and replacement of solar panels, creation of external plant compound and change of use to a mixed use for offices and café use falling within Use Class E, and meeting use falling within Use Class F1 and Local Government Office use.

The Committee was advised from the outset that the minor operational development arising from the application, if permitted, would not set a precedent for future operational development encroaching into the Green Wedge in accordance with Policy 42.

Having debated the application, the Committee came to the consensus that the majority of the remaining objections raised were not relevant to be determined by this Committee insofar as they were general policy and operational matters for consideration by Council. However, Assurances were given by the Chair that he would raise such matters at the next Brocks Hill/Office Relocation Sub-Committee meeting. Therefore, on balance, there were no material planning grounds upon were the Committee could refuse or amend the application as proposed.

It was moved by the Chair, seconded by the Vice Chair and

UNANIMOUSLY RESOLVED THAT:

The application be GRANTED planning permission in accordance with the submitted documents and plans subject to the prescribed conditions and informatives.

THE MEETING CLOSED AT 8.00 pm
