## 1. Information

- 1.1 The Local Development Scheme (LDS) is a statutory document that sets out the Council's proposal for the preparation of the Local Plan and other planning policy documents. The LDS is a statutory document that is required by Government and needs to be kept up to date.
- 1.2 On a periodic basis, the Local Development Scheme is updated to reflect the ongoing preparation and development of the Council's Local Plan and other planning policy related documents, for example, Development Plan Documents and Supplementary Planning Documents such as the Developer Contributions Supplementary Planning Document.
- 1.3 The Local Development Scheme breaks down the preparation of the Local Plan and other planning policy related documents into specific stages and gives a timescale by which

these stages will be completed as well as outlining the potential risks to meeting these timescales.

- 1.4 This LDS has been produced in line with the Government Announcement that sets out that all local authorities should have submitted a new Local Plan to the Planning Inspectorate for Examination by June 2025. This deadline exists for local authorities to have a Plan examined under the existing Local Plan legislation. If a Plan is submitted after the June 2025 deadline, it will be subject to a new Local Plan process which has yet to be published and is therefore currently unknown. By not meeting the deadline, the Council will no longer have an up-to-date Local Plan which manages development and the Council could be forced into a position where it must permit poor development and poor contributions to local infrastructure without control on the location of such growth. By meeting the June 2025 deadline, the Council ensures a level of continued control on forthcoming development and its infrastructure requirements and allows for a smooth transition into the new Local Plan period.
- 1.5 The various milestones set out for the new Local Plan within the Spring 2024 Local Development Scheme are as set out below:
- Regulation 18B (Issues and Options): Spring 2024
  - Regulation 19 (Pre-Submission Consultation): Spring 2025
  - Regulation 22 (Submission to the Planning Inspectorate): April 2025
  - Regulation 24 (Estimated Examination Hearing Sessions): Autumn 2025 (date to be determined by the Planning Inspectorate)
  - Main modifications as recommended by the Independent Planning Inspectorate: Winter / Spring 2026 (date to be determined by the Planning Inspectorate)
  - Regulation 26 (Adoption): Summer / Autumn 2026 (date to be determined by the Planning Inspectorate)
- 1.6 The need to amend the Local Development Scheme is to ensure that planning policy and guidance documents are robust, up to date and in line with the target of Local Plan submission by June 2025.
- 1.7 More detailed information regarding preparation timescales and the key milestones for Local Development Documents is contained within the Local Development Scheme document.
