Learn more about Selective Licensing

Selective Licensing requires landlords to apply for a licence to allow them to rent their property. We are currently considering introducing this in your area, and would welcome your comments.

You can find the consultation survey, more detailed information about Selective Licensing and the times and dates of upcoming engagement sessions on our webpage, which you can visit using the QR code below.

If you would like a paper copy of the consultation, please contact our Customer Services team and this will be posted to you.
