--------------------------	--------------------------------

1. Briefly describe its aims & objectives

The Burial Strategy draws together our ambitions for the management of Cemeteries and churchyards within Oadby and Wigston. The strategy has been developed to reflect the work of our officer team, partner organisations, community groups and local stone masons or funeral directors who each play a role in maintaining and managing the locations.

The strategy will be used as a framework to prioritise how we manage our Cemeteries and churchyards now and, in the future, to ensure they serve the needs of our communities.

(We are referring to the sites which Oadby & Wigston Borough Council owns and manages, which also have free public access. These sites include 2 cemeteries and 3 closed churchyards)

2. Are there external considerations?

Given we do not have a Parish, the Council is duly responsible for these areas and to offer to all community groups.
