

PART 4 | SECTION 8 - FINANCIAL PROCEDURE RULES (FINANCIAL REGULATIONS)

1. SECTION 8 – FINANCIAL PROCEDURE RULES (FINANCIAL REGULATIONS)

1.1 Introduction

These Regulations have been adopted by the Council and form an essential part of the control framework within which the Council operates. Each section includes general guidelines to staff on the practical application of the Regulations. Useful contacts are also included in each section of this document.

These Regulations are designed to ensure that financial decisions are taken in a considered and informed manner by assuring that consistent, high quality financial information is available to Members and Officers. In this way we can be confident that financial management ensures that the Council's objectives are met in an economical, effective and efficient way whilst still maintaining the highest levels of accountability.

The Regulations should be used in conjunction with Contract Procedure Rules which document important rules concerning the conduct of Council staff and the procedures they must follow. The general principals contained in the Regulations may be supplemented by detailed procedures specified by or agreed with the Chief Finance Officer. Responsibility for approving and recommending changes to the financial control framework rests with the Chief Finance Officer who will be pleased to receive any comments on the operation of the Financial Regulations or Contract Procedure Rules.

All staff are bound by these Regulations and will be affected by them to some degree depending on their duties. Training will be provided for those staff who are regularly involved in the application of Financial Regulations or Contract Procedure Rules.

The Senior Leadership Team and Heads of Service will be responsible for ensuring that appropriate officers/employees:

- Receive a full copy of these Regulations, where appropriate
- Receive appropriate training in order that they understand and comply with the Regulations.

Every Officer has a responsibility to read and be familiar with these Regulations.

2. Status

2.1 What are Financial Procedure Rules?

PART 4 | SECTION 8 - FINANCIAL PROCEDURE RULES (FINANCIAL REGULATIONS)

- 2.1.1** Section 151 of the Local Government Act 1972 states that “every authority shall make arrangements for the proper administration of their financial affairs and shall secure that one of their Officers has responsibility for the administration of those affairs.
- 2.1.2** Financial Procedures provide the framework for managing the Council’s financial affairs. Financial Procedures are supported by more detailed Financial Management Standards which set out how the procedures will be implemented. These are listed in Appendix A.
- 2.1.3** The procedures identify the financial responsibilities of the Full Council, the Policy, Finance and Development Committee and Officers.
- 2.1.4** To avoid the need for regular amendment due to changes in post, generic titles are included for officers as follows:
- (a) The term “Chief Finance Officer” refers to the Section 151 Officer.
 - (b) The term “Chief Officers” refers to the Council’s Chief Executive and members of the Senior Leadership Team (SLT).
 - (c) The term “Monitoring Officer” is currently the Head of Law and Democracy.
 - (d) The term “Chief Internal Auditor” refers to the lead Officer responsible for Oadby and Wigston Borough Council through the Internal Audit Service provided by CW Audit.

2.2 Why are they important?

- 2.2.1** To conduct its business effectively, the Council needs to ensure that sound financial management arrangements are in place and that they are strictly adhered to in practice. Part of this process is the establishment of Financial Procedures which set out the financial responsibilities of the Council. These procedures have been devised as a control to help the Council manage its financial matters properly in compliance with all necessary requirements.
- 2.2.2** Good, sound financial management is a key element of Corporate Governance which helps to ensure that the Council is doing the right things, in the right way, for the right people, in a timely, inclusive, open, honest and accountable manner.

PART 4 | SECTION 8 - FINANCIAL PROCEDURE RULES (FINANCIAL REGULATIONS)

- 2.2.3** Good financial management secures value for money, controls spending, ensures due probity of transactions and allows decisions to be informed by accurate accounting information.
- 2.2.4** Good financial management requires secure and reliable records and systems to process transactions and information and substantiate the effective use of public money.
- 2.2.5** Financial Procedures should not be seen in isolation, but rather as part of the overall regulatory framework of the Council as set out in this Constitution.

2.3 Who do Financial Procedures apply to?

- 2.3.1** Financial Procedures apply to every member and Officer of the Council and anyone acting on its behalf. Members and Officers have a general responsibility for taking reasonable action to provide for the security and use of the resources and assets under their control, and for ensuring that the use of such resources and assets is legal, consistent with Council policies and priorities, properly authorised, provides value for money and achieves best value.
- 2.3.2** These Financial Procedures shall apply in relation to any partnership for which the Council is the accountable body, unless the Council expressly agrees otherwise.
- 2.3.3** Failure to observe Financial Procedures may result in action under the Council's disciplinary procedures.

2.4 Who is responsible for ensuring that they are applied?

- 2.4.1** Chief Officers and Heads of Service are ultimately responsible to the Council for ensuring that Financial Procedures are applied and observed by his/her staff and contractors providing services on the Council's behalf and for reporting to the Chief Finance Officer any known or suspected breaches of the procedures.
- 2.4.2** The Chief Finance Officer is responsible for maintaining a continuous review of the Financial Procedures and submitting any additions or changes necessary to the Council for approval. The Chief Finance Officer is also responsible for reporting, where appropriate, breaches of the Financial Procedures to the Council and/or to the Policy, Finance and Development Committee Members.
- 2.4.3** The Chief Finance Officer is responsible for issuing advice and guidance to underpin the Financial Procedures which Members, Chief Officers and others

PART 4 | SECTION 8 - FINANCIAL PROCEDURE RULES (FINANCIAL REGULATIONS)

acting on behalf of the Council are required to follow.

2.4.4 Any person charged with the use or care of the Council's resources and assets should inform him or herself of the Council's requirements under these Financial Procedure Rules. If anyone is in any doubt as to their obligations, then they should seek advice.

2.4.5 Where any Chief Officer considers that complying with Financial Procedures in a particular situation might conflict with the achievement of value for money or the principles of Best Value or the best interests of the Council, he/she shall raise the issue with the Chief Finance Officer who will, if he/she considers necessary and appropriate, seek formal approval from the Council for a specific waiver of the procedures, or an amendment to the procedures themselves.

Supplementary estimates should represent a last option for financing a project or variance.
